CC members serve as a conduit for cross-district communication on these issues, soliciting feedback from and disseminating reports and updates to constituency groups.

ARTICLE 5: REPRESENTATION

- Members will maintain and promote a focus that is based on district strategic priorities rather than personal, constituency or college interests.
- Members will represent their constituency with accuracy and truthfulness, presenting data as completely as possible and not selectively withholding information.
- Members will communicate a clear understanding of the issues and any CC recommendations to their constituency.
- Members will solicit input from and disseminate information to their respective constituency group.
- Members will base their interpersonal behavior on the assumption that we are all people of goodwill, ensuring that interactions within and outside the CC meetings are consistent with expectations of discretion and respect for individual and institutional integrity.
- Members will honor and acknowledge the contributions of individuals as well as the accomplishments of the whole team, regardless of the level of controversy in the discussion or its outcome.

ARTICLE 6: MEETINGS

- 50%+1 of appointed voting members (not 50% of appointed members plus vacancies), and
- Two members from each site (CHC, SBVC, and DSO members, and
- Three out of the four Constituent Groups represented (students, classified, faculty, management).

Subcommittees/task force/workgroup’s quorum structure (if needed, not mandatory) will be unique and established by the overriding advisory committee. Advisory committees can adjust as they see fit

"Quorum revised at 10/5/2021 Chancellor’s Council and will be reviewed for efficiency at the end of the semester.

Student representatives from each campus are strongly encouraged to participate, but will not hold up decision-making. Committees cannot vote or make decisions unless they have met quorum, but in order to encourage participation, committee members can provide a designee or a proxy if they are not able to attend.

Although students are not part of quorum that their participation is vital and we will continue looking into how we can help support and keep them involved and investigate issues of equity that is causing them not to be able to participate on district and campus level events. We will also investigate issues of equity for other constituencies that may be missing.

- Meetings will occur on the 1st Tuesday of each month at 3:00 p.m. via Zoom.
- Members will honor the agenda and be prepared to participate in the entire meeting.
- Members will keep the discussion focused on the issues, not on the person presenting them, nor on items not immediately relevant to the topic.
- Members will encourage full and open participation by all CC members and make a concerted effort to avoid discussions that are dominated by a few people.
- Members will welcome and solicit diverse opinions and viewpoints, remembering that disagreements are acceptable, often leading to good decision-making.
- Members will practice active listening skills in order to avoid pre-formulated responses, interruptions and sidebar conversations.
