Personal & Professional Development Training

This training is designed to help empower team members with the tools needed to become a highly successful team leader and make small changes within their team that will lead to meaningful results and improvements.

What trainees will learn:

- Establish well-defined goals and clear priorities.
- Designate clear roles and duties.
- Allow team goals to override individual goals.
- Minimize unproductive competition and work collaboratively.
- Deal with conflict effectively.
- Listen to varying points of view.
- Practice open and frequent communication.
- Build trust and morale within the team.

How this training will benefit your company and employees:

This training will take the members on a journey to develop their inner most self by learning to trust and express themselves in a team setting. By learning how to identify and build an effective team, the members will be increasing their value to the organization.

This training is typically offered in 8 hours. Onsite training may be customized to meet your business needs.
