**Subject:** Commitment to the Alliance for Water Stewardship Standard

San Bernardino Valley College is committed to implementing the outcomes of the Alliance for Water Stewardship Standard, which includes good water quality status, effective water governance, sustainable water balance, healthy conditions in Important Water-Related Areas, and safe water, sanitation, and hygiene for all (WASH).

The implementation of the Alliance for Water Stewardship Standards will align with and support the existing Santa Ana Watershed catchment sustainability plan. Furthermore, the College will:

- Engage their stakeholders transparently.
- Manage human and financial resources to implement and maintain the Standard.
- Disclose progress on our water stewardship program to enhance outcomes in the Alliance for Water Stewardship.
- Commit to the principle of continuous improvement.
