

**RESOLUTION OF THE BOARD OF TRUSTEES OF
SAN BERNARDINO COMMUNITY COLLEGE DISTRICT
ORDERING AN ELECTION, AND ESTABLISHING
SPECIFICATIONS OF THE ELECTION ORDER**

WHEREAS, the Board of Trustees (the "Board") of the San Bernardino Community College District (the "District"), has determined that certain educational facilities need to be constructed, renovated, acquired and equipped, in a fiscally prudent manner, to enable the District to maintain San Bernardino Valley College and Crafton Hills College as valuable community resources that provide an affordable education to local students and veterans who desire to learn job skills and transfer to four-year universities; and

WHEREAS, since the costs of attending California's public universities has become so expensive, more local students are relying on community colleges, such as San Bernardino Valley College and Crafton Hills College, and the high quality, affordable college options they each provide; and

WHEREAS, in today's competitive job environment, both San Bernardino Valley College and Crafton Hills College must continue providing important job training and education for local residents entering the workforce for new professions and increase opportunities for local students to earn college credits, certifications and job skills at a reasonable price; and

WHEREAS, the State is not providing the District with funding to adequately maintain San Bernardino Valley College and Crafton Hills College educational facilities and academic programs; and

WHEREAS, the Board has received information regarding the feasibility of a local bond measure and the District's bonding capacity; and

WHEREAS, a local measure will provide funds that cannot be taken away by the State to support local college transfer and job training; and

WHEREAS, a local measure will permit the District to ensure a healthy work and study environment by improving campus safety, emergency communication systems, repairing leaky roofs, old rusty plumbing and faulty electrical systems; and

WHEREAS, a local measure will update San Bernardino Valley College and Crafton Hills College education facilities and technology to prepare students for 21st century jobs; and

WHEREAS, a local measure will help San Bernardino Valley College and Crafton Hills College provide career technical education in fields such as emergency medical services, anatomy and nursing; and

WHEREAS, given the increased fire dangers due to the drought and climate changes, providing new fire and public safety training facilities in East Valley will allow the District to train firefighters and public safety officers who will help keep our community safe; and

WHEREAS, a local measure will improve services for veterans returning to civilian life with job training, job placement, counseling and support services to military veterans and their families;

WHEREAS, such a local measure will include mandatory taxpayer protections, including an independent citizens' oversight of all funds and mandatory annual financial audits to ensure funds are spent only as authorized; and

WHEREAS, the Board and District has solicited stakeholder and community input on priorities from students, faculty, staff, business and civic leaders, and the community; and

WHEREAS, in the judgment of the Board, it is advisable to provide additional funding for job training and workforce preparation for students of all ages, veterans and local residents and to improve facilities for course opportunities in engineering, industrial technology, manufacturing, automotive technology, logistics, and other technical vocational careers, by means of a general obligation bond issued in a financially prudent manner; and

WHEREAS, on November 7, 2000, the voters of California approved the Smaller Classes, Safer Schools and Financial Accountability Act ("Proposition 39") which established the voter threshold for *ad valorem* tax levies used to pay for debt service or bonded indebtedness at 55% of the votes cast on a community college district general obligation bond; and

WHEREAS, concurrent with the passage of Proposition 39, Chapter 1.5, Part 10, Division 1, Title 1 (commencing with Section 15264) of the Education Code (the "Act") became operative and established requirements associated with the implementation of Proposition 39; and

WHEREAS, the Board desires to make certain findings herein to be applicable to this election order and to establish certain performance audits, standards of financial accountability and citizen oversight which are contained in Proposition 39 and the Act; and

WHEREAS, the Board determines that, in accordance with Opinion No. 04-110 of the Attorney General of the State of California, the restrictions in Proposition 39, which prohibit any bond money to be used for administrator salaries and other operating expenses of the District shall be strictly monitored by the District's Citizens' Oversight Committee; and

WHEREAS, pursuant to Education Code Section 15270, based upon a projection of assessed property valuation, the Board has determined that, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be issued will not exceed the Proposition 39 limits per year per \$100,000 of assessed valuation of taxable property; and

WHEREAS, Elections Code Section 9400 *et seq.* of the Elections Code (the "Elections Code") requires that a tax rate statement be contained in all official materials, including any ballot pamphlet prepared, sponsored or distributed by the District, relating to the election; and

WHEREAS, the Board now desires to authorize the filing of a tax rate statement and ballot argument in favor of the proposition to be submitted to the voters at the election; and

WHEREAS, pursuant to the Elections Code, it is appropriate for the Board to request consolidation of the election with any and all other elections to be held on November 6, 2018, and to request each of the San Bernardino County Registrar of Voters and the Riverside County Registrar of Voters to perform certain election services for the District; and

PROJECTS

The Board of Trustees of the San Bernardino Community College District, to be responsive to the needs of its community, evaluated San Bernardino Valley College and Crafton Hills College’s urgent and critical facility needs, and its capacity to provide students, and Veterans with support and job training facilities, an affordable education and prepare them for success in college and careers. Job training facilities, safety issues, class size and offerings, and information and computer technology were each considered in developing the types of projects to be funded by this measure, as such are outlined below and in the District’s Districtwide Facilities Master Plan Project List, approved by the Board of Trustees on May 11, 2017 and available for review on the District’s website, www.sbccd.org.

In developing the scope of projects, basic repairs, job training facilities, campus safety, facilities supporting Veterans, and the expansion of opportunities for local students to receive an affordable, quality education, were prioritized. If these facility needs are not addressed now, the District’s Colleges would be unable to remain competitive in preparing students for jobs in high demand industries and university transfer.

The Board of Trustees determines that San Bernardino Valley College and Crafton Hills College MUST:

- (i) Maintain affordable education for local students and Veterans;
- (ii) Repair or replace leaky roofs, old rusty plumbing and faulty electrical systems;
- (iii) Improve Veteran’s Center to provide job training, job placement and support services to Veterans;
- (iv) Improve student safety and campus security options;

- (v) Upgrade classrooms, labs, and job-training facilities in engineering, industrial technology, automotive technology and manufacturing;
- (vi) Adhere to stringent FISCAL ACCOUNTABILITY safeguards including:
 - (a) All expenditures will be subject to annual independent financial audits,
 - (b) No funds will be used for administrators' salaries and pensions,
 - (c) An independent citizens' oversight committee will be appointed to ensure that all funds are spent only as authorized.

The following types of projects are authorized to be undertaken at San Bernardino Valley College, Crafton Hills College and at District Sites and Facilities:

**PROVIDE AN AFFORDABLE EDUCATION
FOR LOCAL STUDENTS AND VETERANS:**

**Basic Upgrade Projects Needed To Make San Bernardino Valley College
and Crafton Hills College Safe Places
For Students Seeking Job Training and Job Placement**

Goals and Purposes: Because the cost of attending the University of California and State University systems has become so expensive, many more students are starting their education at community colleges. This measure will ensure local students have access to an affordable, high-quality education here in San Bernardino County.

Our local community colleges ensure that lower and middle-income students who can't afford the high price of a university still have an opportunity to succeed in college and careers. This measure will provide the affordable, high quality education that all students deserve.

- Improve access to college facilities for people with disabilities.
- Improve Veterans Centers to provide job training, job placement, counseling, and support services to military veterans and their families.
- Repair or replace leaky roofs, old rusty plumbing, and faulty electrical systems.
- Upgrade libraries to accommodate modern technology, digital resources, and improve instructional support for students.

**PROVIDE JOB AND CAREER TRAINING
CLASSROOM IMPROVEMENTS:**

**To Help Students and Veterans Transfer
Be Trained For High Demand Jobs**

Goals and Purposes: We have thousands of military veterans returning from service who need job training, job placement, counseling and support services. Improving the Student and Veterans Centers will ensure that our veterans receive the support they need.

Our local community colleges are a vital resource for our community. They educate the healthcare professionals that serve our medical needs, the police and fire fighters that keep us safe, and the skilled workers that fuel our local economy.

- Upgrade classrooms and career training facilities for **engineering, industrial technology, manufacturing, automotive technology, and logistics.**
- Upgrade classrooms and labs to help local students complete the first two years of college affordably, and then transfer to the Cal State or UC systems.

The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed.
