

# Crafton Hall Renovation

**Project:** Crafton Hall Renovation

**Current Project Budget:** \$10M

**Delivery Method:** Design-Bid-Build

**Architect:** PBK Architects

**Construction Manager:** Kitchell

**Project Manager:** AECOM

**Project Status:** Completed

**Start of Construction:** Jul 2024

**Project Completion:** Sep 2025

**Local Hire:** 57%

**Project Goal:** Transform Crafton Hall into a premier event and meeting venue that accommodates a wide range of campus activities while providing additional faculty office space to support the college's growth.

## Project Description

- This comprehensive renovation initiative will revitalize the historic Crafton Hall, repurposed as the primary facility for hosting meetings, conferences, training sessions, fundraising galas, and community events at Crafton Hills College.
- The redesigned interior offers flexible and technology-enhanced spaces tailored for various event needs. To address increasing space demands from campus expansion, the second floor was converted into an annex of faculty offices connected to the Clock Tower Building.
