~~Moving forward, the District will assess increases and total compensation (e.g. salary, health and welfare benefits) using a formula that includes all full-time and part-time members. will be determined using the formula below, and will resolve negotiations for each year with regard to Article 10 and Article 11: The bargaining unit shall receive its proportionate share of the increased unrestricted revenue which is above an established base amount; less mandatory expenditures as illustrated in Attachment A. The bargaining unit's proportionate share of such revenues will be based upon:~~

- ~~1. The unit's total salary and benefit cost, including the cost of District contribution towards health coverage for all eligible CTA unit members; which is compared to the total District salary benefit and contribution costs for authorized/filled positions of all District employee groups.~~
- ~~2. Authorized/filled positions which are funded from special programs/categorical funds are excluded from both the Association's unit's cost and other employee group costs.~~
- ~~3. Attachment A will be updated on an annual basis at the time the State Final Budget is approved (typically the month of July).~~
