The District addresses reports and complaints of alleged sexual harassment under Board Policies and Administrative Procedures 3430 and 3433; Administrative Procedures 3434 and 3435.

Pursuant to California Education Code Section 66282.1, each California Community College district is required to publish an annual report detailing specific data related to its efforts to prevent and address sex discrimination. This report includes:

II. SEXUAL HARASSMENT REPORTS AND COMPLAINTS

For purposes of this report, sexual harassment includes Title IX Sexual Harassment (quid pro quo, hostile environment, sexual assault, dating violence, domestic violence, and stalking) and sexual harassment as defined by California Education Code (which includes sexual violence, rape, sexual battery, and sexual exploitation).

A report is any report received by the District alleging sexual harassment, whether made verbally, in writing, by email, through a complaint form, or through another reporting channel, even if no official investigation has been commenced.

III. SEXUAL HARASSMENT COMPLAINT DISMISSAL APPEALS

The District may dismiss a sexual harassment complaint if it does not meet the requirements for investigation specified in District policy. Both complainants and respondents may appeal a decision to dismiss a sexual harassment complaint. An appeal decision-maker for a dismissal of a sexual harassment complaint may either uphold the original dismissal decision or reinstate the complaint, thus overturning the original dismissal decision.

IV. SEXUAL HARASSMENT INVESTIGATIONS

The District fairly and objectively investigates sexual harassment complaints. If a student complainant requests confidentiality when reporting sexual harassment, or that no investigation or disciplinary action be pursued to address alleged sexual harassment, the District takes the request seriously, while at the same time considering its responsibility to provide a safe and nondiscriminatory environment for all students, including for the complainant. The District shall normally grant the request when possible.

An official investigation commences upon notice of the investigation to all involved parties. Data included in the following Figure does not account for formal complaints resolved prior to the completion of a final investigative report.

Investigations involve interviews with the parties and any relevant witnesses, as well as collecting any additional available relevant evidence. Upon completion of the investigation, investigators compile a final investigative report. An investigation is complete upon finalization of the investigative report. Factors that contribute to the length of an investigation include, but are not limited to, party and witness availability and responsiveness, number of parties and witnesses, allegation complexity, and concurrent law enforcement or other agency investigations.
