

February Newsletter

Here's what has happened in the last month and what's to come!

Featured Membership Benefit

Your pets are a part of the family. Help them lead long and healthy lives by having the best pet insurance you can to help with the high cost of veterinary care. Plans start at just \$6/month for cats and \$9/month for dogs. Details found at, <https://www.neamb.com/products/ne-a-pet-insurance>

Negotiations Update

Wages

- The teams have been working in an interest-based bargaining format. We're looking at different scenarios to determine the best way to address the pay disparity between our comparable colleges.

Coaching

- SBCCDTA came to an agreement that the head football coach will be moved to a management position. In addition, we will be meeting with all coaches from CHC and Valley to discuss workload and coaching stipends.

High Intensity Lab

- Results are in for the first round of High Intensity Lab applications. The presidents mostly agreed with the recommendations from the committee, and only one class from CHC was denied.

Workload

- Discussions are continuing regarding workload. We will be addressing compressed calendar, faculty chair reassigned time and stipend, remote work, and every item in between.

Voting Process

As a reminder, the e-board has decided to move to online or mail in voting to make the voting process more accessible to all members. For members who choose to vote electronically, they will receive the voting link via District email. More details to follow.

SBCCDTA Website and Communication

The SBCCDTA website is ready to go! Check out details on negotiations items, membership information, and much more! We will still have Instagram and Discord for PAC information and community hall discussions.

Mandatory Trainings

The District may still be ironing out some technical issues transferring the trainings to NeoED. If you have any technical questions contact the District. If you are part-time faculty and have an issue regarding the professional development hours, please let us know.
