Hello members,

Every year a voluntary contribution of \$5 per member has been allocated to be transferred from the General Funds into the PAC account, to support local elections, such as the Board of Trustees. Please note this does not go towards any congressional or state elections. If you choose not to have your \$5 contribution go towards local elections and remain in the SBCCDTA General Funds, follow the steps below.

Requests must be mailed (or dropped off) by the member, and received by the union office, between August 1 and September 30 every year.

RE: ANNUAL MEMBER RE-DIRECTION OF POLITICAL ACTION COMMITTEE (PAC) CONTRIBUTION FOR LOCAL BOARD OF TRUSTEES ELECTION TO THE GENERAL FUND  
This is my request, per San Bernardino Community College Teachers Association (SBCCDTA), that five dollars (\$5) of my annual dues shall NOT be allocated to the Political Action Committee (for local Board of Trustees elections), and instead be redirected to the general fund of SBCCDTA.
