Policy Manual

CHIEF'S PREFACE

Welcome to the San Bernardino Community College District Police Department Policy Manual. As the Chief of Police, it is my privilege to present this document, which serves as both a guide and a commitment to our officers, staff, students, and the broader community we serve.

This manual outlines the policies, procedures, and ethical standards that govern our department. It is designed to ensure that every member of our police department operates with integrity, accountability, and professionalism while safeguarding the values of trust and respect within our community.

The San Bernardino Community College District Police Department is dedicated to providing a safe, inclusive, and supportive environment for all students, faculty, staff, and visitors. Our policies are based on the principles of fairness, transparency, and service, aiming to build and maintain positive relationships with our community. We prioritize not only law enforcement but also community engagement, education, and proactive problem-solving to ensure that our campus environments remain conducive to learning, growth, and success.

Every policy within this manual has been crafted to reflect the high standards we hold ourselves to as law enforcement professionals. As members of the San Bernardino Community College District, we recognize the significance of our role in the academic success and well-being of our community. Our goal is not only to enforce the law but to be leaders in promoting respect, equity, and safety in all interactions with those we serve.

I encourage all members of our department to regularly review this manual and incorporate its guidelines into their daily practices. As we move forward, we will continue to assess and update our policies to meet evolving needs, challenges, and best practices in law enforcement.

Thank you for your commitment to upholding the principles of justice, safety, and service. Together, we can continue to create a secure and thriving community for all.

LAW ENFORCEMENT CODE OF ETHICS

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

Chapter 2 - Organization and Administration

Training

203.1 PURPOSE AND SCOPE

It is the policy of this Department to administer a training program that will provide for the professional growth and continued development of its personnel. By doing so, the Department will ensure its personnel possess the knowledge and skills necessary to provide a professional level of service that meets the needs of the community.

203.2 PHILOSOPHY

The Department seeks to provide ongoing training and encourages all personnel to participate in advanced training and formal education on a continual basis. Training is provided within the confines of funding, requirements of a given assignment, staffing levels, and legal mandates. Whenever possible, the Department will use courses certified by the California Commission on Peace Officer Standards and Training (POST).

203.3 POLICY

The Department shall administer a training program that will meet the standards of federal, state, local, and POST training requirements. It is a priority of this Department to provide continuing education and training for the professional growth and development of its members.

203.4 OBJECTIVES

The objectives of the Training Program are to:

- (a) Enhance the level of law enforcement services to the College community, District Support Services, and the public.
- (b) Increase the technical expertise and overall effectiveness of our personnel.
- (c) Provide for continued professional development of Department personnel.
- (d) Ensure compliance with POST rules and regulations and Title 5 (CCR 59704) concerning law enforcement training.

203.5 TRAINING PLAN

A training plan will be developed and maintained by the Training Sergeant and Police Compliance Manager. It is the responsibility of the Training Sergeant and Police Compliance Manager to maintain, review, and update the training plan on an annual basis. The plan will address the following areas:

- (a) Legislative Changes
- (b) State Mandated Training, including POST Continued Professional Training (CPT)
- (c) Critical Issues Training
- (d) District/Department Required Training

San Bernardino Community College District Police Department

Policy Manual

Training

203.6 TRAINING PLAN ASSESSMENT

The Training Sergeant and Police Compliance Manager will conduct a training-needs assessment of the Department every other calendar year. The needs assessment will be reviewed by staff. Upon approval by the staff, the needs assessment will form the basis for the training plan.

203.7 TRAINING REQUESTS

All training requests should be tendered directly to the Training Sergeant using a Department-approved Training Conference Request form. Requests must be submitted at least 45 days in advance to ensure adequate processing time by the Police Compliance Manager. Any deviation from the 45 day processing time requirement will be reviewed on a case-by-case and/or needs of the department.

203.8 TRAINING PROCEDURES

- (a) All employees assigned to attend training shall attend as scheduled unless previously excused by their immediate supervisor. Excused absences from mandatory training should be limited to the following:
 - 1. Court appearances
 - 2. Pre-approved vacation
 - 3. Sick leave
 - 4. Physical limitations preventing the employee's participation.
 - 5. Emergency situations
- (b) When an employee is unable to attend mandatory training, that employee shall:
 - 1. Notify his/her supervisor as soon as possible but no later than one hour prior to the start of training.
 - 2. Document his/her absence in a memorandum to his/her supervisor.
 - 3. Make arrangements through his/her supervisor and the Training Sergeant to attend the required training on an alternate date.

203.9 DAILY TRAINING BULLETINS

The Lexipol Daily Training Bulletins (DTBs) is a web-accessed system that provides training on the San Bernardino Community College District Police Department Policy Manual and other important topics. Generally, one training bulletin is available for each day of the month. However, the number of DTBs may be adjusted by the Training Sergeant.

Personnel assigned to participate in DTBs should only use the password and login name assigned to them by the Training Sergeant. Personnel should not share their password with others and should frequently change their password to protect the security of the system. After each session, employees should log off the system to prevent unauthorized access. The content of the DTBs is copyrighted material and shall not be shared with others outside of the Department.

San Bernardino Community College District Police Department

Policy Manual

Training

Employees who are assigned to participate in the DTB program should complete each DTB at the beginning of their shift or as otherwise directed by their supervisor. Employees should not allow uncompleted DTBs to build up over time. Personnel may be required to complete DTBs missed during extended absences (e.g., vacation, medical leave) upon returning to duty. Although the DTB system can be accessed from any Internet active computer, employees shall only take DTBs as part of their on-duty assignment unless directed otherwise by a supervisor.

Supervisors will be responsible for monitoring the progress of personnel under their command to ensure compliance with this policy.

203.10 TRAINING SERGEANT

The Chief of Police shall designate a Training Sergeant who is responsible for developing, reviewing, updating, and maintaining the Department training plan so that required training is completed. The Training Sergeant should review the training plan annually.

203.10.1 TRAINING RESTRICTION

The Training Sergeant is responsible for establishing a process to identify officers who are restricted from training other officers for the time period specified by law because of a sustained use of force complaint (Government Code § 7286(b)).

Chapter 3 - General Operations

Use of Force

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this Department is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner (Government Code § 7286).

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Techniques and Conducted Energy Device policies.

Retaliation prohibitions for reporting suspected violations are addressed in the Anti-Retaliation Policy.

300.1.1 DEFINITIONS

Definitions related to this policy include:

Deadly force - Any use of force that creates a substantial risk of causing death or serious bodily injury, including but not limited to the discharge of a firearm (Penal Code § 835a).

Feasible - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person (Government Code § 7286(a)).

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

Serious bodily injury - A serious impairment of physical condition, including but not limited to the following: loss of consciousness; concussion; bone fracture; protracted loss or impairment of function of any bodily member or organ; a wound requiring extensive suturing; and serious disfigurement (Penal Code § 243(f)(4)).

Totality of the circumstances - All facts known to the officer at the time, including the conduct of the officer and the subject leading up to the use of force (Penal Code § 835a).

300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

San Bernardino Community College District Police Department

Policy Manual

Use of Force

The Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE

Any officer present and observing another law enforcement officer or an employee using force that is clearly beyond that which is necessary, as determined by an objectively reasonable officer under the circumstances, shall, when in a position to do so, intercede (as defined by Government Code § 7286) to prevent the use of unreasonable force.

When observing force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject (Government Code § 7286(b)).

300.2.2 FAIR AND UNBIASED USE OF FORCE

Officers are expected to carry out their duties, including the use of force, in a manner that is fair and unbiased (Government Code § 7286(b)). See the Bias-Based Policing Policy for additional guidance.

300.2.3 DUTY TO REPORT EXCESSIVE FORCE

Any officer who observes a law enforcement officer or an employee use force that potentially exceeds what the officer reasonably believes to be necessary shall immediately report these observations to a supervisor (Government Code § 7286(b)).

As used in this subsection, "immediately" means as soon as it is safe and feasible to do so.

300.2.4 FAILURE TO INTERCEDE

An officer who has received the required training on the duty to intercede and then fails to act to intercede when required by law, may be disciplined in the same manner as the officer who used force beyond that which is necessary (Government Code § 7286(b)).

300.3 USE OF FORCE

Officers shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident. Officers may only use a level of force that they reasonably believe is proportional to

San Bernardino Community College District Police Department

Policy Manual

Use of Force

the seriousness of the suspected offense or the reasonably perceived level of actual or threatened resistance (Government Code § 7286(b)).

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the approved or authorized tools, weapons, or methods provided by the Department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST

Any peace officer may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance. A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit (Government Code § 7286(b)). These factors include but are not limited to:

- (a) The apparent immediacy and severity of the threat to officers or others (Penal Code § 835a).
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time (Penal Code § 835a).
- (c) Officer/subject factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The conduct of the involved officer leading up to the use of force (Penal Code § 835a).
- (e) The effects of suspected drugs or alcohol.
- (f) The individual's apparent mental state or capacity (Penal Code § 835a).
- (g) The individual's apparent ability to understand and comply with officer commands (Penal Code § 835a).
- (h) Proximity of weapons or dangerous improvised devices.

San Bernardino Community College District Police Department

Policy Manual

Use of Force

- (i) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
- (j) The availability of other reasonable and feasible options and their possible effectiveness (Penal Code § 835a).
- (k) Seriousness of the suspected offense or reason for contact with the individual prior to and at the time force is used.
- (l) Training and experience of the officer.
- (m) Potential for injury to officers, suspects, bystanders, and others.
- (n) Whether the person appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (o) The risk and reasonably foreseeable consequences of escape.
- (p) The apparent need for immediate control of the subject or a prompt resolution of the situation.
- (q) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (r) Prior contacts with the subject or awareness of any propensity for violence.
- (s) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed Department-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the person can comply with the direction or orders of the officer.
- (c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 RESTRICTIONS ON THE USE OF CAROTID CONTROL HOLD

Officers of this Department are not authorized to use a carotid restraint hold. A carotid restraint means a vascular neck restraint or any similar restraint, hold, or other defensive tactic in which pressure is applied to the sides of a person's neck that involves a substantial risk of restricting blood flow and may render the person unconscious in order to subdue or control the person (Government Code § 7286.5).

San Bernardino Community College District Police Department

Policy Manual

Use of Force

300.3.5 RESTRICTIONS ON THE USE OF A CHOKE HOLD

Officers of this Department are not authorized to use a choke hold. A choke hold means any defensive tactic or force option in which direct pressure is applied to a person's trachea or windpipe (Government Code § 7286.5).

300.3.6 USE OF FORCE TO SEIZE EVIDENCE

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the San Bernardino Community College District Police Department for this specific purpose.

300.3.7 ALTERNATIVE TACTICS - DE-ESCALATION

As time and circumstances reasonably permit, and when community and officer safety would not be compromised, officers should consider actions that may increase officer safety and may decrease the need for using force:

- (a) Summoning additional resources that are able to respond in a reasonably timely manner.
- (b) Formulating a plan with responding officers before entering an unstable situation that does not reasonably appear to require immediate intervention.
- (c) Employing other tactics that do not unreasonably increase officer jeopardy.

In addition, when reasonable, officers should evaluate the totality of circumstances presented at the time in each situation and, when feasible, consider and utilize reasonably available alternative tactics and techniques that may persuade an individual to voluntarily comply or may mitigate the need to use a higher level of force to resolve the situation before applying force (Government Code § 7286(b)). Such alternatives may include but are not limited to:

- (a) Attempts to de-escalate a situation.
- (b) If reasonably available, the use of crisis intervention techniques by properly trained personnel.

300.3.8 ADDITIONAL RESTRICTIONS

Terms such as "positional asphyxia," "restraint asphyxia," and "excited delirium" continue to remain the subject of debate among experts and medical professionals, are not universally recognized medical conditions, and frequently involve other collateral or controlling factors such as narcotics or alcohol influence or pre-existing medical conditions. While it is impractical to restrict an officer's use of reasonable control methods when attempting to restrain a combative individual, officers are not authorized to use any restraint or transportation method which might unreasonably impair an individual's breathing or respiratory capacity for a period beyond the point when the individual has been adequately and safely controlled. Once the individual is safely secured, officers

San Bernardino Community College District Police Department

Policy Manual

Use of Force

should promptly check and continuously monitor the individual's condition for signs of medical distress (Government Code § 7286.5).

300.4 DEADLY FORCE APPLICATIONS

If an objectively reasonable officer would consider it safe and feasible to do so under the totality of the circumstances, officers shall evaluate and use other reasonably available resources and techniques when determining whether to use deadly force. To the extent that it is reasonably practical, officers should consider their surroundings and any potential risks to bystanders prior to discharging a firearm (Government Code § 7286(b)).

The use of deadly force is only justified when the officer reasonably believes it is necessary in the following circumstances (Penal Code § 835a):

- (a) An officer may use deadly force to protect themselves or others from what the officer reasonably believes is an imminent threat of death or serious bodily injury to the officer or another person.
- (b) An officer may use deadly force to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended. Where feasible, the officer shall, prior to the use of deadly force, make reasonable efforts to identify him/herself as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts (Penal Code 835a).

Officers shall not use deadly force against a person based on the danger that person poses to themselves, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the officer or to another person (Penal Code § 835a).

Additionally, an officer shall not use deadly force against a person whose actions are a threat solely to property unless the person poses an imminent danger of death or serious physical injury to the officer or others in close proximity.

An "imminent" threat of death or serious bodily injury exists when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the officer or another person. An officer's subjective fear of future harm alone is insufficient as an imminent threat. An imminent threat is one that from appearances is reasonably believed to require instant attention (Penal Code § 835a).

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and involve considerations and risks in addition to the justification for the use of deadly force. When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is

San Bernardino Community College District Police Department

Policy Manual

Use of Force

directed at the officer or others, or if in compliance with section 300.4 of this policy. An officer may also use deadly force to apprehend a person fleeing in a vehicle if in compliance with section 300.4(b) of this policy.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.4.2 DISPLAYING OF FIREARMS

Given that individuals might perceive the display of a firearm as a potential application of force, officers should carefully evaluate each tactical situation and use sound discretion when drawing a firearm in public by considering the following guidelines (Government Code § 7286(b)):

Officers should use sound discretion when drawing a firearm in public. If the officer reasonably believes that an imminent threat, or potentially imminent threat exists based on the totality of circumstances presented at the time, firearms may be drawn and/or directed towards such threat until the officers no longer perceives such threat. Once it is reasonably safe to do so, officers should carefully secure all firearms.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this Department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms, as specified in Department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

300.5.1 NOTIFICATION TO SUPERVISORS

Any use of force by an officer shall be reported immediately to a supervisor, including but not limited to the following circumstances (Penal Code § 832.13):

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of a conducted energy device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

As used in this subsection, "immediately" means as soon as it is safe and feasible to do so.

San Bernardino Community College District Police Department

Policy Manual

Use of Force

300.5.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2. See the Administrative Support Policy.

300.5.3 REPORT RESTRICTIONS

Officers shall not use the term "excited delirium" to describe an individual in an incident report. Officers may describe the characteristics of an individual's conduct, but shall not generally describe the individual's demeanor, conduct, or physical and mental condition at issue as "excited delirium" (Health and Safety Code § 24402).

300.6 MEDICAL CONSIDERATIONS

Once it is reasonably safe to do so, properly trained officers should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident (Government Code § 7286(b)).

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until the individual can be medically assessed.

Based upon the officer's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff, or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain, or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

See the Medical Aid and Response Policy for additional guidelines.

300.7 SUPERVISOR RESPONSIBILITY

A supervisor should respond to any reported use of force, if reasonably available. The responding supervisor is expected to (Government Code § 7286(b)):

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the subject upon whom force was applied. If this interview is conducted without the person having voluntarily waived his/her *Miranda* rights, the following shall apply:
 - 1. The content of the interview should not be summarized or included in any related criminal charges.
 - 2. The fact that a recorded interview was conducted should be documented in a property or other report.
 - 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the subject may pursue civil litigation.
 - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 WATCH COMMANDER RESPONSIBILITY

The Watch Commander shall review each use of force by any personnel within his/her command to ensure compliance with this policy.

300.8 TRAINING

Officers and supervisors will receive annual training on this policy and demonstrate their knowledge and understanding (Government Code § 7286(b)).

San Bernardino Community College District Police Department

Use of Force

300.8.1 TRAINING REQUIREMENTS

Required annual training shall include:

- (c) The duty to intercede.
- (d) The duty to request and/or render medical aid.
- (e) Warning shots (see the Firearms Policy).
- (f) All other subjects covered in this policy (e.g., use of deadly force, chokeholds and carotid holds, discharge of a firearm at or from a moving vehicle, verbal warnings).
- (g) Training courses required by and consistent with POST guidelines set forth in Penal Code § 13519.10.

See the Training Policy for restrictions relating to officers who are the subject of a sustained use of force complaint.

300.8.2 STATE-SPECIFIC TRAINING REQUIREMENTS

Required state-specific training shall include guidelines regarding vulnerable populations, including but not limited to children, elderly persons, pregnant individuals, and individuals with physical, mental, and developmental disabilities (Government Code § 7286(b)).

300.9 USE OF FORCE ANALYSIS

At least annually, the Chief of Police or the authorized designee should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

300.10 USE OF FORCE COMPLAINTS

The receipt, processing, and investigation of civilian complaints involving use of force incidents should be handled in accordance with the Personnel Complaints Policy (Government Code § 7286(b)).

300.11 POLICY REVIEW

The Chief of Police or the authorized designee should regularly review and update this policy to reflect developing practices and procedures (Government Code § 7286(b)).

300.12 POLICY AVAILABILITY

The Chief of Police or the authorized designee should ensure this policy is accessible to the public (Government Code § 7286(c)).

300.13 PUBLIC RECORDS REQUESTS

Requests for public records involving an officer's personnel records shall be processed in accordance with Penal Code § 832.7 and the Personnel Records and Records Maintenance and Release policies (Government Code § 7286(b)).

Control Devices and Techniques

303.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

303.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the San Bernardino Community College District Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

303.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

303.4 RESPONSIBILITIES

303.4.1 WATCH COMMANDER RESPONSIBILITIES

The Watch Commander may authorize the use of a control device by selected personnel who have successfully completed the required training.

303.4.2 DEPARTMENT ARMORER RESPONSIBILITIES

The Department Armorer shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Department Armorer or the designated instructor for a particular control device. The inspection shall be documented.

303.4.3 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

San Bernardino Community College District Police Department

Policy Manual

Control Devices and Techniques

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Department Armorer for disposition. Damage to District property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

303.5 BATON GUIDELINES

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

303.6 OLEORESIN CAPSICUM (OC) GUIDELINES

See SBCCD PD Policies and Procedure Manual Sections 6.05 et al.

303.7 KINETIC ENERGY PROJECTILE GUIDELINES

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

303.7.1 DEPLOYMENT AND USE

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.
- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

San Bernardino Community College District Police Department

Policy Manual

Control Devices and Techniques

303.7.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the officer should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

303.7.3 SAFETY PROCEDURES

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the shotgun will be unloaded and properly and securely stored in the vehicle. When deploying the kinetic energy projectile shotgun, the officer shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Absent compelling circumstances, officers who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second officer watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

Control Devices and Techniques

303.8 TRAINING FOR CONTROL DEVICES

The Training Sergeant shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the officer's training file.
- (c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

303.9 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Conducted Energy Device

304.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of the conducted energy device (CED).

304.2 POLICY

The CED is used in an attempt to control a violent or potentially violent individual. The appropriate use of such a device may result in fewer serious injuries to officers and suspects.

304.3 ISSUANCE AND CARRYING CEDS

Only members who have successfully completed Department-approved training may be issued and may carry the CED.

The Training Sergeant should keep a log of issued CED devices and the serial numbers of cartridges/magazines issued to members.

CEDs are issued for use to all sworn members of the Department.

Officers shall only use the CED and cartridges/magazines that have been issued by the Department. Cartridges/magazines should not be used after the manufacturer's expiration date.

Uniformed officers who have been issued the CED shall wear the device in an approved holster.

Officers who carry the CED while in uniform shall carry it in a holster on the side opposite the duty weapon (Penal Code § 13660).

- (a) All CEDs shall be clearly distinguishable to differentiate them from the duty weapon and any other device.
- (b) For single-shot devices, whenever practicable, officers should carry an additional cartridge on their person when carrying the CED.
- (c) Officers should not hold a firearm and the CED at the same time.

Non-uniformed officers may secure the CED in a concealed, secure location in the driver's compartment of their vehicles.

304.3.1 CED BATTERY MAINTENANCE

Members issued a CED are responsible for battery upkeep and maintenance. Members shall place CED batteries into docking system after any deployment, as directed by a supervisor, and when the battery reaches twenty percent (20%) charge.

304.3.2 USER RESPONSIBILITIES

Officers shall be responsible for ensuring that the issued CED is properly maintained and in good working order. This includes a function test and battery life monitoring, as required by the manufacturer, and should be completed prior to the beginning of the officer's shift.

CEDs that are damaged or inoperative, or cartridges/magazines that are expired or damaged, shall be returned to the Training Sergeant or Department Armorer for disposition. Officers shall

San Bernardino Community College District Police Department

Policy Manual

Conducted Energy Device

submit documentation stating the reason for the return and how the CED or cartridge/magazine was damaged or became inoperative, if known.

304.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the CED should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the CED may be deployed.

If, after a verbal warning, an individual fails to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, activate any warning on the device, which may include display of the electrical arc, an audible warning, or the laser in a further attempt to gain compliance prior to the application of the CED. The laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the CED in the related report.

304.5 USE OF THE CED

The CED has limitations and restrictions requiring consideration before its use. The CED should only be used when its operator can safely deploy the device within its operational range. Although the CED may be effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

If sufficient personnel are available and can be safely assigned, an officer designated as lethal cover for any officer deploying a CED may be considered for officer safety.

304.5.1 APPLICATION OF THE CED

The CED may be used, when the circumstances reasonably perceived by the officer at the time indicate that such application reasonably appears necessary to control a person who:

- (a) Is violent or is physically resisting.
- (b) Has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, themselves, or others.

Mere flight from a pursuing officer, without additional circumstances or factors, is not good cause for the use of the CED to apprehend an individual.

The CED shall not be used to psychologically torment, to elicit statements, or to punish any individual.

304.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the CED on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would

San Bernardino Community College District Police Department

Policy Manual

Conducted Energy Device

present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the potential risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.
- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals known to have been recently sprayed with a flammable chemical agent or who are otherwise known to be in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
- (f) Individuals whose position or activity is likely to result in collateral injury (e.g., falls from height, located in water, operating vehicles).

304.5.3 TARGETING CONSIDERATIONS

Recognizing that the dynamics of a situation and movement of the subject may affect target placement of probes, when practicable, officers should attempt to target the back, lower center mass, and upper legs of the subject, and avoid intentionally targeting the head, neck, area of the heart, or genitals. If circumstances result in one or more probes inadvertently striking an area outside of the preferred target zones, the individual should be closely monitored until examined by paramedics or other medical personnel.

304.5.4 MULTIPLE APPLICATIONS OF THE CED

Once an officer has successfully deployed two probes on the subject, the officer should continually assess the subject to determine if additional probe deployments or cycles reasonably appear necessary. Additional factors officers may consider include but are not limited to:

- (a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.
- (b) Whether the probes are making proper contact.
- (c) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (d) Whether verbal commands or other options or tactics may be more effective.

Given that on certain devices (e.g., TASER 10™) each trigger pull deploys a single probe, the officer must pull the trigger twice to deploy two probes to create the possibility of neuro-muscular incapacitation.

304.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Officers should take appropriate actions to control and restrain the individual as soon as reasonably practicable to minimize the need for longer or multiple exposures to the CED. As soon as practicable, officers shall notify a supervisor any time the CED has been discharged. If needed for evidentiary purposes, the expended cartridge, along with any probes and wire, shall

San Bernardino Community College District Police Department

Policy Manual

Conducted Energy Device

be submitted into evidence (including confetti tags, when equipped on the device). The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

304.5.6 DANGEROUS ANIMALS

The CED may be deployed against an animal if the animal reasonably appears to pose an imminent threat to human safety.

304.5.7 OFF-DUTY CONSIDERATIONS

Officers are not authorized to carry Department CEDs while off-duty.

Officers shall ensure that CEDs are secured while in their homes, vehicles, or any other area under their control, in a manner that will keep the device inaccessible to others.

304.6 DOCUMENTATION

Officers shall document all CED discharges in the related arrest/crime reports and the CED report forms. Photographs shall be taken of any probe impact sites and attached to the CED report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, audible warning, laser activation, and "function test" of the device, other than for testing purposes, will also be documented on the report form. Data downloads from the CED after use on a subject should be done as soon as practicable using a Department-approved process to preserve the data.

304.6.1 CED REPORT FORM

As applicable based on the device type, items that shall be included in the CED report form are:

- (a) The brand, model, and serial number of the CED and any cartridge/magazine.
- (b) Date, time, and location of the incident.
- (c) Whether any warning, display, laser, or arc deterred a subject and gained compliance.
- (d) The number of probes deployed, CED activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (e) The range at which the CED was used.
- (f) The type of mode used (e.g., probe deployment, drive-stun).
- (g) Location of any probe impact.
- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.
- (j) Whether medical care was provided to the subject.
- (k) Whether the subject sustained any injuries.
- (l) Whether any officers sustained any injuries.

The Training Sergeant should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Sergeant should also conduct audits of CED

San Bernardino Community College District Police Department

Policy Manual

Conducted Energy Device

device data downloaded to an approved location and reconcile CED report forms with recorded activations. CED information and statistics, with identifying information removed, should periodically be made available to the public.

304.6.2 REPORTS

The officer should include the following in the arrest/crime report:

- (a) Identification of all personnel firing CEDs
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication, or other medical problems

304.7 MEDICAL TREATMENT

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel should remove CED probes from a person's body. Used CED probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by CED probes or who have been subjected to the electric discharge of the device may need to be medically assessed prior to booking, or those persons who sustained direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The CED probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio/video recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CED (see the Medical Aid and Response Policy).

San Bernardino Community College District Police Department

Policy Manual

Conducted Energy Device

304.8 SUPERVISOR RESPONSIBILITIES

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the CED may be used. A supervisor should respond to all incidents where the CED was activated.

A supervisor should review each incident where a person has been exposed to a CED. The device's internal logs should be downloaded by a supervisor and saved with the related arrest/ crime report. The supervisor should arrange for photographs of probe sites to be taken and witnesses to be interviewed.

304.9 TRAINING

Personnel who are authorized to carry the CED shall be permitted to do so only after successfully completing the initial Department-approved training. Any personnel who have not carried the CED as a part of their assignments for a period of six months or more shall be recertified by a qualified CED instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued CEDs should occur every year. A reassessment of an officer's knowledge and/or practical skills may be required at any time, if deemed appropriate by the Training Sergeant. All training and proficiency for CEDs will be documented in the officer's training files.

Command staff and supervisors should receive CED training as appropriate for the investigations they conduct and review.

Officers who do not carry CEDs should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Sergeant is responsible for ensuring that all members who carry CEDs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of CEDs during training could result in injuries and should not be mandatory for certification.

The Training Sergeant should include the following training:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws until proficient to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes to the head, neck, area of the heart, and groin.
- (e) Scenario-based training, including virtual reality training when available.
- (f) Handcuffing a subject during the application of the CED and transitioning to other force options.
- (g) De-escalation techniques.

San Bernardino Community College District Police Department

- (h) Restraint techniques that do not impair respiration following the application of the CED.
- (i) Proper use of cover and concealment during deployment of the CED for purposes of officer safety.
- (j) Proper tactics and techniques related to multiple applications of CEDs.

Firearms

307.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized to carry firearms.

307.2 POLICY

307.3 AUTHORIZED FIREARMS, AMMUNITION AND OTHER WEAPONS

Members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Department Armorer. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized Department range.

All other weapons not provided by the Department, including but not limited to edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by Department policy, may not be carried by members in the performance of their official duties without the express written authorization of the member's Chief. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

307.3.1 HANDGUNS

The authorized Department-issued handgun is the Glock Model 21 .45 Caliber or Glock Model 17 9MM.

307.3.2 SHOTGUNS

The authorized Department-issued shotgun is the Remington 870 12 Gauge.

When not deployed, the shotgun shall be properly secured consistent with Department training in a locking weapons rack in the patrol vehicle or in the department armory.

307.3.3 LESS LETHAL / BEAN BAG SHOTGUNS

The authorized Department-issued Less Lethal/Bean Bag shotgun is the Remington 870 12 Gauge with the orange-colored stock and forestock/forend.

Policy Manual

Firearms

307.3.4 PATROL RIFLES

A patrol rifle is an authorized weapon which is owned by the Department and which is made available to properly trained and qualified members as a supplemental resource to their duty handgun or shotgun. No personally owned rifles may be carried for patrol duty unless pre-approved in writing by the Chief of Police and the Department armorer.

The authorized Department-issued patrol rifle is the Colt AR-15 .223/5.56 NATO.

Members may deploy the patrol rifle in any circumstance where the member can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include, but are not limited to:

- (a) Situations where the member reasonably anticipates an armed encounter.
- (b) When a member is faced with a situation that may require accurate and effective fire at long range.
- (c) Situations where a member reasonably expects the need to meet or exceed a suspect's firepower.
- (d) When a member reasonably believes that there may be a need to fire on a barricaded person or a person with a hostage.
- (e) When a member reasonably believes that a suspect may be wearing body armor.
- (f) When authorized or requested by a supervisor.
- (g) When needed to euthanize an animal.

When not deployed, the patrol rifle shall be properly secured consistent with Department training in a locking weapons rack in the patrol vehicle or in the department armory.

307.3.5 PATROL RIFLE MAINTANANCE

- (a) Primary responsibility for the maintenance of patrol rifles shall fall on the Armorer, who shall inspect and service each patrol rifle on a monthly basis.
- (b) Each member carrying a patrol rifle may be required to field strip and clean an assigned patrol rifle as needed.
- (c) Each member shall be responsible for promptly reporting any damage or malfunction of an assigned patrol rifle.
- (d) Any patrol rifle found to be unserviceable shall be removed from service. The rifle shall be clearly labeled as "out of service" and details regarding the weapon's condition shall be included on the label.
- (e) Each patrol rifle shall be subject to inspection by a supervisor or the Armorer at any time.
- (f) No modification shall be made to any patrol rifle without prior written authorization from the Armorer.

San Bernardino Community College District Police Department

Policy Manual

Firearms

307.3.6 PATROL RIFLE TRAINING

Members shall not carry or utilize the patrol rifle unless they have successfully completed the required POST training. This training shall consist of an initial 16-hour patrol rifle user's course and qualifications score with a certified patrol rifle instructor. Members shall thereafter be required to successfully complete triannual training and semi-annual qualification conducted by a certified patrol rifle instructor.

Any member who fails to qualify or who fails to successfully complete two or more department-sanctioned training/qualification sessions within a calendar year will no longer be authorized to carry the patrol rifle without successfully retaking the initial patrol officer user's course and qualifications.

307.3.7 PERSONALLY OWNED DUTY FIREARMS

Members desiring to carry an authorized but personally owned duty firearm must receive written approval from the Chief of Police or the authorized designee. Once approved, personally owned duty firearms are subject to the following restrictions:

- (c) The purchase of the handgun and ammunition shall be the responsibility of the member unless the handgun and ammunition are provided by the Department.
- (d) The handgun shall be carried concealed at all times and in such a manner as to prevent unintentional cocking, discharge or loss of physical control.
- (e) The handgun shall be inspected by the Department Armorer prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
- (f) Ammunition shall be the same as the Department issue. If the caliber of the handgun is other than a Department issue, the Chief of Police or the authorized designee shall approve the ammunition.

Members who choose to carry a firearm while off-duty, based on their authority as peace officers, will be required to meet the following guidelines:

- (a) The member may use his/her duty firearm or may use a personally owned firearm that is carried and inspected in accordance with the Personally Owned Duty Firearms requirements in this policy. - (d) Prior to carrying any off-duty firearm, the member shall demonstrate to the Department Armorer that he/she is proficient in handling and firing the firearm and that it will be carried in a safe manner.
- (e) The member will successfully qualify with the firearm prior to it being carried.
- (f) Members shall provide written notice of the make, model, color, serial number and caliber of the firearm to the Department Armorer, who will maintain a list of the information.
- (g) If a member desires to use more than one firearm while off-duty, he/she may do so, as long as all requirements set forth in this policy for each firearm are met.
- (h) Members shall only carry Department-authorized ammunition.
- (i) When armed, officers shall carry their badges and San Bernardino Community College District Police Department identification cards under circumstances requiring possession of such identification.

307.3.10 AMMUNITION

firearms qualification. Replacements for unserviceable or depleted ammunition issued by the Department shall be dispensed by the Department Armorer when needed, in accordance with established policy.

Members carrying personally owned authorized firearms of a caliber differing from Department-issued firearms shall be responsible for obtaining fresh duty ammunition in accordance with the above, at their own expense.

307.4 EQUIPMENT

Firearms carried on- or off-duty shall be maintained in a clean, serviceable condition. Maintenance and repair of authorized personally owned firearms are the responsibility of the individual member.

307.4.1 REPAIRS OR MODIFICATIONS

Each member shall be responsible for promptly reporting any damage or malfunction of an assigned firearm to a supervisor or the Department Armorer.

Firearms that are the property of the Department or personally owned firearms that are approved for Department use may be repaired or modified only by a person who is Department-approved and certified as an armorer or gunsmith in the repair of the specific firearm. 307.5.2 STORAGE AT HOME

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit Department-issued firearms to be handled by anyone not authorized by the Department to do so. 307.5.3 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

307.5.4 STORAGE IN VEHICLES

When leaving a handgun in an unattended vehicle, members shall ensure that it is locked in the trunk, or in a locked container that is placed out of view, or in a locked container that is permanently affixed to the vehicle's interior and not in plain view, or in a locked toolbox or utility box permanently affixed to the vehicle (Penal Code § 25140; Penal Code § 25452).

If the vehicle does not have a trunk or a locked container, then the firearm should be locked within the center utility console that can be locked with a padlock, keylock, combination lock, or other similar locking device (Penal Code § 25140).

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

307.7 FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, Department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, conducted energy device, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed, becomes impractical, or if the animal reasonably appears to pose an imminent threat to human safety.

307.7.2 INJURED ANIMALS

With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

Stray or abandoned injured animals that may be moved or taken to an available veterinarian should not be euthanized. With supervisor approval, abandoned injured animals (with the exception

307.7.3 WARNING AND OTHER SHOTS

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective and reasonably safe.

- (b) Officers must carry their San Bernardino Community College District Police Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature and the signature of the Chief of Police or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver license, passport).
- (c) The San Bernardino Community College District Police Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the San Bernardino Community College District Police Department an NLETS message containing a unique alphanumeric identifier. - (d) An official letter signed by the Chief of Police authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail his/her itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the Department-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.

307.9 CARRYING FIREARMS OUT OF STATE

Qualified, active, full-time officers of this Department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

Hate Crimes

319.1 PURPOSE AND SCOPE

This policy is designed to assist in identifying and handling crimes motivated by hate or other bias toward individuals and groups with legally defined protected characteristics, to define appropriate steps for assisting victims, and to provide a guide to conducting related investigations. It outlines the general policy framework for prevention, response, accessing assistance, victim assistance and follow-up, and reporting as related to law enforcement's role in handling hate crimes. It also serves as a declaration that hate crimes are taken seriously and demonstrates how the San Bernardino Community College District Police Department may best use its resources to investigate and solve an offense, in addition to building community trust and increasing police legitimacy (Penal Code § 13519.6; Penal Code § 422.87).

319.1.1 DEFINITION AND LAWS

In accordance with Penal Code § 422.55; Penal Code § 422.56; Penal Code § 422.6; and Penal Code § 422.87, for purposes of all other state law, unless an explicit provision of law or the context clearly requires a different meaning, the following shall apply:

Bias motivation - Bias motivation is a pre-existing negative attitude toward actual or perceived characteristics referenced in Penal Code § 422.55. Depending on the circumstances of each case, bias motivation may include but is not limited to hatred, animosity, discriminatory selection of victims, resentment, revulsion, contempt, unreasonable fear, paranoia, callousness, thrill-seeking, desire for social dominance, desire for social bonding with those of one's "own kind," or a perception of the vulnerability of the victim due to the victim being perceived as being weak, worthless, or fair game because of a protected characteristic, including but not limited to disability or gender.

Disability - Disability includes mental disability and physical disability as defined in Government Code § 12926, regardless of whether those disabilities are temporary, permanent, congenital, or acquired by heredity, accident, injury, advanced age, or illness.

Disability bias - In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator was motivated by hostility or other bias, occasioned by factors such as but not limited to dislike of persons who arouse fear or guilt, a perception that persons with disabilities are inferior and therefore "deserving victims," a fear of persons whose visible traits are perceived as being disturbing to others, or resentment of those who need, demand, or receive alternative educational, physical, or social accommodations.

In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator perceived the victim to be vulnerable and, if so, if this perception is grounded, in whole or in part, in anti-disability bias. This includes but is not limited to situations where a perpetrator targets a person with a particular perceived disability while avoiding other vulnerable-appearing persons, such as inebriated persons or persons with perceived disabilities different from those of the victim. Such circumstances could be evidence that the perpetrator's

Policy Manual

Hate Crimes

motivations included bias against persons with the perceived disability of the victim and that the crime must be reported as a suspected hate crime and not a mere crime of opportunity.

Gender - Gender means sex and includes a person's gender identity and gender expression.

Gender expression - Gender expression means a person's gender-related appearance and behavior, regardless of whether it is stereotypically associated with the person's assigned sex at birth.

Gender identity - Gender identity means each person's internal understanding of their gender, or the perception of a person's gender identity, which may include male, female, a combination of male and female, neither male nor female, a gender different from the person's sex assigned at birth, or transgender (2 CCR § 11030).

Hate crime - "Hate crime" includes but is not limited to a violation of Penal Code § 422.6, and means a criminal act committed, in whole or in part, because of one or more of the following actual or perceived characteristics of the victim:

- (a) Disability
- (b) Gender
- (c) Nationality
- (d) Race or ethnicity
- (e) Religion
- (f) Sexual orientation
- (g) Association with a person or group with one or more of these actual or perceived characteristics:
 - 1. "Association with a person or group with one or more of these actual or perceived characteristics" includes advocacy for, identification with, or being on the premises owned or rented by, or adjacent to, any of the following: a community center, educational facility, family, individual, office, meeting hall, place of worship, private institution, public agency, library, or other entity, group, or person that has, or is identified with people who have, one or more of the characteristics listed in the definition of "hate crime" under paragraphs 1 to 6, inclusive, of Penal Code § 422.55(a).

Note: A "hate crime" need not be motivated by hate but may be motivated by any bias against a protected characteristic.

Hate incident - A hate incident is an action or behavior motivated by hate or bias but legally protected by the First Amendment right to freedom of expression. Examples of hate incidents include:

- Name-calling
- Insults and epithets
- Distributing hate material in public places

Policy Manual

Hate Crimes

- Displaying hate material on your own property

Hate speech - The First Amendment to the U.S. Constitution protects most speech, even when it is disagreeable, offensive, or hurtful. The following types of speech are generally not protected:

- Fighting words
- True threats
- Perjury
- Blackmail
- Incitement to lawless action
- Conspiracy
- Solicitation to commit any crime

In whole or in part - "In whole or in part because of" means that the bias motivation must be a cause in fact of the offense whether or not other causes also exist. When multiple concurrent motives exist, the prohibited bias must be a substantial factor in bringing about the particular result. There is no requirement that the bias be a main factor, or that a crime would not have been committed but for the actual or perceived characteristic.

Nationality - Nationality means country of origin, immigration status, including citizenship, and national origin.

Race or ethnicity - Race or ethnicity includes ancestry, color, and ethnic background.

Religion - Religion includes all aspects of religious belief, observance, and practice and includes agnosticism and atheism.

Religious bias - In recognizing suspected religion-bias hate crimes, officers should consider whether there were targeted attacks on, or biased references to, symbols of importance to a particular religion or articles considered of spiritual significance in a particular religion (e.g., crosses, hijabs, Stars of David, turbans, head coverings, statues of the Buddha).

Sexual orientation - Sexual orientation means heterosexuality, homosexuality, or bisexuality.

Victim - Victim includes but is not limited to:

- Community center
- Educational facility
- Entity
- Family
- Group
- Individual
- Office

319.2 POLICY

It is the policy of this Department to safeguard the rights of all individuals irrespective of their disability, gender, nationality, race or ethnicity, religion, sexual orientation, and/or association with a person or group with one or more of these actual or perceived characteristics. Any acts or threats of violence, property damage, harassment, intimidation, or other crimes motivated by hate or bias should be viewed very seriously and given high priority.

This Department will employ reasonably available resources and vigorous law enforcement action to identify and arrest hate crime perpetrators. Also, recognizing the particular fears and distress typically suffered by victims, the potential for reprisal and escalation of violence, and the far-reaching negative consequences of these crimes on the community, this Department should take all reasonable steps to attend to the security and related concerns of the immediate victims and their families as feasible.

All officers are required to be familiar with the policy and use reasonable diligence to carry out the policy unless directed by the Chief of Police or other command-level officer to whom the Chief of Police formally delegates this responsibility.

Department personnel are also encouraged to learn about the inherent issues concerning their communities in relation to hate crimes.

Although hate incidents are not criminal events, they can be indicators of, or precursors to, hate crimes. Hate incidents should be investigated and documented as part of an overall strategy to prevent hate crimes.

319.3.1 HATE CRIMES COORDINATOR

A Department member appointed by the Chief of Police or the authorized designee will serve as the Hate Crimes Coordinator. The responsibilities of the Hate Crimes Coordinator should include but not be limited to (Penal Code § 422.87):

The benefit of public disclosure of hate crime incidents includes:

Report Preparation

323.1 PURPOSE AND SCOPE

Report preparation is a major part of each officer's job. The purpose of reports is to document sufficient information to refresh the officer's memory and to provide sufficient information for follow-up investigation and successful prosecution. Report writing is the subject of substantial formalized training and on-the-job training.

323.1.1 REPORT PREPARATION

Employees should ensure that reports are sufficiently detailed for their purpose and free from errors prior to submission. It is the responsibility of the assigned employee to complete and submit all reports taken during the shift before going off-duty unless permission to hold the report has been approved by a supervisor. Generally, reports requiring prompt follow-up action on active leads, or arrest reports where the suspect remains in custody should not be held.

Handwritten reports must be prepared legibly. If the report is not legible, the submitting employee will be required by the reviewing supervisor to promptly make corrections and resubmit the report. Employees who dictate reports shall use appropriate grammar, as content is not the responsibility of the typist. Employees who generate reports on computers are subject to all requirements of this policy.

All reports shall accurately reflect the identity of the persons involved, all pertinent information seen, heard or assimilated by any other sense, and any actions taken. Employees shall not suppress, conceal or distort the facts of any reported incident, nor shall any employee make a false report orally or in writing. Generally, the reporting employee's opinions should not be included in reports unless specifically identified as such.

323.2 REQUIRED REPORTING

Written reports are required in all of the following situations on the appropriate Department approved form unless otherwise approved by a supervisor.

323.2.1 CRIMINAL ACTIVITY

When a member responds to a call for service, or as a result of self-initiated activity becomes aware of any activity where a crime has occurred, the member shall document the incident regardless of whether a victim desires prosecution. Activity to be documented in a written report includes:

- (a) All arrests
- (b) All felony crimes
- (c) Non-Felony incidents involving threats or stalking behavior
- (d) Situations covered by separate policy. These include:
 - 1. Use of Force Policy

The handling officer should notify and apprise a supervisor of the circumstances surrounding the incident to determine how to proceed. These cases will generally be handled through a Memorandum of Understanding (M.O.U.) with outside agencies:

- (a) Sudden or accidental deaths.
- (b) Suicides.
- (c) Homicide or suspected homicide.

Reports shall be processed according to established priorities or according to special priority necessary under exceptional circumstances.

323.3.1 GENERAL POLICY OF HANDWRITTEN REPORTS

Some incidents and report forms lend themselves to block print rather than typing. In general, the narrative portion of those reports where an arrest is made or when there is a long narrative should be typed.

Supervisors may require, with the foregoing general policy in mind, block printing or typing of reports of any nature for Department consistency.

323.3.2 GENERAL USE OF OTHER HANDWRITTEN FORMS

County, state and federal agency forms may be block printed as appropriate. In general, the form itself may make the requirement for typing apparent.

Reports that have been approved by a supervisor and submitted to the Police Compliance Manager for filing and distribution shall not be modified or altered except by way of a supplemental report. Reviewed reports that have not yet been submitted to the Police Compliance Manager may be corrected or modified by the authoring officer only with the knowledge and authorization of the reviewing supervisor.

323.6 ELECTRONIC SIGNATURES

The San Bernardino Community College District has established an electronic signature procedure for use by all employees of the San Bernardino Community College District Police Department. - Employees may only use their electronic signature for official reports or other official communications.
- Each employee shall be responsible for the security and use of his/her electronic signature and shall promptly notify a supervisor if the electronic signature has or may have been compromised or misused.

Media representatives may not bring or facilitate the transport of an unauthorized person into a closed area unless it is for the safety of the person.

 - 1. Based upon available resources, reasonable effort should be made to provide a safe staging area for the media that is near the incident and that will not interfere with emergency or criminal investigation operations. All requests for a TFR should be routed through the Watch Commander. The TFR request should include specific information regarding the perimeter and altitude necessary for the incident and should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration (FAA) should be contacted (14 CFR 91.137).

324.4 POLICY

It is the policy of the San Bernardino Community College District Police Department to protect the privacy rights of individuals, while releasing non-confidential information to the media regarding topics of public concern. Information that has the potential to negatively affect investigations will not be released.

324.5 PROVIDING ADVANCE INFORMATION

To protect the safety and rights of Department members and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the media, nor should media representatives be invited to be present at such actions except with the prior approval of the Chief of Police.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception, the Chief of Police will consider, at a minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person, or is otherwise prohibited by law.

324.6 MEDIA REQUESTS

Any media request for information or access to a law enforcement incident shall be referred to the Chief of Police, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, members shall consider the following:

- (a) At no time shall any member of this Department make any comment or release any official information to the media without prior approval from the District's Associate Vice Chancellor of Government Relations, Strategic Communications & Grants.
- (b) In situations involving multiple agencies or government departments, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this Department.
- (c) Under no circumstance should any member of this Department make any comments to the media regarding any law enforcement incident not involving this Department

Policy Manual

Media Relations

without prior approval of the Chief of Police or District's Associate Vice Chancellor of Government Relations, Strategic Communications & Grants. Under these circumstances the member should direct the media to the agency handling the incident.

324.7 CONFIDENTIAL OR RESTRICTED INFORMATION

It shall be the responsibility of the Chief of Police to ensure that confidential or restricted information is not inappropriately released to the media (see the Records Maintenance and Release and Personnel Records policies). When in doubt, authorized and available legal counsel should be consulted prior to releasing any information.

324.7.1 EMPLOYEE INFORMATION

The identities of officers involved in shootings or other critical incidents may only be released to the media upon the consent of the involved officer or upon a formal request filed.

Any requests for copies of related reports or additional information not contained in the information log (see the Information Log section in this policy), including the identity of officers involved in shootings or other critical incidents, shall be referred to the Chief of Police.

Requests should be reviewed and fulfilled by the Police Compliance Manager, or if unavailable, the Watch Commander or the authorized designee. Such requests will be processed in accordance with the provisions of the Records Maintenance and Release Policy and public records laws.

324.8 RELEASE OF INFORMATION

The Department may routinely release information to the media without receiving a specific request. This may include media releases regarding critical incidents, information of public concern, updates regarding significant incidents, or requests for public assistance in solving crimes or identifying suspects. This information may also be released through the Department website or other electronic data sources.

324.8.1 INFORMATION LOG

The Department will maintain a daily information log of significant law enforcement activities. Log entries shall only contain information that is deemed public information and not restricted or confidential by this policy or applicable law. Upon request, the log entries shall be made available to media representatives through the Watch Commander.

The daily information log will generally include:

- (a) The date, time, location, case number, type of crime, extent of injury or loss, and names of individuals involved in crimes occurring within this jurisdiction, unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation, or the information is confidential (e.g., juveniles or certain victims).

Policy Manual

the safety of any individual or jeopardize the successful completion of any ongoing investigation or the information is confidential (e.g., juveniles).

- (c) The time and location of other significant law enforcement activities or requests for service with a brief summary of the incident.

At no time shall identifying information pertaining to a juvenile arrestee (13 years of age and under), victim, or witness be publicly released without prior approval of a competent court. The identity of a minor 14 years of age or older shall not be publicly disclosed unless the minor has been arrested for a serious felony and the release of such information has been approved by the Watch Commander (Welfare and Institutions Code § 827.5).

Identifying information concerning deceased individuals shall not be released to the media until notification of next of kin or otherwise cleared through the Coroner.

Any requests for copies of related reports or additional information not contained in this log shall be referred to the Chief of Police or authorized designee. Such requests will generally be processed in accordance with the provisions of the Public Records Act (see the Records Maintenance and Release Policy).

Death Investigation

330.1 PURPOSE AND SCOPE

330.2 INVESTIGATION CONSIDERATIONS

Emergency medical services shall be called in all suspected death cases unless the death is obvious (e.g., decapitated, decomposed).

A supervisor shall be notified as soon as possible to assist and provide appropriate personnel and resources. The on-scene supervisor should determine whether follow-up investigation is required and notify the Chief of Police as necessary. The Chief of Police or authorized designee will make notification to the District's Leadership Team in accordance with the Major Incident Notification Policy.

The only exception is that an officer is permitted to search the body of a person killed in a traffic collision for the limited purpose of locating an anatomical donor card. If such a donor card is located, the Coroner or a designee shall be promptly notified (Government Code § 27491.3).
- (b) The Coroner, with the permission of the Department, may take property, objects, or articles found on the deceased or in the immediate vicinity of the deceased that may be necessary for conducting an investigation to determine the identity of the deceased or the cause or manner of death (Government Code § 27491.3).

330.2.6 DEATHS OF VICTIMS WITH AN IDENTIFIABLE HISTORY OF VICTIMIZED DOMESTIC VIOLENCE

Prior to making any findings as to the manner and cause of death of a deceased individual with an identifiable history of being victimized by domestic violence, investigating officers should consider factors identified in Penal Code § 679.07 (e.g., premature or untimely death, partner wanting to end relationship, scene gives appearance of death due to suicide or accident) and proceed with the investigation according to the code's requirements.

330.3 POLICY

It is the policy of the San Bernardino Community College District Police Department to respond to, document, and investigate incidents where a person is deceased. Rapid Response and Deployment

413.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces, and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding officers in situations that call for rapid response and deployment.

413.2 POLICY

The San Bernardino Community College District Police Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

413.3 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action officers should consider:

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the officers have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.

San Bernardino Community College District Police Department

Policy Manual

Rapid Response and Deployment

- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

413.3.1 RESPONSE TO COLLEGE THREATS

Upon receiving a threat or perceived threat from a college official, officers shall immediately investigate and conduct a threat assessment. The investigation shall include a review of the firearm registry of the California Department of Justice. A reasonable search of the school at issue shall be conducted when the search is justified by reasonable suspicion that it would produce evidence related to the threat or perceived threat (Education Code § 49394).

For purposes of this subsection a "threat" or "perceived threat" means any writing or action of a pupil that creates a reasonable suspicion that the pupil is preparing to commit a homicidal act related to college or a college activity. This may include possession, use, or depictions of firearms, ammunition, shootings, or targets in association with infliction of physical harm, destruction, or death in a social media post, journal, class note, or other media associated with the pupil. It may also include a warning by a parent, pupil, or other individual (Education Code § 49390).

413.4 CONSIDERATIONS

When dealing with a crisis situation members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

413.5 PLANNING

The Chief of Police or the authorized designee should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites, such as colleges, entertainment and sporting event venues.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.

Rapid Response and Deployment

- (e) Evacuation routes in critical incident target sites.
- (f) Patrol first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.
- (i) Mutual aid agreements with other agencies.
- (j) Coordination with private security providers in critical incident target sites.

413.6 TRAINING

The Training Sergeant should include rapid response to critical incidents in the training plan. This training should address:

- (a) Orientation to likely critical incident target sites, such as colleges, entertainment and sporting event venues.
- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
 - (a) This should include the POST terrorism incident training required for officers assigned to field duties (Penal Code § 13519.12).
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

Criminal Organizations

420.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the San Bernardino Community College District Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

420.1.1 DEFINITIONS

Definitions related to this policy include:

Criminal intelligence system - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

420.2 POLICY

The San Bernardino Community College District Police Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this Department to collect and share relevant information while respecting the privacy and legal rights of the public.

420.3 CRIMINAL INTELLIGENCE SYSTEMS

No Department member may create, submit to or obtain information from a criminal intelligence system unless the Chief of Police has approved the system for Department use.

Any criminal intelligence system approved for Department use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for Department use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

420.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, field interview (FI), photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this Department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by Administrative Support.

San Bernardino Community College District Police Department

Policy Manual

Criminal Organizations

Any supporting documentation for an entry shall be retained by the Administrative Support in accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Administrative Support are appropriately marked as intelligence information. The Administrative Support member may not purge such documents without the approval of the designated supervisor.

420.3.2 GANG DATABASES

The Chief of Police may approve participation by the gang unit in a shared criminal gang intelligence database, such as CALGANG®. Members must obtain the requisite training before accessing any such database (11 CCR 751.6).

It is the supervisor's responsibility to determine whether any report or FI contains information that would qualify for entry into the database. Prior to designating any person as a suspected gang member, associate, or affiliate in a shared gang database; or submitting a document to the Attorney General's office for the purpose of designating a person in a shared gang database; or otherwise identifying the person in a shared gang database, the supervisor shall provide written notice to the person and, if the person is under the age of 18, to his/her parent or guardian of the designation and the basis for the designation, unless providing that notification would compromise an active criminal investigation or compromise the health or safety of a minor. Notice shall also describe the process to contest the designation (Penal Code § 186.34).

The person, an attorney working on his/her behalf, or his/her parent or guardian (if the person is under 18 years of age) may request, in writing, information as to whether the person is designated as a suspected gang member, associate, or affiliate in a shared gang database accessible by the Department, the basis for that designation, and the name of the agency that made the designation. The Department shall respond to a valid request in writing within 30 days, and shall provide the information requested unless doing so would compromise an active investigation or compromise the health and safety of the person if he/she is under 18 years of age (Penal Code § 186.34).

The person, or his/her parent or guardian if the person is under 18 years of age, may contest the designation by submitting written documentation, which shall be reviewed by the supervisor. If it is determined that the person is not a suspected gang member, associate, or affiliate, the person shall be removed from the database. The person and the parent or guardian shall be provided written verification of the Department's decision within 30 days of receipt of the written documentation contesting the designation and shall include the reason for a denial when applicable (Penal Code § 186.34).

The supervisor should forward reports or FIs to the Administrative Support after appropriate database entries are made. The supervisor should clearly mark the report/FI as gang intelligence information.

It is the responsibility of the Police Compliance Manager to retain reports and FIs in compliance with the database rules and any applicable end user agreement.

San Bernardino Community College District Police Department

Policy Manual

Criminal Organizations

Records contained in a shared gang database shall not be disclosed for employment or military screening purposes, and shall not be disclosed for the purpose of enforcing federal immigration law unless required by state or federal statute or regulation (Penal Code § 186.36).

420.4 TEMPORARY INFORMATION FILE

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the Department-approved criminal intelligence system only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of criminal intelligence system entries.

420.4.1 FILE CONTENTS

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible Department supervisor.
- (b) Should not be originals that would ordinarily be retained by the Administrative Support, but should be copies of, or references to, retained documents such as copies of reports, FI forms, Dispatch records or booking forms.
- (c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.
- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

420.4.2 FILE REVIEW AND PURGING

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

420.5 INFORMATION RECOGNITION

Department members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.
- (b) Information related to a drug-trafficking operation.

San Bernardino Community College District Police Department

Policy Manual

Criminal Organizations

- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Department supervisors who utilize an authorized criminal intelligence system should work with the Training Sergeant to train members to identify information that may be particularly relevant for inclusion.

420.6 RELEASE OF INFORMATION

Department members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to Department members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

420.7 TRAINING

The Training Sergeant should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

- (a) The protection of civil liberties.
- (b) Participation in a multiagency criminal intelligence system.
- (c) Submission of information into a multiagency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

420.7.1 SHARED GANG DATABASE TRAINING

The Training Sergeant should ensure that members who are authorized users of a shared gang database receive the required training from the California Department of Justice (DOJ) or an instructor certified by the DOJ that includes comprehensive and standardized training on the use of shared gang databases, and any other associated training required by the Department (Penal Code § 186.36; 11 CCR 751.6).

Suspicious Activity Reporting

433.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

433.1.1 DEFINITIONS

Definitions related to this policy include:

Involved party - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

Suspicious activity - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

Suspicious Activity Report (SAR) - An incident report used to document suspicious activity.

433.2 POLICY

The San Bernardino Community College District Police Department recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

433.3 RESPONSIBILITIES

The Chief of Police or authorized designee(s) will manage SAR activities. Authorized designees should include supervisors who are responsible for Department participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Chief of Police and/or authorized designee(s) include, but are not limited to:

San Bernardino Community College District Police Department

Policy Manual

Suspicious Activity Reporting

- (a) Remaining familiar with those databases available to the Department that would facilitate the purpose of this policy.
- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with any appropriate agency or fusion center.
- (h) Ensuring that, as resources are available, the Department conducts outreach that is designed to encourage members of the community to report suspicious activity and that outlines what they should look for and how they should report it (e.g., website, public service announcements).

433.4 REPORTING AND INVESTIGATION

Any Department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any non-sworn member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR and include information about involved parties and the circumstances of the incident. If, during any investigation, an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a SAR and not included in the original incident report. The report number of the original incident should be included in the SAR as a cross reference. A SAR should be processed as any other incident report.

433.5 HANDLING INFORMATION

The Administrative Support will forward copies of SARs, in a timely manner, to the on-duty supervisor, Watch Commander, or other authorized designee(s).

Medical Aid and Response

434.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

434.2 POLICY

It is the policy of the San Bernardino Community College District Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

434.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact Dispatch and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide Dispatch with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 - 1. Signs and symptoms as observed by the member.
 - 2. Changes in apparent condition.
 - 3. Number of patients, sex, and age, if known.
 - 4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
 - 5. Whether the person is showing signs or symptoms of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

San Bernardino Community College District Police Department

Policy Manual

Medical Aid and Response

434.4 TRANSPORTING ILL AND INJURED PERSONS

Except in exceptional cases where alternatives are not reasonably available, members should not transport persons who are not in custody and who are unconscious, who have serious injuries, or who may be seriously ill. EMS personnel should be called to handle patient transportation.

For guidelines regarding transporting ill or injured persons who are in custody, see the Transporting Persons in Custody Policy.

Members should not provide emergency escort for medical transport or civilian vehicles.

434.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Mental Illness Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

434.6 MEDICAL ATTENTION RELATED TO USE OF FORCE

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

434.7 AIR AMBULANCE

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Chief of Police should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Department should identify:

San Bernardino Community College District Police Department

Policy Manual

Medical Aid and Response

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One Department member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

434.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100026.01; 22 CCR 100027.01; 22 CCR 100027.02).

434.8.1 AED USER RESPONSIBILITY

Members who are issued AEDs should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly shall be taken out of service and given to the Training Sergeant who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should contact Dispatch as soon as possible and request response by EMS.

San Bernardino Community College District Police Department

Policy Manual

Medical Aid and Response

434.8.2 AED REPORTING

Any member using an AED will complete an incident report detailing its use.

434.8.3 AED TRAINING AND MAINTENANCE

The Training Sergeant should ensure appropriate training and refresher training is provided to members authorized to use an AED. A list of authorized members and training records shall be made available for inspection by the local EMS agency (LEMSA) or EMS authority upon request (22 CCR 100027.05; 22 CCR 100027.06; 22 CCR 100028.07).

The Training Sergeant is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule (22 CCR 100027.05).

434.9 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION

Trained members may administer opioid overdose medication (Civil Code § 1714.22; Business and Professions Code § 4119.9).

434.9.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Sergeant.

Any member who administers an opioid overdose medication should contact Dispatch as soon as possible and request response by EMS.

434.9.2 OPIOID OVERDOSE MEDICATION REPORTING

Any member administering opioid overdose medication should detail its use in an appropriate report.

The Watch Commander will ensure that the Administrative Support member or Patrol Supervisor is provided enough information to meet applicable state reporting requirements.

434.9.3 OPIOID OVERDOSE MEDICATION TRAINING

The Training Sergeant should ensure initial and refresher training is provided to members authorized to administer opioid overdose medication. Training should be coordinated with the local health department and comply with the requirements in 22 CCR 100027.03 and any applicable POST standards (Civil Code § 1714.22).

434.9.4 DESTRUCTION OF OPIOID OVERDOSE MEDICATION

The Training Sergeant shall ensure the destruction of any expired opioid overdose medication (Business and Professions Code § 4119.9).

San Bernardino Community College District Police Department

Policy Manual

Medical Aid and Response

434.9.5 OPIOID OVERDOSE MEDICATION RECORD MANAGEMENT

Records regarding acquisition and disposition of opioid overdose medications shall be maintained and retained in accordance with the established records retention schedule and at a minimum of three years from the date the record was created (Business and Professions Code § 4119.9).

434.10 ADMINISTRATION OF EPINEPHRINE AUTO-INJECTORS

The Chief of Police may authorize the acquisition of epinephrine auto-injectors for use by Department members as provided by Health and Safety Code § 1797.197a. The Training Sergeant shall create and maintain an operations plan for the storage, maintenance, use and disposal of epinephrine auto-injectors as required by Health and Safety Code § 1797.197a(f).

Trained members who possess valid certification may administer an epinephrine auto-injector for suspected anaphylaxis (Health and Safety Code § 1797.197a(b); 22 CCR 100027.03).

434.10.1 EPINEPHRINE USER RESPONSIBILITIES

Members should handle, store and administer epinephrine auto-injectors consistent with their training. Members should check the auto-injectors at the beginning of their shift to ensure the medication is not expired. Any expired medication should be removed from service in accordance with their training.

Any member who administers an epinephrine auto-injector medication should contact Dispatch as soon as possible and request response by EMS (Health and Safety Code § 1797.197a(b)).

434.10.2 EPINEPHRINE AUTO-INJECTOR REPORTING

Any member who administers an epinephrine auto-injector should detail its use in an appropriate report.

The Watch Commander should ensure that the Administrative Support member or Patrol Supervisor is provided enough information for required reporting to the EMS Authority within 30 days after each use (Health and Safety Code § 1797.197a(f)).

Records regarding the acquisition and disposition of epinephrine auto-injectors shall be maintained pursuant to the established records retention schedule but no less than three years (Business and Professions Code § 4119.4(d)).

434.10.3 EPINEPHRINE AUTO-INJECTOR TRAINING

The Training Sergeant should ensure that members authorized to administer epinephrine auto-injectors are provided with initial and refresher training that meets the requirements of Health and Safety Code § 1797.197a(c) and 22 CCR 100027.03.

434.11 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, the arrestee should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

San Bernardino Community College District Police Department

Policy Manual

Medical Aid and Response

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Arrestees who appear to have a serious medical issue should be transported by ambulance to an appropriate medical facility.

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer's training.

434.11.1 HOSPITAL SECURITY AND CONTROL

Officers who transport persons in custody to medical facilities for treatment should provide security and control during examination and treatment consistent with Department protocols. Any such transport should be conducted in accordance with the Transporting Persons in Custody Policy.

The Chief of Police should develop protocols related to the following:

- (a) Providing security and control during an examination or treatment, including:
 - 1. Monitoring the person in custody (e.g., guarding against escape, suicide, and assault of others)
 - 2. Removal of restraints, if necessary and appropriate (see the Handcuffing and Restraints Policy)
- (b) Responsibility for continuing security and control if the person in custody is admitted to the hospital
 - 1. This should include transferring custody of the person to an appropriate agency.

434.12 FIRST-AID TRAINING

The Training Sergeant should ensure officers receive initial first-aid training within one year of employment and refresher training every two years thereafter (22 CCR 100026.03; 22 CCR 100027.06).

Chapter 5 - Traffic Operations

Traffic Collision Reporting

501.1 PURPOSE AND SCOPE

The San Bernardino Community College District Police Department prepares traffic collision reports in compliance with the California Highway Patrol Collision Investigation Manual (CIM) and as a public service makes traffic collision reports available to the community with some exceptions.

501.2 RESPONSIBILITY

The Watch Commander will be responsible for distribution of the Collision Investigation Manual. The Watch Commander will receive all changes in the CIM and ensure conformity with this policy.

501.3 TRAFFIC COLLISION REPORTING

All traffic collision reports taken by members of this department shall be forwarded to the Watch Commander for approval and data entry into the Records Management System. The Watch Commander will be responsible for monthly and quarterly reports on traffic collision statistics to be forwarded to the Chief of Police, or other persons as required.

501.4 REPORTING SITUATIONS

501.4.1 TRAFFIC COLLISIONS INVOLVING DISTRICT VEHICLES

Traffic collision investigation reports shall be taken when a District-owned vehicle is involved in a traffic collision upon a roadway or highway wherein any damage or injury results. A general information report may be taken in lieu of a traffic collision report (CHP 555 form) at the direction of a supervisor when the collision occurs on private property or does not involve another vehicle. Whenever there is damage to a District-owned vehicle, a Vehicle Damage Report shall be completed and forwarded to the Chief of Police.

Photographs of the collision scene and vehicle damage shall be taken.

501.4.2 TRAFFIC COLLISIONS WITH POLICE DEPARTMENT EMPLOYEES

When an employee of this department, either on-duty or off-duty, is involved in a traffic collision within the jurisdiction of the San Bernardino Community College District Police Department resulting in a serious injury or fatality, the Watch Commander or the on-call supervisor, may notify the California Highway Patrol or other outside agency for assistance.

The term serious injury is defined as any injury that may result in a fatality.

501.4.3 TRAFFIC COLLISIONS WITH OTHER DISTRICT EMPLOYEES OR OFFICIALS

Chapter 10 - Personnel

Anti-Retaliation

1004.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or memorandum of understanding.

1004.2 POLICY

The San Bernardino Community College District Police Department has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

1004.3 RETALIATION PROHIBITED

No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

1004.4 COMPLAINTS OF RETALIATION

Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, Chief of Police, or the District's Human Resources Department.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

1004.5 SUPERVISOR RESPONSIBILITIES

Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include, but are not limited to:

- (b) Receiving all complaints in a fair and impartial manner.

Inquiries about conduct or performance that, if true, would not violate Department policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Department.

1010.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be handled in one of the following manners:

Informal - A matter in which the Watch Commander is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

Formal - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to an outside investigator (e.g., District's Human Resources Department, third party attorney and/or investigator, etc.), depending on the nature, seriousness, and complexity of the investigation.

A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation must be further investigated regardless of the seriousness of the complaint and the availability of sufficient information so that the investigation may be completed.

Under certain circumstances, the investigation shall be conducted by an outsider investigator (see 1010.3.1 above).

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

1010.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation (Government Code § 3304).

In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall seek a voluntary waiver from the involved officer or shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d).

1010.6.6 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS

The member conducting the investigation should provide the complainant with periodic updates on the status of the investigation, as appropriate.

1010.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Lockers and storage spaces may only be administratively searched in the member's presence, with the member's consent, with a valid search warrant or where the member has been given reasonable notice that the search will take place (Government Code § 3309).

1010.7.1 DISCLOSURE OF FINANCIAL INFORMATION

An employee may be compelled to disclose personal financial information under the following circumstances (Government Code § 3308):

- (a) Pursuant to a state law or proper legal process.
- (b) Information exists that tends to indicate a conflict of interest with respect to the performance of official duties, or
- (c) If the employee is being considered for a specialized unit in which there is a strong possibility that bribes or other improper inducements may be offered.

1010.8 ADMINISTRATIVE LEAVE

The Vice Chancellor of Human Resources or designee may, upon written notice, place a member on Paid Administrative Leave when investigating allegation(s) of misconduct, wrongdoing, illegal act(s), or for the safety or for the protection of the public, district, or individual. The member shall remain on paid administrative leave while the investigation is being conducted, a decision is rendered, and subsequent action is taken. All of the aforementioned shall be conducted in a timely and expeditious manner. Paid Administrative Leave shall mean that the member shall not report to work but shall receive all pay and benefits and shall be accessible to the DISTRICT during all scheduled working hours. Any member placed on administrative leave:

- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.

Personnel Complaints

The San Bernardino Community College District Police Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

1010.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES

Upon completion of a formal investigation, an investigation report should be forwarded to the Chief of Police through the chain of command. Each level of command should review the report and include his/her comments in writing before forwarding the report. The Chief of Police shall provide a recommendation for disciplinary action.

1010.10.1 CHIEF OF POLICE RESPONSIBILITIES

Upon receipt of any written recommendation for disciplinary action, the Chief of Police shall review the recommendation and all accompanying materials. The Chief of Police may modify any recommendation and/or may return the file to the supervisor for further investigation or action.

Once the Chief of Police is satisfied that no further investigation or action is required by staff, the Chief of Police shall recommend the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the District's Human Resources Department shall provide the member with a predisciplinary procedural due process hearing (*Skelly*) by providing written notice of the charges, proposed action and reasons for the proposed action. The District's Human Resources Department shall also provide the member with:

- (a) Access to all of the materials considered by the Vice Chancellor of Human Resources or designee in recommending the proposed discipline.
- (b) An opportunity to respond orally or in writing to the Vice Chancellor of Human Resources or designee. A written response or a request to respond orally must be received by the District's Human Resources Department within five (5) days of receiving the notice.
 - (a) Upon a showing of good cause by the member, the Vice Chancellor of Human Resources or designee may grant a reasonable extension of time for the member to respond.

Once the member has completed his/her response or if the member has elected to waive any such response, the Vice Chancellor of Human Resources or designee shall consider all information received in regard to the recommended discipline. The Vice Chancellor of Human Resources or designee shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Vice Chancellor of Human Resources or designee has issued a written decision, the discipline shall become effective.

1010.10.2 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT

The Chief of Police or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint within thirty (30) days of the final disposition (Penal Code § 832.7(f)). This notice shall not include what discipline, if any, was imposed.

1010.11 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Vice Chancellor of Human Resources or designee after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Vice Chancellor of Human Resources or designee to consider.
- (d) In the event that the Vice Chancellor of Human Resources or designee elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Vice Chancellor of Human Resources or designee on the limited issues of information raised in any subsequent materials.

1010.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline (Penal Code § 13510.8).

1010.13 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement, Memorandum of Understanding and/or personnel rules.

In the event of punitive action against an employee covered by the POBR, the appeal process shall be in compliance with Government Code § 3304 and Government Code § 3304.5.

During any administrative appeal, evidence that an officer has been placed on a *Brady* list or is otherwise subject to *Brady* restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. Thereafter, such *Brady* evidence shall be limited to determining the appropriateness of the penalty (Government Code § 3305.5).

1010.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS

At-will and probationary employees and those members other than non-probationary employees may be released from employment for non-disciplinary reasons (e.g., failure to meet standards) without adherence to the procedures set forth in this policy or any right to appeal. However, any

probationary officer subjected to an investigation into allegations of misconduct shall be entitled to those procedural rights, as applicable, set forth in the POBR (Government Code § 3303; Government Code § 3304).

At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Vice Chancellor of Human Resources or designee for a non-evidentiary hearing for the sole purpose of attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Vice Chancellor of Human Resources or designee shall be final.

1010.15 RETENTION OF PERSONNEL INVESTIGATION FILES

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

1010.16 REQUIRED REPORTING TO POST

In order to project uniformity and neutrality toward the public and other members of the Department, employees shall maintain their personal hygiene and appearance to project a professional image appropriate for this Department and for their assignment.

1023.2 GROOMING STANDARDS

Unless otherwise stated and because deviations from these standards could present officer safety issues, the following appearance standards shall apply to all employees, except those whose current assignment would deem them not appropriate, and where the Chief of Police has granted exception.

1023.2.1 HAIR

Hairstyles of all members shall be neat in appearance. For male sworn members, hair must not extend below the top edge of the uniform collar while assuming a normal stance.

For female sworn members, hair must be no longer than the horizontal level of the bottom of the uniform patch when the employee is standing erect, worn up or in a tightly wrapped braid or ponytail.

1023.2.2 MUSTACHES

A short and neatly trimmed mustache may be worn. Mustaches shall not extend below the corners of the mouth or beyond the natural hairline of the upper lip.

1023.2.3 SIDEBURNS

Sideburns shall not extend below the bottom of the outer ear opening (the top of the earlobes) and shall be trimmed and neat.

1023.2.4 FACIAL HAIR

Sworn and non-sworn personnel are permitted to wear goatees and beards subject to the following guidelines:

- (a) The beard will follow the jawline and will be kept neatly trimmed and clean at all times and not more than one-half (1/2) inch in length at its longest point.
- (b) All beards must be of the natural color and no exotic patterns or styles are allowed. No portion of the beard or mustache may be longer than the rest. Any facial hair other than that defined as a goatee with mustache or beard, such as a goat patch, soul patch, chinstrap beard, goatee without a mustache, mutton chops, Balboa, chin curtain, Van Dyke beard, or chin puff, are strictly prohibited.
- (c) Beards must be trimmed both above and below and shall not be permitted below the Adam's apple or on the neck nor up onto the cheek under the eye.

San Bernardino Community College District Police Department

Policy Manual

Personal Appearance Standards

- (d) Employees are encouraged to begin growing out their beards during their off time so as not to present an unshaven look while on-duty. Individuals will not be permitted to maintain shabby appearances as a result of simple failure to shave.
- (e) An employee's immediate supervisor shall have the responsibility of enforcing these guidelines.

Any dispute will be submitted to the Chief of Police whose decision will be final and not subject to grievance. The Chief of Police maintains authority to require to be clean shaven for a department function as he/she deems necessary.

1023.2.5 FINGERNAILS

Fingernails extending beyond the tip of the finger can pose a safety hazard to officers or others. For this reason, fingernails shall be trimmed so that no point of the nail extends beyond the tip of the finger.

1023.2.6 JEWELRY

For the purpose of this policy, jewelry refers to rings, earrings, necklaces, bracelets, wristwatches, and tie tacks or tie bars. Jewelry shall present a professional image and may not create a safety concern for the Department member or others. Jewelry that depicts racial, sexual, discriminatory, gang-related, or obscene language is not allowed.

- (a) Necklaces shall not be visible above the shirt collar.
- (b) Earrings shall be small and worn only in or on the ear.
- (c) One ring or ring set may be worn on each hand of the Department member. No rings should be of the type that would cut or pose an unreasonable safety risk to the member or others during a physical altercation, if the member is assigned to a position where that may occur.
- (d) One small bracelet, including a bracelet identifying a medical condition, may be worn on one arm.
- (e) Wristwatches shall be conservative and present a professional image.
- (f) Tie tacks or tie bars worn with civilian attire shall be conservative and present a professional image.

1023.3 TATTOOS

It shall be the policy of the San Bernardino Community College District Police Department to allow visible tattoos and/or brandings by on-duty employees.

1023.3.1 DEFINITIONS

Definitions related to this policy include:

Tattoo - Marking of the skin with indelible designs, forms, figures, art, etc., by making punctures in the skin and inserting pigment.

Cosmetic Tattoos- A cosmetic technique that employs tattoos as a means of producing designs that resemble makeup, such as eyeliner, eyebrow darkening, and other permanent coloration of

Policy Manual

Personal Appearance Standards

the skin of the face, lips, and eyelids. Cosmetic tattoos shall not be considered tattoos for the purposes of this policy so long as they would not constitute a violation of any other Department policy if they had been applied using a temporary technique such as conventional makeup.

Medical Tattoos - A tattoo applied for medical purposes (i.e., as a warning that the patient suffers from a chronic disease or as a "marker" to aid medical personnel in performing a medical procedure).

1023.3.2 GENERAL

Employees may display tattoos and/or brandings in the workplace; however, they are prohibited from displaying tattoos and/or brandings on the face, neck, or hands (an exception is reserved for single-finger ring tattoos, which must not extend beyond where a ring would normally rest on the finger, between the lowest knuckle and the hand. Ring tattoos must be band-style around the finger and no greater than 1/4 inch in width). Scarification and intentional disfigurement are prohibited. Permanent cosmetic tattoos and medical tattoos are exempt from this policy.

Employees shall not display tattoos and/or brandings that are inappropriate. Inappropriate tattoos and/or brandings may include, but are not limited to, those that exhibit or advocate discrimination toward gender, race, religion, sexual orientation, ethnicity or national origin, gang affiliation, supremacist or extremist group affiliation, drug use, nudity, sexually explicit acts, or other obscene material. 5. Employees who display a tattoo and/or branding viewed as inappropriate by a Supervisor (Watch Commander) must conceal the tattoo and/or branding. The Supervisor (Watch Commander) shall direct the employee to cover up the tattoo and/or branding in question. The employee may appeal the decision by submitting a memo, along with the photo of the tattoo in question to the Chief of Police or designee. The final authority, if a tattoo and/or branding is inappropriate, rests with the Chief of Police or designee. The tattoo and/or branding in question shall remain covered up during the appeal process.

Tattoos and/or brandings viewed as inappropriate shall be concealed by wearing a long sleeve uniform shirt or black or skin-colored sleeve. Employees shall have discretion as to how tattoos and/or brandings are covered provided no other policy is violated in doing so.

Exemptions or modifications to this policy must be approved by the Chief of Police.

1023.4 BODY PIERCING OR ALTERATION

Body piercing or alteration to any area of the body visible in any authorized uniform or attire that is a deviation from normal anatomical features and which is not medically required is prohibited. Such body alteration includes, but is not limited to:

1023.5 EXEMPTIONS

Members who seek cultural (e.g., culturally protected hairstyles) or other exemptions to this policy that are protected by law should generally be accommodated (Government Code § 12926). A member with an exemption may be ineligible for an assignment if the individual accommodation presents a security or safety risk. The Chief of Police should be advised any time a request for such an accommodation is denied or when a member with a cultural or other exemption is denied an assignment based on a safety or security risk.
