

Vision Statement Developed by DSPC Subcommittee*
Based on Material Generated at 12/14/12 DSPC Meeting

BHAG: The San Bernardino Community College District will be most known for student success

- The District's educational programs and services are highly sought after
- Our students are highly sought after by 4-year institutions and employers because they are well trained and prepared
- Our transfer students enjoy the highest graduation rates at 4-year institutions
- Our career technical students enjoy the highest employment rates in our communities
- Opens up a gateway, pathways, opportunities to a brighter future that they wouldn't have had otherwise
- Our students and alumni are known for having the largest economic impact for our communities
- People want to be here, they love working here, and everyone goes above and beyond in the name of student success
