Breakout Exercise

Exercise Directions: For the next thirty minutes, we would like for each table to discuss and answer the following two questions:

- 1) Aside from college preparedness and college enrollment, what do you believe are common areas of interest, concern, and opportunity that we share?
- 2) How can we work together to continue the discussion on the topics identified in question 1?

Each table should have at least one SBCCD Trustee to facilitate the conversation and one Trustee from each of the represented Unified School Districts. Please be sure to record the ideas that emerge from your discussion. One person should be prepared to report to the larger group at the end of the discussion.
