

Board Report 2/8/2024

1. Eliminating Barriers to Student Access and Success

On Tuesday, February 13th, the Crafton Student Senate will be hosting its annual Club Rush and Unit Completion Event. They will be introducing the various clubs and organizations run by, and for students. They will be featuring 18+ clubs and hosting the campus student services departments. Students will have the opportunity to enjoy a free lunch from one of two food trucks, celebrate their accomplishments, and find out how to get involved or receive academic support. Counseling, Veterans Affairs, and the Basic Needs Office will be providing resources on how to access resources to promote wellness and overall student success.

2. Be a diverse, equitable, inclusive and anti-racist institution

The Crafton Hills College Student Senate has ushered in the new year with a renewed commitment to diversity, equity, and inclusion by acting as a safe, nurturing environment for all students to express their ideas authentically. In the 2023-2024 academic year, the student government has elected and collaborated with a coalition of senators and stakeholders that accurately reflects the ultra-diverse student body of Crafton as a campus community. We are incredibly excited to work closely with all campus cultural committees to champion diversity. Furthermore, I personally would like to thank my fellow colleagues for their kindness and support as a member of the LGBTQ+ community.
