### **INFORMATION TO INFORM POLICY:**

### **ACTIONS and/or UPDATES RELATED TO GOALS:**

1. Eliminate Barriers to Student Access and Success
2. Be a Diverse, Equitable Inclusive, and Anti-Racist Institution
3. Be a Leader and Partner in Addressing Regional Issues
4. Ensure Fiscal Accountability/Stability

### **NOTEWORTHY ACCOMPLISHMENTS/ACTIVITIES:**

**1. The Crafton Hills College Student Senate is actively collaborating with our Counseling and Student Services departments to plan and hold the annual Roadrunner Rally on August 6th. This event provides students with an opportunity to connect with student services, meet new people, and to familiarize themselves with the campus for the new school year.**

**2. The CHC Student Senate is also taking steps to address regional issues by advocating for the BookSaver program. The cost of textbooks as a barrier for student equity and success has been a regional issue for a while, and the BookSaver program aims to lower the financial burden on students. Student Senate looks forward to being a partner and advocate for this program as it is being launched.**

**We also recently drafted a letter of support for reform of AB-1855, highlighting how protecting the location(s) of members attending meetings remotely does not hinder participation from the public, and furthermore ensures equitable access to associated student government and student organizations required to adhere to 'The Brown Act'**

**3. We have additionally concluded interviews for our appointed cabinet and are proud to note that we have officially appointed 10 officers. Bringing our cabinet to 17 out of 20 officer positions filled, the largest our student senate has been in recent years.**
