#### I. CALL TO ORDER – PLEDGE OF ALLEGIANCE

Chair Houston called the meeting to order at 8:30 a.m.  
President Contreras led the pledge of allegiance.

#### II. PUBLIC COMMENTS ON AGENDA AND NON-AGENDA ITEMS

None

#### III. BOARD SELF-EVALUATION

The Board of Trustees conducted the electronic board self-evaluation. The results will be presented tomorrow.

#### IV. YEAR-END REVIEW OF STRATEGIC GOALS/GOALS FOR 2024-2025

Chancellor Rodriguez reviewed the Strategic Plan Progress Report Executive Summary 2024.

- 27,229 Annual Students Served
- 22 cities and communities served
- 4,290 degrees and certificates awarded
- \$11.2 million public and private grants received
- 322 academic programs offered
- \$60,241,592 student financial aid offered

Executive Vice Chancellor Torres clarified the size categories of colleges. Less than 10,000 students is small size college, 10,000 – 20,000 students is a mid-size college, 20,000+ students is a large size college.

SBCCD's alignment with Vision 2030 (The California Community Colleges Chancellor's Office).

Chancellor Rodriguez reviewed the four SBCCD's goals, strategic directions, and key results.

Dual Enrollment Discussion: Trustee Williams asked the board to provide people from the community college side to sit on specific committees that support dual enrollment. He recommended prioritizing dual enrollment as a board. It was recommended dual enrollment be a Strategy Session topic.

Signed MOU with SB County and CSUSB Discussion: This could fall under all four goals, but it ultimately reduced the cost for students in terms of housing, food, access, etc. Trustee Harrison recommended this should fall under a different goal and not fiscal responsibility. Trustee Gonzales recommended this as more appropriately placed under Goal 1. Trustee Williams recommended this as more appropriately placed under Goal 3.

Challenges Discussion: Enrollment, apprenticeship programs, technology, budget.

Deferred maintenance: Discussion: the \$5 million for deferred maintenance is for specific projects only. Once this money is spent on the specific projects, the budget for deferred maintenance is very trivial. Executive Vice Chancellor Torres commented that we are generating revenue.

\$13.1 million – the district created a well round fundraising strategy. Change the word fundraising.

Apprenticeship program: Discussion: SBCCD has been working in the direction of increasing our apprenticeship programs. SBCCD has been awarded \$100,000 by the State Chancellor's Office to manage apprenticeship programs. SBCCD has been awarded \$1.8 million to support the expansion of apprenticeships program. Trustee Williams recommended we be clear of the industry sector behind the apprenticeship programs, what specific employers are, and their hiring rate. Vice Chancellor Ornelas commented that we are conducting a gap analysis.

Evening classes - creating programs for other nontraditional students: Discussion: Evening classes have increased because that is what the students requested. The campuses have started the conversation regarding offering weekend courses.

Discussion on 2024-2025 Goals: Maintain/codify the current goals, revise the action plan as needed to accomplish goals.

**Motion:** to continue with the current goals 1 – 4 through 2027.

Moved by Trustee Williams. Seconded by Trustee Harrison.

## V. BOARD APPOINTMENT DISCUSSION AND TRAINING

Attorney Bill Diedrich presented and confirmed that trustees do not have to put their name on any kind of tally sheet.

1. Forced ranking –Commonly used for interviews for employees. Effective with a lengthy list.
2. Score Sheet – Each trustee gives a candidate a ranking of 1–10. The top two, highest vote getters will be voted on by trustees for appointment
3. Hybrid – Gives the opportunity to ask one more question to the top two candidates.

Trustee Longville recommended tallying up votes, and the one with the least points gets eliminated, etc.

Trustee Gonzales recommended the forced ranking option seems viable.

Trustee Houston recommended ranking 1-5 and at the end of that round, the worse scored candidate gets eliminated. Then rank again, and the worse score gets eliminated. Rank again, the worse score gets eliminated, etc. Until the final two. The motion will be conducted at the end. Attorney Diedrich recommended this and to have open discussion after each round. Lowest vote, eliminate bottom two first. "Considering the student trustee advisory vote, the two top candidates are...". Then the board will entertain a motion and open a "discussion on either candidate \_\_\_name and \_\_\_name". 5 or more candidates, eliminate two at a

time. Attorney Diedrich to work with Trustee Houston on the script/operating agenda.

## VI. BOARD FINANCE COMMITTEE

Trustee Gonzales presented the year in review for the Board Finance Committee. Trustee Williams recommended that BFC focuses on giving short updates on bonds and taxes to the affected/participating communities. Trustee Williams requested a study on the public enterprise model. Arizona State president has agreed to be a resource for SBCCD. Trustee Houston recommended follow up and follow through with the Institute for the Future training. Trustee Houston recommended promoting future-ready and how to promote that and get that information out. How does SBCCD rating compare to the state's rating.

## VII. LUNCH AND LEGISLATIVE CONVERSATIONS

- A. JPA Regional Fire Training Center – Trustee Houston presented. Serving over 3050 personnel from over 75 airports since 2018. Serving locally, nationally, and internationally. Types of training; 40 hours, classroom and hands on, FAA recognized. Recurring training: annual burns, Canada Part 343. Trustee Longville commented that the training adds substantial total value to the airport. SBCCD generates \$0 but is a resource. It cannot be Pro Board Certified due to outdated equipment/facilities. CHC is represented on the board. All training, teaching, facilities, etc. must be located at an airport. Trustee Williams asked for an outline of funding opportunity for SBCCD. Trustee Houston commented that if we don't upgrade our facilities/equipment we have the potential to lose the training center in its entirety within five years. Trustee Williams requested what SBCCD's current investment, hard dollars, as being part of this JPA. In addition, how are our students benefiting from the JPA. Trustee Houston clarified the green dollars include in-kind support/contributions. Trustee Williams requested the revenue opportunity to benefit our students. Trustee Houston recommended the facility is under utilized by SBCCD, example is FAA certified drone training. Chancellor Rodriguez commented that SBVC will be imploring a partnership to produce internships. Trustee Reyes requested a meeting with Mike Burrows, San Bernardino International Airport, Chancellor Rodriguez, and Trustee Houston regarding renewing the lease and other opportunities. Trustee Williams recommended including the conversation of funding opportunities. The ask is for \$10 million with funding that originally would go to the Del Rosa building and the repayment of the JPA loan to SBCCD. Any funding from FAA will go to the airport authority and not the JPA and not directly to SBCCD.

## VIII. WORKPLACE VIOLENCE PLAN CONVERSATION

Vice Chancellor Hannon and Director Tiffany Guerero presented. The Workplace Violence Plan is mandated by the state for employers of 50 employees or more. All SBCCD employees, including managers, will have training and instruction on general and job-specific WV practices. These sessions could involve presentations, discussions, and practical exercises. The communication system is designed to facilitate a continuous flow of WV prevention information between management and employees in a form that is readily understandable by all employees.

- New employee orientation will include WV prevention policies and procedures.
- WV prevention training programs.
- Regularly scheduled meetings and/or SBCCD-wide communications that address security issues and potential WV hazards.
- Effective communication between employees and managers about WV prevention and violence concerns. This will be accomplished through management training to incorporate violence concerns into regular employee counseling sessions.
- Posted and/or distributed WV prevention information will be available.
- Employees may report WV incidents, hazards, or concerns through the methods outlined in the "REPORTING" section of the WVPP. They may do so anonymously if they choose, and they may do so without fear of reprisal.
- Employees will not be prevented from accessing their mobile or other communication devices to seek emergency assistance, assess the safety of a situation, or communicate with a person to verify their safety. Employees' concerns will be investigated promptly. They will be informed of the results of the investigation and any corrective action(s) to be taken.
- Employees involved in an incident will be notified via SBCCD email with a summary of the results of the investigation and any corrective action(s) taken. They will also be informed how they can obtain a copy of the completed LOG. When appropriate, the Program Administrator or their Designee will meet with specific groups of employees or departments to debrief an incident.

HR is anticipating an influx of complaints and is allocating appropriate staffing, but additional assistance may be required. The Workplace Violence Plan will be going for board approval in July. The board agreed that no further presentation at the July board meeting is required.

#### I. CALL TO ORDER – PLEDGE OF ALLEGIANCE

Chair Houston called the meeting to order at 8:30 a.m.

Trustee Gonzales led the pledge of allegiance.

#### II. PUBLIC COMMENTS ON AGENDA AND NON-AGENDA ITEMS

None

#### III. BOARD SELF-EVALUATION RESULTS

The consultants (Mitch Hoovey and Dick Bray) reviewed the board self-evaluation results.

Section 1: Board of Trustees Meetings: All ratings were “All/Most of the Time” or “Often”

- We need to continue to improve how constituent groups like Academic Senate report to the agenda items. Trustee Williams commented that the Senate reports seem to focus on events. Example is curriculum and if they matriculate to both campuses. He recommends it in relation to the Strategic Plan.
- We too frequently over discuss items
- Moving regular reports to the 3-minute time constraint has been instrumental to more efficient meetings.
- I generally receive the agenda and supporting materials with plenty of time, although occasionally things make it into Govenda a little closer to the meeting
- “All”? I rely on other board members’ expertise in some areas.

Section 2: Board of Trustees/Community Relations

- I’m not aware of any issues in the past year where the board committed to a position prematurely
- We can do a better job at increasing public engagement in hearings and advisory committees. Outside of the Bond Oversight Committee, I’m not sure what other committees there are and we seldom have input during public hearings.
- We do a really good job with governmental leaders but I am not clear on who is community leaders the Board and the District is targeting for dialogue.
- We could do more to lift student voices to better understand what students interest and needs are and what will best contribute to their growth. We need to understand what will bring more students back to campus.

- I absolutely trust the other trustees

#### Section 3: Board of Trustees Qualities

- Every once in a while, there may be professional disagreement between trustees, but it is resolved
- I am not aware of any breaches of confidential information by trustees

#### Section 4: Board of Trustees Development

- It is not clear if Board members have knowledge about the evolving landscape or current education offerings.
- At least for me, most of the current information I learn is at conferences
- The Board does attend conferences and workshops however the implementation of the learning is not clear as it related to new programs and the strengthen of current ones
- The universe of info is too large to read most of it

#### Section 5: Board of Trustees Policy Development

- The staff and Board Policy committee are more active and the policy manuals are not accessible on the web. We need to make sure all of the board policy links are current and or go to a page that says under-development.
- We have an excellent Board Policy and Procedures ad hoc committee
- There's a whole annual review schedule

#### Section 6: Board of Trustees/Chancellor Relations – all ratings were “All/Most of the Time” or “Often”

#### Section 7: District Goal Setting and Strategic Planning

- Everything is actually aligned with the Strategic Plan
- It is part of the agenda but we seldom ask questions

#### Focus Areas

#19 The Board keeps informed by seeking and reading current news and literature.

Trustee Williams recommended reading *Trusteeship*

Trustee Houston recommended reporting out after attending a conference

Trustee Williams recommended each trustee write an annual report on a specific topic.

Trustee Houston recommended updating the question to include new media type (including younger generations)

#26 The Board provides for periodic policy review and revision when laws, court rulings, or circumstances change.

#### Looking Forward

- As evidence by the self-evaluation completed but the BOT and the 2022-2027 Strategic Plan Progress Report, great progress and forward movement continues to be made by SBCCD Board and Leadership Team for the 2023-24 school year.
- The Board, Chancellor, and Leadership Team should be proud of the team they have become and what they have accomplished together.
- Tips for Trustees and the Leadership Team, you are in this for the long haul; it's a marathon, not a sprint. Stay strategic and focused.
- Using the results from today's self-evaluation report, continue to focus on where the Board wants to be 3-5 years from now, and keep at the forefront of the aspirations of the Board.
- Let's not forget; the bottom line is meeting the learning needs of your students.

Future Request for Board Self-Evaluation: Chancellor Rodriguez recommended no need to have a separate PowerPoint. Trustee Williams recommended the Board Executive Committee review the results development summary portion instead of staff executive leadership. Trustee Williams recommended the Board of Trustees take the self-evaluation prior to the board retreat. Create a process that includes BEC to review results/summary. The presentation identified sections and the full report does not list sections. Trustee Williams requested a footnote on the results as to why only six trustees completed the evaluation.

Chancellor Rodriguez recommended, and the Board agreed to the following process:

The Board self-evaluation link to be sent at the beginning of May each year, with a deadline of completion of one week. Allowing the opportunity to review the results with the Board Executive Committee and the consultants. As we are putting together the agenda, they decide if they want to have a discussion based on the full report or just the highlights. Agendize the review on the first day, in the morning of the retreat.

Chancellor Rodriguez suggested Strategy Session topics (Chancellor to provide a list of topics to BEC for review):

Dual enrollment

How do we share the classroom, where are we going?

Local leadership (no clear direction with local leadership)

Trustee Williams suggested continuing K-12 community college conversations (table topics). Informal meet in greet, board to board. Trustee Houston suggested identify the networks that exist (SBC School Boards Association that has a community college representative. Trustee Houston to inquire if the community college seat is vacant). Possibly create a map. (faith based, first responders, public health, mental health, public sector, etc.).

#### **IV. GROUP ACTIVITY AND LESSONS LEARNED**

Vice Chancellor Hannon instructed the activity to gather in generational cohort groups to present something to SBCCD's future students.

#### VI. LESSONS LEARNED/SET CONFERENCE AND TRAINING CALENDAR 2024-25

Chancellor Rodriguez presented the 2024/25 Conferences and Trainings. Trustee Williams recommended that the Board Finance Committee, Strategic Planning, Human Resources (structure, processes, governance) is an example of what should be a workshop/conference proposal. The information Dr. White presented would be of interest. Othering and Belonging Institute is another area of interest. Trustee Williams would like to work with the Institute for the Future, National Board Certification, interest in housing, UCS Real Estate Development Certificate program, anything around the Inflation Reduction Act, city managers present to the board, enterprise model opportunity (CSUSB has a corporation), CA Forward Economic Summit. Trustee Williams recommended other facility tours like the TN and UT tour that SBCCD conducted.

Trustee Houston commented, the voting opportunity allowed at ACCT 2022 conference included approving a revision to their bylaws that a trustee cannot be elected within a governance role in the organization if they have not attended at least two of their national conferences.

**1. Please list and describe your experience serving on a governing board, specifically a community college district.**

I am confident that my extensive experience in government, policy making, and budgetary processes will allow me to excel on the Board of Trustees of the San Bernardino Community College District. As a first-generation college student and young Latino from California's Inland Empire, I have over a decade of experience in government, policy, and decision making. I have been actively engaged in shaping policies and laws to help underrepresented and marginalized communities. My passion for public service led me to work in state government in various roles. I was given the opportunity and distinct honor of becoming part of the California Capital Fellows Program. As an Executive Fellow in Sacramento, I got a better insight into how governments operate under limited resources to develop budgets and provide community services to residents. I quickly learned how to communicate with leadership across departments, agencies, and the Legislature. I helped develop the agency's policies through research and stakeholder workshops while learning the importance of policy analysis. In collaboration with stakeholders, we summarized data and identified effective solutions to make recommendations to executive management. Additionally, I continued my education by pursuing a Master of Public Administration from the University of Southern California. After graduate school, I worked for the Governor's Office of Finance (DOF) where I examined legislation and evaluated the fiscal impacts on the state. Within my capacity, I represented the Administration before legislative committees on proposed budgets within my assigned policy area. My experience as a public servant taught me the importance of good governance, appropriate resource allocation, and fiscal responsibility while carrying out policy priorities. Within my capacity, I gained a strong understanding of the challenging budget making process. Due to the Pandemic, we had to adapt the budget priorities to carry out programmatic needs. Part of my role was also to analyze and advance policies to ensure childcare was accessible for California's families, specifically managing \$1 billion in federal funding to help with COVID-19 recovery. Within my capacity at DOF, I gained a strong understanding of the challenging budget making process. I met with state departments and agencies to decide how to balance costs while maximizing public goods within the limitations of the government's resources. I also consulted with local and various stakeholders to develop comprehensive recommendations on complex policy issues. In my role, I tracked different bill proposals at the state level. I reviewed proposals from the Senate and Assembly and worked with legislative staff to clarify questions and concerns. My work culminated in drafting recommendations for the Director of Finance and legislative/bill language. I helped write legislation including budget bills and trailer bills to codify into statute. Additionally, I briefed legislators and committee consultants on the Governor's Budget and attended budget and policy hearings. I prepared written documents to communicate information effectively and represented the Governor's Administration before Senate and Assembly committees on proposed policy implementation. I testified before the Assembly Committee on Appropriations and the Assembly Committee on Human Services during the 2020 and 2021 budget cycles and responded to questions from legislators.

**2. Please list any committees or college activities you have recently participated in.**

Yes, I have been actively involved in several academic and professional roles. I am currently a Public Policy Professor at the University of Redlands. In this role, I am engaged with efforts to expand the Master of Public Administration program to reach more students and better serve the local community. I have been involved in curriculum development, outreach initiatives, and partnerships with local government agencies to enhance the program's impact and relevance. Additionally, as a graduate student instructor at Howard University, I mentored and guided undergraduate students through various courses in political science. This role has allowed me to develop and deliver engaging course content, provide academic support, and help students navigate their academic and career aspirations. As a representative on the Graduate Student Council, I advocate for the needs and concerns of graduate students, working to improve resources, support, and opportunities available to them. I am also still involved with my alma mater, San Diego State University, as a mentor in the Aztec Mentorship Program. In this capacity, I provide guidance to current students on academic and professional development, drawing from my own experiences to support their growth. Recently, I participated in a career panel for undecided/undeclared students, offering insights and advice on potential career paths and the importance of finding one's passion. These roles and activities reflect my commitment to academia, mentorship, and community engagement, and they provide me with numerous opportunities to contribute to the academic and professional development of students and colleagues.

**3. Describe any other community or business activities in which you have participated. Describe your role, and whether your work was volunteer or employment-related.**

As the current Director of Civic Engagement at the California Primary Care Association, I develop, oversee, and carry out internal and external policies and strategies for increasing voter turnout in underrepresented communities. I implement the strategic plan for the My Vote, My Health initiative to educate underrepresented communities on civic engagement and election information. Under the My Vote My Health initiative, our team aims to engage communities of color, and poor and working-class communities in the voting process to advance an electorate that represents all of California. In leading a statewide project, I develop and execute campaign tactical plans that exercise and leverage coalition and grassroots power. I continuously foster relationships with regional and statewide stakeholders to design voter programs and expand engagement efforts in low-income communities of color. As the lead contract administrator, I manage reporting on statewide grants, budgets, and contract proposals with community organizations. I supervise and mentor regional staff working on the ground with community partners. My role also includes partnership development in working with our funders and foundations to ensure accurate grant management. As a policy expert, I also evaluate and apply national and state policy efforts to increase voter engagement during the 2024

election cycle. In collaboration with our Director of Communications, I also work on communications related to policy and strategy initiatives, including presentations, online material, social media, press conferences, and external affairs. Also, I worked for the California Secretary of State's Office (SOS) where I advised agency management in organizational strategy and the application of governmental rules and regulations. In collaboration with stakeholders, we summarized data and identified effective solutions to make recommendations to executive management. I also made recommendations to management on supervision and mentorship best practices to improve team morale. Within my capacity, I conducted classification and organizational analyses to make recommendations regarding appropriate allocations. I also advise management relating to operating procedures and assist in the development of policies. My responsibilities included advising management recruitment and selection, best personnel management practices, ensuring civil services laws, regulations, and departmental policy were adhered to, and the application of provisions of bargaining unit contracts. I performed complex research assignments and compiled information to provide written and verbal recommendations and programmatic resolutions to management and staff. At the Secretary of State's Office, I helped create the organizational and governance structure for multiple divisions throughout the agency.

#### **4. Why do you want to be a board member?**

As a son of working-class immigrants, I am passionate about improving the quality of life in the Inland Empire. I grew up in the region and attended Crafton Hills Community College. I am a strong believer in the government's role in serving the public good. I have a decade of government experience serving diverse communities while promoting inclusive programs and policies. Working in government at the federal, state, and local levels has equipped me with strong skills in communication, organization, presentation, and working under pressure. My extensive experience in policy and government aligns with the mission of community colleges to provide accessible and equitable education opportunities. For my entire life, I have witnessed the SBCCD region struggle economically due to major employers leaving the region in the 1990s. My dream is to see the region thrive by educating residents and providing quality career opportunities. Community colleges are at the center of creating a strong economic ecosystem in the area. SBCCD will need to establish effective policies to meet students' needs and service our local community. Also, as a resident of the San Bernardino Mountain communities, I bring a unique perspective to how SBCCD can serve all of Area 5. It is especially important to engage students from the mountain communities. Not all community members see the value in education, and we need to create systems that fit our region's economic needs and educate the next generation of workers.

## 5. What do you see as the basic purpose of community colleges?

The basic purpose of community colleges is to provide accessible, affordable, and high-quality education to all individuals, particularly those from underrepresented and disadvantaged backgrounds. Community colleges play a crucial role in offering vocational training, associate degrees, transfer opportunities to four-year institutions, and continuing education programs to meet the diverse needs of the community. As a university professor, I see the value of community college as part of the education pipeline to prepare students for 4-year universities. Community colleges are a more affordable and accessible option for low income and non-traditional students. It is an important steppingstone for those who wish to transfer to a 4-year university and essential for the California Master Plan for Higher Education. Additionally, community colleges are becoming the ideal institution for workforce development. Not all careers require a bachelor's degree and community colleges are a great space to gain technical skills. Community colleges can be more responsive and flexible to meet our region's workforce needs. Community colleges also serve a larger share of nontraditional students and are at the forefront of advancing education equity.

## 6. What is the role of the board in the fulfillment of that purpose?

The Board's role in fulfilling the purpose of community colleges is to provide governance, oversight, and strategic direction. The Board ensures that the college's policies, programs, and initiatives align with its mission to serve the community. This includes approving budgets, setting educational standards, and advocating for resources and policies that support the college's goals. As the governing body for the community college district, the Board is responsible for establishing policies that allow students to succeed and serve the region. The community colleges cannot fulfil their purpose if the Board does not create a productive environment for students to learn and employees to do their jobs.

## 7. How does the board's role differ from that of the chancellor?

The Board's role is to provide governance and oversight, while the chancellor's role is to manage the day-to-day operations of the college. The Board sets policies and strategic direction, whereas the chancellor implements these policies and manages the administrative functions, faculty, and staff to ensure the effective operation of the college. The Governing Board of Trustees functions as a goal setting, policy-making, and evaluating body. The Board has complete jurisdiction over the district, its programs, employees, pupils, building sites, and equipment. On the other hand, the Chancellor is an employee of the community college district and focuses on implementing and putting into action the goals established by the Board. The Board and Chancellor work in conjunction to serve the

community college district and students. The Board is tasked with developing and approving policies that govern the district's operations. These policies cover a wide range of areas, including academic programs, financial management, human resources, and campus safety. The Board ensures that these policies are aligned with the district's mission and strategic goals. The Chancellor is responsible for implementing these policies. This involves developing procedures and processes to operationalize Board policies, ensuring that faculty, staff, and administrators adhere to them, and adjusting as needed to improve effectiveness. Further, the Board provides oversight and accountability by monitoring the district's performance and holding the Chancellor accountable for achieving the district's goals. This includes reviewing financial reports, academic performance data, and other key indicators to ensure that the district is on track. The Chancellor reports to the Board and provides regular updates on the district's progress. The Chancellor is also responsible for addressing any issues or challenges that arise and for making recommendations to the Board on matters requiring their attention. Similarly, the Board members serve as representatives of the community and are responsible for maintaining strong relationships with stakeholders, including students, parents, community organizations, and government officials. They advocate for the district at the local, state, and national levels. The Chancellor also plays a critical role in community relations. As the face of the district, the Chancellor engages with community leaders, businesses, and organizations to build partnerships and support for the district. The Chancellor advocates for the district's needs and promotes its achievements. While the Board and Chancellor have distinct roles, their relationship is collaborative. They work together to ensure that the district's goals are met and that students receive a high-quality education. This collaboration involves regular communication, joint problem-solving, and mutual respect. The Board relies on the Chancellor's expertise and recommendations to make informed decisions, while the Chancellor relies on the Board's guidance and support to lead the district effectively. Conclusively, the Board's role is to provide governance, set policies, and ensure accountability, while the Chancellor's role is to manage the daily operations, implement Board policies, and lead the district in achieving its strategic goals. Together, they form a dynamic partnership that is essential for the success and effectiveness of the community college district.

**8. What should be the relationship between the board members and the administration in the handling of college and district concerns?**

The relationship between board members and the administration should be collaborative and based on mutual respect and open communication. Board members should provide support and guidance to the administration while respecting the chancellor's authority to manage daily operations. This partnership ensures that the college can effectively address concerns and work towards common goals. It is crucial for the Board members and administration to have a positive working relationship where different authority levels are respected and both groups can effectively do their job. When

handling concerns, it is important to identify which party has the authority and should take leadership on the issue. The Board and administration are responsible for holding each other accountable for the benefit of the community college district. The foundation of the relationship between board members and the administration should be a collaborative partnership. This involves regular and transparent communication, where both parties share information, discuss strategies, and work together to solve problems and make informed decisions. Board members should actively seek input from the administration on key issues, leveraging their expertise and insights to guide policy-making and strategic planning. Conversely, the administration should keep the board informed about operational developments, challenges, and successes to ensure alignment and mutual understanding. It is essential for both board members and the administration to clearly understand and respect their distinct roles and responsibilities. Respecting these boundaries helps prevent micromanagement and allows each party to focus on their core functions. Board members should provide strategic direction and oversight without interfering in operational details, while the administration should execute board policies and manage campus affairs effectively. Open and transparent communication is also key to a healthy relationship between the board and the administration. Regular meetings, reports, and updates help keep everyone informed and engaged. This includes sharing both successes and challenges openly and fostering a culture of trust and collaboration. Establishing clear communication channels and protocols ensures that information flows smoothly between the board and the administration. This can include scheduled briefings, written reports, and open forums for discussion. Working towards a shared vision and common goals is essential for the success of the district. The board and administration should collaboratively develop and refine the district's strategic plan, ensuring that it aligns with the needs and aspirations of the community. By focusing on shared objectives, both parties can work synergistically to enhance educational quality, student success, and community impact. Also, when conflicts or disagreements arise, it is important to have a structured approach to resolution. This includes establishing protocols for addressing concerns, engaging in respectful dialogue, and seeking common ground. By addressing conflicts promptly and constructively, the board and administration can maintain a positive working relationship and prevent issues from escalating.

**9. Briefly describe your commitment to our colleges and district.**

I am dedicated to making sure the SBCCD serves our students and helps uplift the region. I grew up in the district and chose to move back to the Inland Empire because I am committed to seeing the region thrive. San Bernardino Valley College and Crafton Hills College will play an essential role in educating residents to meet our area's economic needs. I am also dedicated to enhancing the curriculum and programs offered by SBCCD to ensure they are relevant and responsive to the evolving job market. This includes advocating for the integration of emerging technologies, industry partnerships, and experiential learning opportunities that provide students with practical skills and real-world experience. By working closely with faculty and administrators, I strive to foster an environment of innovation and continuous improvement, where new ideas and approaches are embraced to better serve our students. Additionally, recognizing the crucial role that SBCCD plays in regional economic development, I work to strengthen the connections between education and the local economy. This involves collaborating with local businesses, government agencies, and workforce development organizations to align educational programs with economic needs. By promoting career and technical education, I aim to prepare students for high-demand careers that contribute to the region's economic vitality. These efforts not only benefit students but also help to attract and retain businesses in the Inland Empire. My dedication to SBCCD is reflected in my active engagement, advocacy, and efforts to enhance the quality and accessibility of education for all students. I am committed to the district's mission and vision, and I will continue to work tirelessly to ensure that San Bernardino Valley College and Crafton Hills College remain pillars of educational excellence and community empowerment in the Inland Empire.

**10. What do you see as the strengths of SBCCD?**

The strengths of SBCCD include its commitment to providing accessible and affordable education, its focus on serving diverse and underrepresented communities, and its ability to offer a wide range of programs that cater to the varying needs of students, including vocational training, transfer opportunities, and continuing education. Commitment to Accessibility and Affordability: SBCCD is

dedicated to making higher education accessible to all, regardless of financial background. Through various financial aid programs, scholarships, and grants, the district ensures that education remains affordable for students from all walks of life. The district's policies and initiatives aim to reduce barriers to education, such as offering flexible scheduling options, online courses, and support services for non-traditional students. Focus on Serving Diverse and Underrepresented Communities: SBCCD's commitment to diversity and inclusion is evident in its efforts to serve a wide range of students, including those from underrepresented and marginalized communities. This focus helps to create a vibrant learning environment that reflects the diversity of the region. The district offers targeted support programs, such as mentoring and counseling services, designed to help students from diverse backgrounds succeed. Wide Range of Programs: SBCCD offers an extensive array of programs that meet the diverse needs and interests of its students. This includes vocational and technical training programs, which prepare students for immediate entry into the workforce with valuable skills and certifications. Continuing education and lifelong learning opportunities are also a hallmark of SBCCD, allowing community members to upgrade their skills, explore new interests, or pursue personal enrichment.

11. What do you see as the area(s) most needing improvement in the colleges and district?

Community colleges need to be attuned to what skills employers need as well as leveraging training from the community colleges to attract employers. The district should facilitate relationships and pipelines for career opportunities. There needs to be an increase in career technical education and partnerships with employers in the region. In addition, there are several other key areas that require attention and improvement to enhance the effectiveness and relevance of community colleges and the district: Technology and Infrastructure: Investing in modern technology and infrastructure is critical. This includes upgrading facilities, ensuring access to high-speed internet, and providing up-to-date computer labs and technical equipment. Expanding online learning options and hybrid course models can offer greater flexibility for students, particularly those who are working or have other commitments. Community and Industry Partnerships: Strengthening partnerships with local industries, businesses, and community organizations can create more opportunities for internships, apprenticeships, and hands-on learning experiences. These partnerships can also provide valuable feedback on the skills and knowledge needed in the workforce. Establishing advisory boards comprising industry leaders and employers can help align educational programs with market needs and emerging trends. Engagement and Outreach: Increasing community engagement and outreach efforts can help raise awareness about the programs and opportunities available at community colleges. Hosting open houses, workshops, and information sessions can attract prospective students and foster a sense of community. Collaborating with high schools to create dual-enrollment programs and pathways can provide students with a head start on their college education and career preparation.

4. Why do you want to be a board member?

Born, raised and educated in San Bernardino, I returned to my hometown the mid-1990's and have spent my entire professional and civic life serving and helping to build San Bernardino and the larger Inland Empire region. I am deeply passionate about the Inland Empire and growing its myriad of diverse economic, social and geographic communities. I care deeply about our economy, our collective prosperity, and how we make the Inland Empire a region that our future generations choose to call home. Most importantly, I believe education is fundamental and central to this future.

For more than a decade, I have helped spearhead, guide and participate in several large cross-sector collaboratives focused on cradle-to-career education and economic mobility in San Bernardino. Most recently, this work has been through the Making Hope Happen Foundation, where as a founding board member, I helped set the vision for the Uplift San Bernardino initiative focused on building the next generation of successful young adults committed to growing roots and thriving in our region.

Additionally, I am deeply involved in leading the Life Skills program at San Bernardino High School that helps students build critical communication proficiencies, socio-emotional intelligence, and leadership skills through weekly sessions during the school year. Many of our graduates have continued their education and professional training at our local community colleges and are now beginning their careers in the region.

I see the opportunity to serve on the community college board of trustees as a natural outgrowth of my professional and civic endeavors. I hope to bring to the board valuable insights from my lived and professional experiences in San Bernardino and add to the wisdom and intellectual horsepower on the board required to tackle the significant challenges and capitalize on the exciting opportunities ahead for our community colleges.

5. What do you see as the basic purpose of community colleges?

The basic purpose of community colleges in California is to enhance the well-being of our students and communities through education and training in the following two ways:

1. Broadening Access to Higher Education. Our community colleges provide our students with the opportunity to complete foundational and lower-division collegiate coursework that can be transferred to a four-year institution, making a bachelor's degree more affordable and accessible to our diverse and broad population.
2. Career Training. Our community colleges provide training that equips our students with job-ready skills for specific careers, allowing them to enter the workforce directly after graduating and continue to upskill themselves during their career.

The overall goal is to provide well designed, clear, coherent, and structured educational experiences for our students that result in the attainment of high-quality postsecondary credentials and careers with value in the Inland Empire labor market.

6. What is the role of the board in the fulfillment of that purpose?

The board's fundamental role is to establish the vision and mission for the community college district, to discern and prioritize the goals aligned to that vision and mission, to determine the budget and allocation of resources, and to monitor performance to ensure the long-term financial sustainability and success of the community colleges.

Additionally, the board is responsible for oversight of the chancellor's effective, efficient, and successful administration and functioning of the community colleges. This includes hiring and evaluating the performance of the chancellor, adopting policies and procedures governing the district, and holding accountable the chancellor for institutional performance and continued progress towards achieving the district's mission, goals and objectives.

All of these board functions/roles are iterative and dynamic requiring continual learning, engagement, assessment and adjustment by the board.

7. How does the board's role differ from that of the chancellor?

The chancellor is responsible for carrying out and implementing the adopted vision, mission and goals of the district within the budget and policies set by the board. The board's role is direction and policy, the chancellor's role is executive and administrative. Through its adopted goals, priorities and budget, the board broadly defines what the district aims to achieve and how; the chancellor determines implementation and execution of the board's plan through the specifics of who, what, when, where and how.

8. What should be the relationship between the board members and the administration in the handling of college and district concerns?

The relationship between board members and the administration must be positive, professional, respectful, collegial and supportive. It takes both a successful board and a successful administration to ensure the success of our community colleges. Both have important roles and functions (described above) which are mutually supportive and reinforcing.

While the board has ultimate responsibility for oversight and accountability of the district's performance, the board must work with and through the chancellor and administration to effectuate that oversight, accountability and ultimate success. Thus, both board members and the administration must continually work to create and maintain a high trust, no surprises relationship that facilitates transparency, clear communication, effective collaboration, and efficient execution of dynamic innovations and strategies across the district.

Finally, board members must be firmly committed to acting as a corporate body not as individual members. Direction is provided to the chancellor and the administration through collective action of the board at public meetings.

9. Briefly describe your commitment to our colleges and district.

My commitment to serving on the community college board will be the same as my lifelong commitment has been to serving the community of San Bernardino. As demonstrated by my track record of successful professional and civic engagements, I take seriously the obligation of public service and the responsibilities that come with the office. I understand the significant personal commitment required to be a highly informed, engaged, and effective board member. I believe the obligations of board members extend well beyond thorough preparation and participation in board meetings and include ongoing learning, listening and self-education through consistent engagement with our college campuses, outreach within the communities we serve, and active cultivation of the educational, civic and business partnerships needed for the success of our colleges and students.

10. What do you see as the strengths of SBCCD?

While both of our community colleges have unique and individual strengths, the following are some of the collective strengths they share:

- Our community colleges have established and continue to maintain strong partnerships and alignment with the K-12 institutions within the district. Deep work has been ongoing in developing a career-oriented and post-secondary education culture in our K-12 school districts and the reinforcing the central role of our community colleges in those pathways for student success.
- There is strong and broad support within our community and region for both of our community colleges. Stemming from a high need for post-secondary training and education, there exists a strong desire for our community colleges to be successful in their mission, which translates into the public's willingness to provide and sustain the resources needed to enable that success.
- Our community colleges have developed strong community and industry/business partnerships in several ways. New, updated, and retooled career training and technical programs/certifications have been successfully deployed by both community colleges in response to emerging employer needs. These partnerships have in turn translated into employers providing increased opportunities for industry internships and externships to students enrolled in our college's programs, leading to direct employment opportunities for graduates.
- Since 2010, the district has made significant improvements and expansion of the backbone facilities on our college campuses, and in the technology required for various career training programs. While continued work is needed in upgrading our physical infrastructure and the technology deployed in our classrooms, successfully overcoming prior decades of deferred investment has set a strong foundation for the future and built trust with the public.
- The diverse student body on our campuses that reflect the demographics of our region, is a key source of strength for our future. The diversity enriches the campus communities, provides students with exposure to different cultures and perspectives, and positions our colleges to provide the future employees and leaders for our region.

11. What do you see as the area(s) most needing improvement in the colleges and district?

In a fast-changing economy and labor/employment market, there are numerous challenges facing our community colleges, including the following:

- Alignment of the educational and training pathways, programs, and certificates offered at our community colleges with current and future employment needs and career opportunities in the Inland Empire. Continued rapid and disruptive changes within industry sectors in our region, including advances in technology and changes in how work is performed, creates a constant need for our community colleges to adapt curriculum and programs to meet the evolving demands of the labor market.
- Development of student's social and emotional skills (interpersonal and emotional intelligence) that are critical to their sustainable employment, growth, and lifelong learning. Our rapidly changing and globally competitive economy dictates that our students will be increasingly challenged to adapt their workstyles, upgrade their skills, change jobs, and even change employment sectors over the course of their careers. This necessitates that our colleges focus not just on ensuring students have the technical skills needed for current in-demand employment sectors, but equally possess the employability and professional skills needed across disciplines and careers.
- Continuing to increase student success and completion rates at our community colleges is critical, as measured by enrollment, retention and completion of training programs or transfer to four-year institutions with completion of a bachelor's degree. Reducing structural and motivational barriers by providing comprehensive support services, including academic advising, counseling, tutoring, and career guidance, is crucial for student success.
- Like most community colleges, our community colleges face challenges in recruiting and retaining qualified faculty and staff. Competition with other educational institutions and industries, coupled with budget constraints, make it difficult to attract and retain talented professionals. Substantial student interaction with faculty is essential for student success defined in terms of retention, course and certificate completion, transfer, employment, and personal fulfillment. To this end, increasing the number of full-time faculty and providing contracts for part-time faculty that actively promote their involvement in the life of their campuses beyond the classroom (office hours, governance, course development, extra-curricular activities, etc.) is critical.

### **San Bernardino Community College District Trustee Area 5 Application**

**1. Do you have prior experience serving on a governing board, specifically a Community college district? Please list such prior experience.**

While I do not have any previous experience serving on a community college district directly, I have served as a board member at a local Charter School and I am currently a board member on the CSUSB Undocumented Alumni Chapter and have been since 2018. My work currently allows me to work with 5 county boards of education and over 150 school districts in Southern California, so while I do not currently sit on a community college board, I do have extensive experience working with elected officials in education.

Lastly, I currently serve on Congressman, Pete Aguilar's Immigration Advisory Committee and have since 2018.

**2. Have you worked on any committees or participated in any college activities recently? If so, please list them.**

In the last two years, I have participated in leading several book club discussions for the San Bernardino Valley College Library with the support of Professor Yvette Lee and Mary Valdemar. I was also named "People of Distinction" for SBVC's 95<sup>th</sup> anniversary. I have also been asked to speak at San Bernardino Valley College on several occasions over the last 20 years as a former alumni both for the Latino/a Graduations, Undocumented Student Center events, and others. Currently, I am very active on the CSUSB Undocumented Student Alumni Board.

As a Communications Department graduate student at CSUSB from 2004-2006, I also had the pleasure of teaching several Oral Communication/Intro to Public Speaking courses at San Bernardino Valley College.

**3. Describe any other community or business activities in which you have participated. Describe your role, and whether your work was volunteer or employment-related.**

To best answer this question I have included my resume with more detail about my work and community involvement.

**4. Why do you want to be a board member?**

I want to be a board member because I deeply understand the transformative power of community colleges, having experienced it firsthand as an undocumented student. My journey began at San Bernardino Valley College (SBVC), where I found a sanctuary that offered not only affordable education but also a supportive community that empowered me to pursue my

## **Fátima Cristerna Sánchez**

academic dreams despite significant challenges. Professors and staff like Ed Gomez, Yvette Lee, and Mary Valdemar were instrumental in providing me with the education, strength, and encouragement needed to continue my studies and eventually transfer to California State University, San Bernardino (CSUSB), where I earned my BA and MA.

Being a former student and participant in the Associated Student Government, I have seen the positive impact that thoughtful leadership and supportive programs can have on students' lives. The growth of SBVC and Crafton Hills College (CHC) and the establishment of initiatives like the Dreamers Resource Center/Dreamers Scholars Program are testaments to the power of collaborative efforts between colleges and their stakeholders. As a board member, I aim to contribute to shaping a future that continues to support and uplift students like me. I want to ensure that these institutions remain places of opportunity, inclusivity, and empowerment, helping students navigate their educational paths and achieve their full potential, just as I was able to do.

### **5. What do you see as the basic purpose of community colleges?**

Community colleges serve a multifaceted purpose, with the primary goal of providing accessible, affordable, and quality education to a diverse population. They aim to offer educational opportunities that cater to a wide range of needs, from academic transfer programs to vocational training and lifelong learning courses. By offering associate degrees (some), certificates, and pathways to four-year universities, community colleges play a crucial role in bridging the gap between secondary education and higher education. They enable students to pursue their academic and career aspirations without the financial burden often associated with universities, making higher education attainable for those who might otherwise be excluded.

In addition to academic and career preparation, community colleges are committed to fostering personal growth and civic engagement. They provide an inclusive environment that supports students from varied backgrounds, including first-generation college students, returning adults, and those seeking to improve their skills for career advancement. Through a comprehensive curriculum that includes general education, workforce training, and support services, community colleges help individuals develop the critical thinking, communication, and technical skills needed to thrive in a dynamic and evolving job market. By doing so, they contribute to the economic development and social mobility of the communities they serve, ensuring that education remains a powerful tool for empowerment and progress.

### **6. What is the role of the board in the fulfillment of that purpose?**

## Fátima Cristerna Sánchez

The board is responsible for setting policies and providing oversight to ensure that the Community Colleges (CC), Valley, and Crafton, align with their mission of offering accessible and quality education. By establishing strategic priorities, the board guides the institutions in developing programs and services that meet the diverse needs of our student populations. They ensure that resources are allocated effectively and that the CC adhere to high standards of academic excellence and operational efficiency.

Moreover, the board plays a crucial role in fostering partnerships with local businesses, industries, and community organizations to enhance workforce training and career opportunities for students. They advocate for the colleges at the state and federal levels, seeking funding and legislative support to sustain and expand educational offerings. By engaging with community stakeholders and responding to their needs, the board helps to create an educational environment that is responsive and adaptive to the changing economic and social landscape. In essence, the board's governance and advocacy are essential in ensuring that community colleges can fulfill their mission of providing inclusive, affordable, and high-quality education to all.

### **7. How does the board's role differ from that of the chancellor?**

The board's role differs significantly from that of the chancellor in both scope and function within the two community colleges. The board of trustees is primarily responsible for setting the strategic direction and policies that guide the institutions. They oversee the governance framework, establish broad goals, and ensure accountability to the public. Their duties include approving budgets, setting academic standards, and making decisions on major initiatives and resource allocations. The board acts as a collective body that represents the community's interests and provides oversight to ensure that the colleges adhere to their mission of delivering accessible and quality education.

In contrast, the chancellor's role is more operational and managerial. The chancellor serves as the chief executive officer of the community college district, responsible for implementing the board's policies and strategic directives. This role involves day-to-day administration, including managing faculty and staff, overseeing academic programs, and ensuring that the colleges operate efficiently and effectively. The chancellor is also tasked with executing the board's vision, providing leadership, and addressing the immediate needs of the colleges. By focusing on the practical aspects of running the institutions, the chancellor ensures that the strategic goals set by the board are translated into tangible outcomes and successes for students.

### **OVERVIEW**

With the passing of Assembly Bill (AB) 104 (Chapter 13, Stats. 2015) on July 1, 2015, the Legislature provided the \$500 million to the California Adult Education Program formerly known as the Adult Education Block Grant (AEBG) to the California Community Colleges Chancellor's Office (CCCCO) to jointly work with the California Department of Education (CDE) to expand and improve the delivery of educational services to adult learners across the state through the establishment of regional Consortia of educational providers.

Prior to AB 104, state oversight was also divided with the CDE responsible for K–12 adult education and the CCCCCO responsible for community college programs. Committed to ensuring the success of the regional adult education model, the CDE and the CCCCCO are now working together to monitor program progress, refine the accountability measures to be used for evaluating Consortia effectiveness, and build a comprehensive, sustainable model for providing career-focused regional adult educational opportunities that address California's diverse workforce needs.

Board Policy | 3430 Prohibition of Harassment

This policy prohibits District employees, students, and student organizations from engaging in unlawful discrimination and harassment including sexual misconduct. Allegations that an employee, student or student organization has violated the Discrimination and Harassment Policy will be resolved consistent with AP 3430: Prohibition of Harassment.

All forms of harassment are contrary to basic standards of conduct between individuals. State and federal law; and this policy prohibit harassment, and the District will not tolerate harassment. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of unlawful discrimination and harassment, including that which is based on any of the following statuses: race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, pregnancy, gender, gender identity, gender expression, age, sexual orientation, military and veteran status, or because an individual is perceived to have one or more of the foregoing characteristics. Sexual violence (e.g.: non-consensual sexual intercourse and non-consensual sexual contact) and interpersonal/relationship violence are always violations of the sex and gender-based discrimination and harassment policies and stalking often can be as well.

The District seeks to foster an environment in which all employees, students, unpaid interns, and volunteers feel free to report incidents of harassment without fear of retaliation or reprisal. Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of discrimination or harassment or for participating in a related investigation. Such conduct is illegal and constitutes a violation of this policy. The District will investigate all allegations of retaliation swiftly and thoroughly. If the District

determines that someone has retaliated, it will take all reasonable steps within its power to stop such conduct. Individuals who engage in retaliatory conduct are subject to disciplinary action, up to and including termination or expulsion.

The District recognizes that sex discrimination, including sexual harassment and violence, harms all students, undermines students' physical safety, impedes students' ability to learn, and can reinforce social inequality throughout a student's lifetime. The District has a responsibility to make reasonable efforts to respond effectively when sexual harassment is reported to, or observed by, District employees.

Any individual who believes that they have been harassed, discriminated against, or retaliated against in violation of this policy may report such incidents by following the procedures described in AP 3435. The District requires supervisors to report all incidents of discrimination, harassment and retaliation that come to their attention.

This policy applies to all aspects of the academic environment, including but not limited to admission, classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities and compensation.

To this end the Chancellor or designee shall ensure that the institution undertakes education and training activities to counter harassment and to prevent, minimize, or eliminate any hostile environment that impairs access to equal education opportunity or impacts the terms and conditions of employment.

The Chancellor or designee shall establish procedures that define harassment on campus. The Chancellor or designee shall further establish procedures for employees, students, unpaid interns, volunteers, and other members of the campus community that provide for the investigation and resolution of complaints regarding harassment and discrimination, and procedures to resolve complaints of harassment and discrimination. State and federal law and this policy prohibit retaliatory acts by the District, its employees, students, and agents.

The District will publish and publicize this policy and related written procedures (including the procedure for making complaints) to administrators, faculty, staff, students, unpaid interns, and volunteers, particularly when they are new to the institution. The District will make this policy and related written procedures (including the procedure for making complaints) available in all administrative offices and will post them on the District's website.

Employees who violate the policy and procedures may be subject to disciplinary action up to and including termination. Students who violate this policy and related procedures may be subject to disciplinary measures up to and including expulsion. Unpaid interns who violate this policy and related procedures may be subject to disciplinary measure up to and including termination from the internship or other unpaid work experience program.

Administrative Procedure | 3430 Prohibition of Harassment

Procedures for handling complaints of unlawful discrimination under title 5 sections 59300 et seq.

Introduction and Scope

The District is committed to providing a safe academic and work environment, that respects the dignity of individuals and groups, and is free of unlawful discrimination and harassment. This procedure defines discrimination and other forms of harassment on campus, and sets forth a procedure for the investigation and resolution of complaints of discrimination by or against any staff or faculty member within the District.

The District seeks to foster an environment in which all employees, students, unpaid interns, and volunteers feel free to report incidents of harassment without fear of retaliation or reprisal. This procedure, and the related policy, protects students and employees in connection with all the academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District's facilities, a District bus, or at a class or training program sponsored by the District at another location.

These are procedures for filing and processing complaints of unlawful discrimination at San Bernardino Community College District. These procedures incorporate the legal principles contained in nondiscrimination provisions of the California Code of Regulations, title 5, sections 59300 et seq. as well as other state and federal substantive and procedural requirements.

A copy of relevant procedures on unlawful discrimination will be displayed in a prominent location in the Office of Human Resources, San Bernardino Valley College President's Office, Crafton Hills College President's Office and other areas where notices regarding the institution's rules, regulations, procedures, and standards of conduct are posted.

#### Responsible District Officer

The San Bernardino Community College District has identified the Vice Chancellor Human Resources and Police Services to the State Chancellor's Office and to the public as the single District officer responsible for receiving unlawful discrimination complaints filed pursuant to title 5, section 59328, and for coordinating their investigation and resolution. Informal charges of unlawful discrimination should be brought to the attention of the Vice Chancellor Human Resources and Police Services, who shall oversee the informal resolution process pursuant to section 59327. The actual investigation of complaints may be assigned to other staff or to outside persons or organizations under contract with the District. Such delegation procedures will be used whenever the Vice Chancellor is named in the complaint or is implicated by the allegations in the complaint.

Administrators, faculty members, other District employees, and students shall direct all complaints of unlawful discrimination to the Vice Chancellor Human Resources and Police Services.

Authority: Cal. Code Regs., tit. 5, § 59324; 34 C.F.R. § 106.8.

#### Informal/Formal Complaint Procedure

(see Complaint Procedure Checklist at the end of the procedure)

When a person brings charges of unlawful discrimination to the attention of the Vice Chancellor of Human Resources and Police Services, ~~he/she~~ they will:

- Undertake efforts to informally resolve the charges;
- Advise the complainant that ~~he or she~~ they need not participate in informal resolution;
- Notify the person bringing the charges of ~~his or her~~ their right to file a formal complaint and explain the procedure for doing so;
- Assure the complainant that ~~he or she~~ they will not be required to confront, or work out problems with, the person accused of unlawful discrimination;
- Advise the complainant that ~~he or she~~ they may file a nonemployment-based complaint with the Office for Civil Rights of the U.S. Department of Education (OCR) where such a complaint is within that agency's jurisdiction.

If the complaint is employment-related, the complainant should also be advised that ~~he or she~~ they may file a complaint with the U.S. Equal Employment Opportunity Commission (EEOC) and/or the California Department of Fair Employment and Housing (DFEH) where such a complaint is within that agency's jurisdiction.

Efforts at informal resolution need not include any investigation unless the responsible District officer determines that an investigation is warranted by the seriousness of the charges. Selecting an informal resolution does not extend the

time limitations for filing a formal complaint. Efforts at informal resolution may continue after the filing of a formal written complaint, but after a complaint is filed an investigation is required to be conducted pursuant to title 5, section 59334, and will be completed unless the matter is informally resolved and the complainant dismisses the complaint. Even if the complainant does dismiss the complaint, the responsible district officer may require the investigation to continue if ~~he or she~~ **they** determines that the allegations are serious enough to warrant an investigation. Any efforts at informal resolution after the filing of a written complaint will not exceed the 90-day period for rendering the administrative determination pursuant to title 5, section 59336.

In employment-related cases, if the complainant also files with the Department of Fair Employment and Housing or with the U.S. Equal Employment Opportunity Commission, a copy of that filing will be sent to the State Chancellor's Office requesting a determination of whether a further investigation under title 5 is required. Unless the State Chancellor's Office determines that a separate investigation is required, the District will discontinue its investigation under title 5 and the matter will be resolved through the Department of Fair Employment and Housing or the U.S. Equal Employment Opportunity Commission.

The District will allow for representation where required by law and may allow for representation for the accused and complainant in other circumstances on a case by case basis.

Authority: Cal. Code Regs., tit. 5, §§ 59327, 59328, 59334, 59336, and 59339; NLRB v. Weingarten, Inc. (1975) 420 U.S. 251.

#### Filing of Formal Written Complaint

If a complainant decides to file a formal written unlawful discrimination complaint against the District, ~~he or she~~ **they** must file the complaint on a form prescribed by the State Chancellor. These approved forms are available from the District and also at the State Chancellor's website, as follows:

<https://www.cccco.edu/About-Us/Chancellors-Office/Divisions/General-Counsel/Programs/College-District-Discrimination->

#### Appeals

The completed form must be filed with the District representative or mailed directly to the State Chancellor's Office of the California Community Colleges. Complainants may contact the Vice Chancellor of Human Resources and Police Services for assistance in filling out the form, if necessary.

Once a complaint is filed, the individual(s) accused of engaging in prohibited discriminatory conduct shall be advised of that filing and the general nature of the complaint. This should occur as soon as possible and in a manner that is appropriate under the circumstances. The District will also advise the accused that an assessment of the accuracy of the allegations has not yet been made, that the complaint will be investigated, that the accused will be provided an opportunity to present ~~his/her~~ **their** side of the matter, and that any conduct that could be viewed as retaliatory against the complainant or any witnesses must be avoided.

Authority: Cal. Code Regs., tit. 5, §§ 59311 and 59328.

#### Threshold Requirements Prior to Investigation of a Formal Written Complaint

When a formal written complaint is filed it will be reviewed to determine if the complaint meets the following requirements:

- The complaint must be filed on a form prescribed by the State Chancellor's Office.
- The complaint must allege unlawful discrimination prohibited under title 5, section 59300.

## Administrative Procedure

### 3430 Prohibition of Harassment

- The complaint must be filed by one who alleges that ~~he or she has~~ **they have** personally suffered unlawful discrimination or by one who has learned of such unlawful discrimination in ~~his or her~~ **their** official capacity as a faculty member or administrator.
- In any complaint alleging discrimination in employment, the complaint shall be filed within 180 days of the date the alleged unlawful discrimination occurred, except that this period will be extended by no more than 90 days following the expiration of that 180 days if the complainant first obtained knowledge of the facts of the alleged violation after the expiration of 180 days.

Authority: Cal. Code Regs., tit. 5, § 59328.

#### Defective Complaint

If a complaint is found to be defective it will be immediately returned to the complainant with a complete explanation of why an investigation will not be initiated under California Code of Regulations, title 5, section 59300 et seq. The notice will inform the complainant that the complaint does not meet the requirements of section 59328, and shall specify in what requirement the complaint is defective. A copy of the notice to the complainant will also be sent to the State Chancellor's Office.

Authority: Cal. Code Regs., tit. 5, §§ 59328, 59332.

#### Administrative Determination

In any case not involving employment discrimination, within 90 days of receiving an unlawful discrimination complaint filed under title 5, sections 59300 et seq., the responsible District officer will complete the investigation and forward a copy of the investigative report to the State Chancellor, a copy or summary of the report to the complainant, and written notice setting forth all the following to both the complainant and the State Chancellor:

- the determination of the chief executive officer or ~~his/her~~ **their** designee as to whether there is probable cause to believe discrimination occurred with respect to each allegation in the complaint;
- a description of actions taken, if any, to prevent similar problems from occurring in the future;
- the proposed resolution of the complaint; and
- the complainant's right to appeal to the District governing board and to file a complaint with the Department of Fair Employment and Housing.

The District will keep these documents on file for a period of at least three years after closing the case, and make them available to the State Chancellor upon request.

The San Bernardino Community College District recognizes the importance of and is therefore committed to completing investigations and resolving complaints as quickly as possible, consistent with the requirements for a thorough investigation.

Authority: Cal. Code Regs., tit. 5, § 59336.

#### Complainant's Appeal Rights

Complainants have appeal rights that they may exercise if they are not satisfied with the results of the District's administrative determination. At the time the administrative determination and summary is mailed to the complainant, the responsible District officer or ~~his/her~~ **their** designee shall notify the complainant of ~~his or her~~ **their** appeal rights as

follows:

- First level of appeal: The complainant has the right to file an appeal to the District's governing board within 15 days from the date of the administrative determination. The District's governing board will review the original complaint, the investigative report, the administrative determination, and the appeal.
- The District's governing board will issue a final District decision in the matter within 45 days after receiving the appeal. Alternatively, the District's governing board may elect to take no action within 45 days, in which case the original decision in the administrative determination will be deemed to be affirmed and shall become the final District decision in the matter. A copy of the final decision rendered by the District's governing board will be forwarded to the complainant and to the State Chancellor's Office.

Complainants must submit all appeals in writing. Authority: Cal. Code Regs., tit. 5, §§ 59338 and 59339.

### Extensions

If for reasons beyond its control, the District is unable to comply with the 90-day or 150-day deadlines specified above for submission of materials to the complainant and the State Chancellor's Office, the Vice Chancellor of Human Resources and Police Services will file a written request that the State Chancellor grant an extension of the deadline. Where an extension is deemed necessary by the District, it must be requested from the State Chancellor regardless of whether the case involves employment discrimination. The request will be submitted no later than 10 days prior to the expiration of the deadlines established by title 5 in sections 59336 and/or 59340 and will set forth the reasons for the request and the date by which the District expects to be able to submit the required materials.

A copy of the request for an extension will be sent to the complainant, who will be advised that ~~he or she~~ **they** may file written objections with the State Chancellor within 5 days of receipt. The State Chancellor may grant the request unless delay would be prejudicial to the investigation. If an extension of the 90-day deadline is granted by the State Chancellor the 150-day deadline is automatically extended by an equal amount.

Authority: Cal. Code Regs., tit. 5, § 59342.

### Definitions

Definitions applicable to nondiscrimination policies are as follows:

Appeal means a request by a complainant made in writing to the San Bernardino Community College District governing board pursuant to title 5, section 59338, and/or to the State Chancellor's Office pursuant to title 5, section 59339, to review the administrative determination of the District regarding a complaint of discrimination.

Days means calendar days.

District means the San Bernardino Community College District or any District program or activity that is funded directly by

the state or receives financial assistance from the state. This includes the District Personnel Commission and any other organization associated with the District or its college(s) that receives state funding or financial assistance through the District.

Gender means sex, and includes a person's gender identity and gender related appearance and behavior whether or not stereotypically associated with the person's assigned sex at birth.

General Harassment is based on race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation of any person, military and veteran status, or the perception that a person has one or more of these characteristics is illegal and violates District policy. Harassment is found where a reasonable person with the same characteristics as the victim of the harassing conduct would be adversely affected to a degree that interferes with **his/her**/their ability to participate in or to realize the intended benefits of an institutional activity, employment, or resource.

Sexually harassing conduct can occur between people of the same or different genders. The standard for determining whether conduct constitutes sexual harassment is whether a reasonable person of the same gender as the victim would perceive the conduct as harassment based on sex.

For sexual harassment under Title IX, Complainants must proceed under BP 3433 Prohibition of Sexual Harassment under Title IX, AP 3433 Prohibition of Sexual Harassment under Title IX, and AP 3434 Responding to Harassment Based on Sex under Title IX. For other forms of sexual harassment or gender-based harassment, Complainants should use this procedure.

Gender-based harassment does not necessarily involve conduct that is sexual. Any hostile or offensive conduct based on gender can constitute prohibited harassment if it meets the definition above. For example, repeated derisive comments about a person's competency to do the job, when based on that person's gender, could constitute gender-based harassment. Harassment comes in many forms, including but not limited to the following conduct that could, depending on the circumstances, meet the definition above, or could contribute to a set of circumstances that meets the definition:

**Verbal:** Inappropriate or offensive remarks, slurs, jokes or innuendoes based on a person's race, gender, sexual orientation, or other protected status. This may include, but is not limited to, inappropriate comments regarding an individual's body, physical appearance, attire, sexual prowess, marital status, or sexual orientation; unwelcome flirting or propositions, demands for sexual favors, verbal abuse, threats or intimidation; or sexist, patronizing or ridiculing statements that convey derogatory attitudes based on gender, race, nationality, sexual orientation or other protected status.

**Physical:** Inappropriate or offensive touching, assault, or physical interference with free movement. This may include, but is not limited to kissing, patting, lingering or intimate touches, grabbing, pinching, leering, staring, unnecessarily brushing against or blocking another person, whistling or sexual gestures. It also includes any physical assault or intimidation directed at an individual due to that person's gender, race, national origin, sexual orientation or other protected status. Physical sexual harassment includes acts of sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion. Sexual violence refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol. An individual also may be unable to give consent due to an intellectual or other disability.

**Visual or Written:** The display or circulation of visual or written material that degrades an individual or group

based on gender, race, nationality, sexual orientation, or other protected status. This may include, but is not limited to, posters, cartoons, drawings, graffiti, reading materials, computer graphics, or electronic media transmissions.

Environmental: A hostile academic or work environment may exist where it is permeated by sexual innuendo; insults or abusive comments directed at an individual or group based on gender, race, nationality, sexual orientation, or other protected status; or gratuitous comments regarding gender, race, sexual orientation, or other protected status that are not relevant to the subject matter of the class or activities on the job. A hostile environment can arise from an unwarranted focus on sexual topics or sexually suggestive statements in the classroom or work environment. It can also be created by an unwarranted focus on, or stereotyping of, particular racial or ethnic groups, sexual orientations, genders or other protected statuses. An environment may also be hostile toward anyone who merely witnesses unlawful harassment in ~~his/her~~ **their** immediate surroundings, although the conduct is directed at other(s). The determination of whether an environment is hostile is based on the totality of the circumstances, including such factors as the frequency of the conduct, the severity of the conduct, whether the conduct is humiliating or physically threatening, and whether the conduct unreasonable interferes with an individual's learning or work.

Mental disability includes, but is not limited to, all of the following:

- Having any mental or psychological disorder or condition, such as mental retardation, organic brain syndrome, emotional or mental illness, or specific learning disabilities, that limits a major life activity. For purposes of this section:
  - Limits shall be determined without regard to mitigating measures, such as medications, assistive devices, or reasonable accommodations, unless the mitigating measure itself limits a major life activity.
  - A mental or psychological disorder or condition limits a major life activity if it makes the achievement of the major life activity difficult.
  - Major life activities shall be broadly construed and shall include physical, mental, and social activities and working.
- Any other mental or psychological disorder or condition not described in paragraph (1) that requires specialized supportive services.
- Having a record or history of a mental or psychological disorder or condition described in paragraph (1) or (2), which is known to the District.
- Being regarded or treated by the District as having, or having had, any mental condition that makes achievement of a major life activity difficult.
- Being regarded or treated by the District as having, or having had, a mental or psychological disorder or condition that has no present disabling effect, but that may become a mental disability as described in paragraph 1 or 2.

Mental disability does not include sexual behavior disorders, compulsive gambling, kleptomania, pyromania, or psychoactive substance use disorders resulting from the current unlawful use of controlled substances or other drugs.

Physical disability includes, but is not limited to, all of the following:

Quid Pro Quo sexual harassment occurs when a person in a position of authority makes educational or employment benefits conditional upon an individual's willingness to engage in or tolerate unwanted sexual conduct.

Responsible District Officer means the officer identified by the District to the State Chancellor's Office as the person responsible for receiving complaints filed pursuant to title 5, section 59328, and coordinating their investigation. ### Consensual Relationships

A “consensual relationship” is defined as one in which two individuals are involved by mutual consent in a romantic, physically intimate, and/or sexual relationship. This definition includes domestic partners and spouses.

Consensual Relationships Romantic or sexual relationships between supervisors and employees, or between administrators, faculty members, or staff members and students are discouraged. There is an inherent imbalance of power and potential for exploitation in such relationships. A conflict of interest may arise if the administrator, faculty member, or staff member must evaluate the student’s or employee’s work or make decisions affecting the employee or student. The relationship may create an appearance of impropriety and lead to charges of favoritism by other students or employees. A consensual sexual relationship may change, with the result that sexual conduct that was once welcome becomes unwelcome and harassing. In the event that such relationships do occur, the District has the authority to transfer any involved employee to eliminate or attenuate the supervisory authority of one over the other, or of a teacher over a student. Such action by the District is a proactive and preventive measure to avoid possible charges of harassment and does not constitute discipline against any affected employee.

### Ban on Certain Consensual Relationships with College Students

For purposes of this policy, “District/College employee” does not include student employees.

A consensual relationship that might be appropriate in other circumstances is prohibited when a District/College employee has responsibility for supervising, directing, overseeing, evaluating, advising, or influencing the employment or educational status of a student.

- Exception: There may be instances where a District/College employee is the only employee in the College that can provide a course or service to a person with whom they have a preexisting consensual relationship. Prior to supervising, directing, overseeing, evaluating, advising or influencing the employment or educational status of a student with whom they have a pre-existing consensual relationship, the College/District employee shall disclose this relationship to the appropriate College Vice President, or the appropriate Vice Chancellor (for employees that do not work at a College) and obtain their written approval. Additional controls, such as periodic review or providing additional oversight, shall be undertaken to prevent or detect problems.

### Confidentiality of the Process

Investigative processes can best be conducted within a confidential climate. Therefore, the District does not reveal information about such matters except as necessary to fulfill its legal obligations.

Potential complainants are sometimes reluctant to pursue a complaint if their names will be revealed. The inability to reveal the name of a complainant or facts that are likely to reveal the identity of the complainant can severely limit the ability of the District to respond. Complainants must also recognize that persons who are accused of wrongdoing have a right to present their side of the matter, and this right may be jeopardized if the District is prohibited from revealing the name of the complainant or facts that are likely to disclose the identity of the complainant.

If a complainant insists that ~~his or her~~ **their** name not be revealed, the responsible officer should take all reasonable steps to investigate and respond to the complaint consistent with the complainant's request as long as doing so does not jeopardize the rights of other students or employees.

It is also important that complainants and witnesses understand the possibility that they may be charged with allegations of defamation if they circulate the charges outside of the District's process. In general, persons who are

participating in a District investigative or disciplinary process that is related to a charge of discrimination are protected from tort claims such as defamation. However, persons who make allegations outside of these processes or who discuss their claims with persons outside of the process may expose themselves to tort charges. Complainants, witnesses, and those accused of discrimination will all be asked to sign a confidentiality acknowledgement statement.

Where an investigation reveals the need for disciplinary action, the complainant may wish to have information about what disciplinary actions the District took. However, the privacy rights of the persons involved often prevent the District from providing such information. In student disciplinary actions for sexual assault/physical abuse charges, Education Code section 76234 provides that the victim shall be informed of the disciplinary action, but that the victim must keep the information confidential.

Disciplinary actions taken against employees are generally considered confidential.

#### Notice, Training, and Education for Students and Employees

The San Bernardino Community College District's Vice Chancellor of Human Resources and Police Services shall make arrangements for or provide training to employees and students on the District's unlawful discrimination policy and procedures. Faculty members, members of the administrative staff, and members of the support staff will be provided with notice of online access to the District's written procedure on unlawful discrimination at the beginning of the first semester of the college year each time the procedure is revised.

All District employees will receive this training and a copy of the unlawful discrimination policies and procedures during the first year of their employment. Because of their special responsibilities under the law, supervisors will undergo mandatory training within six months of assuming a supervisory position and annually thereafter. In years in which a substantive policy or procedural change has occurred all District employees will attend a training update and/or receive a copy of the revised policies and procedures.

#### Academic Freedom

The San Bernardino Community College District Governing Board reaffirms its commitment to academic freedom, but recognizes that academic freedom does not allow any form of unlawful discrimination. It is recognized that an essential function of education is a probing of opinions and an exploration of ideas that may cause some students discomfort. It is further recognized that academic freedom ensures the faculty's right to teach and the student's right to learn. Finally, nothing in these policies and procedures shall be interpreted to prohibit bona fide academic requirements for a specific community college program, course or activity.

When investigating unlawful discrimination complaints containing issues of academic freedom San Bernardino Community College District will consult with a faculty member appointed by the Academic Senate with respect to contemporary practices and standards for course content and delivery.

No provision of this Administrative Procedure shall be interpreted to prohibit conduct that is legitimately related to the course content, teaching methods, scholarship, or public commentary of an individual faculty member or the educational, political, artistic, or literary expression of students in classrooms and public forums. Freedom of speech and academic freedom are, however, not limitless and this procedure will not protect speech or expressive conduct that violates federal or California anti-discrimination laws.

The District recognizes that sex discrimination, including sexual harassment and violence, harms all students, undermines students' physical safety, impedes students' ability to learn, and can reinforce social inequality throughout a student's lifetime.

All forms of sexual harassment are contrary to basic standards of conduct between individuals. State and federal law and this policy prohibit sexual harassment and the District will not tolerate sexual harassment. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation including acts of sexual violence. The District has a responsibility to make reasonable efforts to respond effectively when sexual harassment is reported to, or observed by, District employees.

The District seeks to foster an environment in which all employees, students, applicants for employment, and applicants for admission feel free to report incidents of sexual harassment in violation of this policy and Title IX, without fear of retaliation or reprisal. Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of sexual harassment in violation of this policy and Title IX or for participating, or refusing to participate, in a sexual harassment investigation. The District will investigate all allegations of Title IX retaliation swiftly and thoroughly. If the District determines that someone has retaliated, it

will take reasonable steps within its power to stop such conduct. Individuals who engage in Title IX retaliatory conduct are subject to disciplinary action, up to and including termination or expulsion.

Any employee, student, applicant for employment, or applicant for admission who believes ~~he/she/they~~ **have has** been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in AP 3434 Responding to Harassment Based on Sex under Title IX. The District requires supervisors to report all incidents of harassment and retaliation that come to their attention.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities, and compensation.

To this end, the Chancellor shall ensure that the institution undertakes education and training activities to counter sexual harassment and to prevent, minimize, or eliminate any hostile environment that impairs access to equal education opportunity or impacts the terms and conditions of employment.

The Chancellor shall establish procedures that define sexual harassment on campus. The Chancellor shall further establish procedures for employees, students, and other members of the campus community that provide for the investigation and resolution of complaints regarding sexual harassment in violation of this policy, and procedures to resolve complaints of sexual harassment in violation of this policy. State and federal law and this policy prohibit retaliatory acts against all participants by the District, its employees, students, and agents.

The District will publish and publicize this policy and related written procedures (including the procedure for making complaints) to administrators, faculty, staff, students, applicants for employment, and applicants for admission, particularly when they are new to the institution. The District will make this policy and related written procedures (including the procedures for making complaints) available in all administrative offices and will post them on the District's website.

Employees who violate the policy and procedures may be subject to disciplinary action up to and including termination. Students who violate this policy and related procedures may be subject to disciplinary measures up to and including expulsion. Volunteers or unpaid interns who violate this policy and related procedures may be subject to disciplinary measure up to and including termination from the volunteer assignment, internship, or other unpaid work experience program.

Any student, following a final decision of residence classification by the Admissions Office, may make written appeal to the Vice President of Student Services within 30 calendar days of notification of final decision by the college regarding classification.

Copies of the original application for admission, the residency questionnaire, and evidence or documentation provided by the student, with a cover statement indicating upon what basis the residence classification decision was made, must be forwarded with the appeal.

The Vice President of Student Services shall review all the records and have the right to request additional information from either the student or the Admissions Office.

Within 30 calendar days of receipt, the Vice President of Student Services shall send a written determination to the student. The determination shall state specific facts on which the appeal decision was made.

#### Reclassification

A student previously classified as a non-resident may be reclassified as of any residence determination date. A residence determination date is that day immediately preceding the opening day of instruction for any session during which the student proposes to attend.

## Administrative Procedure

### 5015 Residence Determination

San Bernardino Community College District | P&P Chapter Lead Recommendation 5/15/2024

Petitions are to be submitted to the Admissions Office.

Petitions must be submitted prior to the semester for which reclassification is to be effective. Extenuating circumstances may be considered in cases where a student failed to petition for reclassification prior to the residency determination date. In no case, however, may a student receive a non-resident tuition refund after the date of the first census.

Written documentation may be required of the student in support of the reclassification request.

A questionnaire to determine financial independence must be submitted with the petition for reclassification. Determination of financial independence is not required for students who were classified as non-residents by the University of California, the California State University, or another community college district (Education Code Section 68044).

A student shall be considered financially independent for purposes of residence reclassification if the applicant meets all of the following requirements:

- Has not and will not be claimed as an exemption for state and federal tax purposes by his/her/their parent in the calendar year prior to the year the reclassification application is made;
- Has not lived and will not live for more than six weeks in the home of his/her/their parent during the calendar year the reclassification application is made.

A student who has established financial independence may be reclassified as a resident if the student has met the requirements of Title 5 Sections 54020, 54022, and 54024.

Failure to satisfy all of the financial independence criteria listed above does not necessarily result in denial of residence status if the one year requirement is met and demonstration of intent is sufficiently strong.

Financial dependence in the current or preceding calendar year shall weigh more heavily against finding California residence than financial dependence in the preceding second and third calendar years. Financial dependence in the current or preceding calendar year shall be overcome only if (1) the parent on whom the student is dependent is a California resident, or (2) there is no evidence of the student's continuing residence in another state.

The Vice President of Student Services will make a determination, based on the evidence and notify the student not later than 14 days of receipt of the petition for reclassification.

Students have the right to appeal according to the procedures above.

#### Non-Citizens

The District will admit any non-citizen who is 18 years of age or a high school graduate.

The employment of relatives in the same facility, department, division, office or line of supervisory authority can cause serious problems in the workplace which adversely affect productivity, morale, confidentiality, safety, security, and create conflicts of interest. The employment of relatives can also adversely impact the nature of the necessary working relationships between supervisors and employees and between co-employees. Additionally, these problems adversely affect the public trust and confidence in the fairness and efficiency of the employment policies and operations of the District.

~~These adverse effects are caused, in part, by real or perceived favoritism, scheduling conflicts, personal conflicts and hostility in the work place, claims of partiality in providing or awarding favorable working conditions, promotions, transfers or assignments, the compromise or suspected compromise of confidential or privileged information or records, alteration or destruction of records, or the suspected or actual loss or destruction of District property or financial assets. Board Policy | 2200 Board Duties and Responsibilities

The Board of Trustees governs on behalf of the citizens of the District in accordance with the authority granted and duties defined in Education Code Section 70902.

The Board is committed to fulfilling its responsibilities to:

- Act as a unit
- Represent the common good
- Set policy direction
- Employ, support, and evaluate the chief executive officer
- Define policy standards for college operations
- Monitor institutional performance
- Create a positive climate
- Support and advocate the interests of the institution

## Board Policy

# 2200 Board Duties and Responsibilities

San Bernardino Community College District | P&P Chapter Lead Recommendation | 5/13/2024

- Lead as a thoughtful, educated team

In addition, each Board member accepts the following responsibilities to:

- Work as a member of the board unit
- Make being a trustee a priority
- Understand their role and the colleges' roles
- Know the community and represent its best interests
- Be visionary and thoughtful
- Support the colleges' pursuit of their missions
- Act with integrity and respect
- Use influence effectively
- Avoid conflicts of interest
- Assure the Board operates in an open, accessible, welcoming spirit, and maintains an anti-racist culture
- Establish policies that ensure the District operates in anti-racist manner

In addition, the Board of Trustees is committed to fulfilling its roles and responsibilities in the following ways:

- Act as a Unit – The board as a whole is a corporate body. It governs as a unit, with one voice. Each trustee contributes ~~his or her~~ **their** talents, skills, and backgrounds to the board but has no power or authority to act on ~~his or~~ **their** own to further individual agendas or direct college employees or operations. Individual trustees do not make commitments for the board to constituents, nor do they criticize or work against board decisions once they are made.
- Boards of trustees exist to represent the general public for whom they hold the colleges in trust. They are responsible for balancing and integrating the wide variety of interests and needs into policies that benefit the common good and the future of their region. Trustees should learn as much as they can about the communities they serve. Representing the public means considering multiple viewpoints and discussing the issues in public.
- Set the Policy Direction – Policy is defined as a set of broad statements that define the institutional mission and vision as well as acceptable practices to achieve them. Governing boards provide guidance to the Chancellor and administration of the colleges through their policies. Visionary boards are aware of broad values and diverse needs—they gain this knowledge through the work they do to learn about and communicate with many different groups.
- Employ, Evaluate and Support the Chancellor – One of the essential factors for successful governance is a good relationship between the board and the Chancellor. ~~He or she is~~ **They are** the primary agent of the board and is the single most influential person is creating an outstanding institution. Selecting, evaluating, and supporting the Chancellor are among the board's most important responsibilities. This paradoxical relationship works best when there are clear, mutually agreed on expectations and role descriptions. The partnership thrives on open communication, confidence, and trust.
- Define Policy Standards for College Operations – Successful boards of trustees establish policies that set standards for quality, ethics, and prudence in college operations, including the following:
  - Educational Programs and Services – The colleges' educational programs and services are guided by the policy direction set by the board. The board adopts policies that set standards for student achievement and how students should be treated. At its discretion, Program Review or other evaluations processes may be addressed in board policy.
  - Personnel and Human Resources – The board will establish policies that ensure the District and Colleges attract and retain high quality personnel and that hiring, evaluation, and dismissal procedures are legal, equitable, and

clear. Policies and budgets should create an expectation for professional development and growth. The board will define standards for salaries and benefits, and collective bargaining processes.

- Fiscal Health and Stability- The board is responsible for ensuring that the public's money is spent wisely and well. It will set policy standards for the use of public funds. Policy will address budgets, expenditures and protection of assets. The board will adopt a budget based on its support of progress toward the educational goals of the colleges.
- Create a Positive Climate – The board sets the tone for the entire District. Through their behavior and policies, they establish a climate in which learning is valued, and professional growth is enhanced. The importance of student success and adding value to the community are of utmost importance. The board creates a positive climate by focusing on the future, acting with integrity, supporting risk taking, and challenging the Chancellor and college staff to strive for excellence.
- Monitor Institutional Performance – The board is responsible for holding the Chancellor and the Colleges accountable for serving current and future community learning needs. The board, through the Chancellor, will monitor adherence to board policy standards for programs, personnel, and fiscal and asset management. All monitoring processes culminate in the evaluation of the Chancellor as the institutional leader.
- Support and be Advocates for the Colleges – Trustees promote the college in the community and seek support for it from local, state, and national policymakers.
- Lead as a Thoughtful, Educated Team- Each trustee will function as a part of the team, by being well informed, and committed to working with each other. Trustees will speak openly for their points of view during decision making processes and then will support the position of the board.

#### Administrative Procedure | 2410 Board Policies and Administrative Procedures

The Policies and Procedures Advisory Committee (PPAC) to the Chancellor's Council is charged with updating, creating, developing, and systematically reviewing Board Policies (BP)/ Administrative Procedures (AP), also known as Policies and Procedures (P&P). This task is accomplished through a cyclical schedule which begins each academic year. The process is intended to:

- Efficiently allow for regular evaluation of policies and procedures.
- Provide faculty, staff, and students an opportunity to express opinions, and give those opinions every reasonable consideration.
- Ensure the right of academic senates to assume primary responsibility for making recommendations in the areas of curriculum and academic standards.

### I. STARTING POINT

- Policies & Procedures are incorporated into the *Review Schedule* in one of three ways: *Annual Review*, *Legal Updates*, or *Other Requests*.
- Policies & Procedures are reviewed in pairs, when applicable, to ensure the AP supports the direction outlined in the BP.
- BPs require Board approval. APs are submitted to the Board for informational purposes; however, the Board may direct revisions of any APs judged to be inconsistent with BPs.
- The Chancellor's designee facilitates this process.

### A. Annual Review

The Board will receive a list annually and prioritize the policies that need to be reviewed. Prior to the start of each academic year, the Chancellor's designee will take the necessary steps to initiate review of 10% of SBCCD's P&Ps, including:

1. Identify appropriate P&Ps for review.
2. Work with Academic Senate Presidents to determine which P&Ps fall under 10+1.

## Administrative Procedure

# 2410 Board Policies and Administrative Procedures

3. Notify Chapter Leads responsible for review.
4. Develop a timeline.
5. Present a *Review Schedule* to PPAC in September.
6. Maintain and publish the *Review Schedule* on PPAC webpage throughout the year.
- 7.

### B. Legal Updates

SBCCD keeps current with changes in law or accreditation standards through a subscription to the Community College League of California. This service issues periodic legal updates which promote regulatory compliance and familiarity with industry best practices. Legal updates do not need Board review prior to going through the process.

Upon receipt of a Legal Update, the Chancellor's designee will take the necessary steps to initiate review of affected P&Ps, including:

1. Add P&Ps to the Review Schedule.
2. Work with Academic Senate Presidents to determine which P&Ps fall under 10+1.
3. Notify Chapter Leads responsible for review.

### C. Other Requests

Other requests for P&P review may be Chapter Lead-initiated, or come from a trustee, a staff member, or a student. All such requests should be submitted to the Chancellor's designee who will take the necessary steps to initiate review, including:

1. Add P&Ps to the Review Schedule.
2. Work with Academic Senate Presidents to determine which P&Ps fall under 10+1.
3. Notify Chapter Leads responsible for review.

## II. CHAPTER LEAD REVIEW & RECOMMENDATION

Chapter Leads are the responsible "owners" of SBCCD P&Ps. These individuals are charged with reviewing and making recommendations based on general correctness and operational feasibility, including alignment with current practices, legal considerations, mandates, etc. SBCCD Chapter Leads are listed in the Definitions section of AP 2410.

- Chapter Leads receive requests to review P&Ps, and/or suggestions to revise P&Ps, from the Chancellor's designee.
- Chapter Leads are encouraged to collaborate with appropriate constituent groups before making a recommendation to PPAC. ALL P&Ps designated 10+1 will use Academic Senate as the primary recommending body.
- Chapter Leads return a recommendation to the Chancellor's designee based on the outcome of the review (i.e., reviewed with no change, reviewed with minor revisions, reviewed with content change, suggested deletion, etc.)
- The Chancellor's designee assigns the recommendation a rating of *Level 1 | Info Only*, *Level 2 | Minor Review (Non 10+1)*, or *Level 3 | Extensive Review* and includes item on the PPAC agenda.

## III. CONSTITUENT FEEDBACK TO FINAL APPROVAL

Constituent feedback is collected through the appointed PPAC representatives and reviewed at committee meetings. The *Review Schedule* is posted on the PPAC webpage, and a report of PPAC activity is sent districtwide to keep all SBCCD employees informed.

Board Policy | 3420 Equal Employment Opportunity

The Board of Trustees supports the intent set forth by the California Legislature to assure that effort is made to build a community in which opportunity is equalized, and community colleges foster a climate of acceptance, with the inclusion of faculty and staff from a wide variety of backgrounds. It agrees that diversity in the academic environment fosters cultural awareness, mutual understanding and respect, harmony and respect, and suitable role models for all students. An equitable and inclusive hiring process is essential to improve diversity, reduce barriers to employment, and allow potential applicants the opportunity to demonstrate that they meet or exceed the minimum qualifications for employment. The Board therefore commits itself to promote the total realization of equal employment through a continuing equal employment opportunity program. Equal employment opportunity includes not only a process for equal opportunity in hiring, but also practices and processes that create inclusive, respectful work environments.

The Chancellor shall develop, for review and adoption by the Board, a plan for equal employment opportunity that complies with the Education Code and Title 5 requirements as from time to time modified or clarified by judicial interpretation. The Chancellor shall develop hiring procedures driven by diversity, equity, and inclusion and consistent with the Board's intent described above.

#### Employment Procedures

An equitable and inclusive employment process is essential to improve diversity, reduce barriers to employment, and allow potential applicants the opportunity to demonstrate that they meet or exceed the minimum qualifications for employment. The District's employment procedures are driven by diversity, equity, and inclusion.

**Job Analysis and Validation:** The Vice Chancellor Human Resources and Police Services shall assure that a proper job analysis is performed for every job filled by the District to determine and validate the knowledge, skills, abilities, and characteristics an employee must possess to perform the job satisfactorily.

A statement of bona fide essential functions and minimum qualifications shall be developed for all positions.

**Job Description:** Every job description shall provide a general statement of job duties and responsibilities.

Job specifications shall include functions and tasks; knowledge; skills; ability; and job related personal characteristics, including but not limited to sensitivity to and understanding of the diverse academic, socioeconomic, cultural, linguistic, disability, and ethnic backgrounds of community college students.

**Recruitment:** Recruitment must be conducted actively within and outside of the District work force.

Open recruitment is mandated for all new full-time and part-time positions, except under limited circumstances involving interim hires.

Recruitment must utilize outreach strategies designed to ensure that all qualified individuals are provided the opportunity to seek employment with the District.

Recruitment for administrative and faculty positions (full and part-time) may include advertisement in appropriate professional journals, job registries and newspapers of general circulation; distribution of job announcements to the EEO Registry, K-12 districts,

two and four year colleges, and graduate schools where appropriate candidates might be enrolled; recruitment at conferences, fairs, and professional meetings; notices to institutions and professional organizations.

Recruitment for classified positions shall include notice to all District personnel; notice to Employment Development Department; and advertising in area newspapers of general circulation.

Applicant Pools: The application for employment shall afford each applicant an opportunity to identify himself/herself voluntarily as to gender, ethnicity and, if applicable, ~~his/her~~ **their** disability. This information shall be maintained in confidence and shall be used only for research, validation, monitoring, evaluation of the effectiveness of the Plan, or as authorized by law.

After the application deadline has passed, the initial applicant pool shall be recorded and reviewed by the Vice Chancellor Human Resources and Police Services or designee. All initial applications shall be screened to determine which candidates satisfy job specifications set forth in the job announcement. The group of candidates who meet the job specifications shall constitute the "qualified applicant pool."

Once the qualified applicant pool is formed, the pool must again be analyzed. If the Vice Chancellor Human Resources and Police Services or designee finds that the composition of the qualified applicant pool may have been influenced by factors which are not job related, the District *shall* immediately, and before the selection process continues, consult with legal counsel to determine what, if any, corrective action is required by law.

Screening and Selection: Screening, selecting and interviewing candidates for all positions shall include thorough and fair procedures that are sensitive to issues of diversity. Procedures to be used must address or include that:

- Hiring procedures will be provided to the State Chancellor's Office on request.
- All tests conform to generally applicable legal standards for uniformity.
- A reasonable number of candidates are identified for interview.
- Screening and selection committees are developed that are representative of the District community and campus; include administrators, faculty, and classified staff members; include a diverse membership when possible; do not include applicants or persons who have written letters of recommendation.
- Every screening and selection committee includes an individual trained to monitor conformance with EEO requirements. The Vice Chancellor Human Resources and Police Services assures that the screening and selection process conforms to accepted principles and practices, including preparation of job related questions in advance; maintains records of screening checklists and rating scales, which shall be signed and kept on file; maintains notes for all interviews and record relevant factual reasons stating why a candidate was not hired or was not invited to interview; and monitors the hiring process for adverse impact.
- Selection shall be based solely on the stated job criteria.
- For faculty and administrative positions, candidates shall be required to demonstrate sensitivity to diversity in ways relevant to the specific position.

If the District determines that a particular monitored group is significantly underrepresented with respect to one or more job categories, the District shall take the following additional steps:

- review its recruitment procedures;
- consult with counsel to determine whether there are other, additional measures that may be undertaken that are required or permitted by law; and

# 3420 Equal Employment Opportunity

San Bernardino Community College District | P&P Chapter Lead Recommendation | 5/13/2024

- consider various other means of reducing the underrepresentation which do not involve taking monitored group status into account and implement any such techniques that are feasible.

If significant underrepresentation persists:

- review each locally-established job qualification to determine if it is job related and consistent with business necessity;
- discontinue the use of any non job-related local qualification;
- continue using job-related local qualifications only if no alternative standard is reasonably available; and
- consider the implementation of additional measures designed to promote diversity.

Delegation of Authority

- The designation of a single person as the "EEO Officer" charged with overseeing the day-to-day implementation of the EEO Plan and programs.
- Processes and responsibilities when the EEO Officer is named in a complaint or implicated by the allegations in a complaint.

Complaint Procedure

The District must identify to the public and to the State Chancellor's Office an individual described in Title 5 as the "responsible District officer," responsible for receiving complaints. Informal charges of unlawful discrimination should be brought to the attention of the responsible District officer. The responsible District officer shall oversee the informal resolution process. The actual investigation of complaints may be assigned to other staff or to outside persons or organizations under contract. An outside investigator must be used when the responsible District officer is named in the complaint or implicated by the allegations in the complaint.

When a person brings charges of unlawful discrimination the officer must:

- Notify the complainant of the procedures for filing a formal complaint;
- Notify the complainant that ~~he/she~~ they may file a complaint with the Office of Civil Rights of the U.S. Department of Education.
- If the complainant, a student or an employee, files a formal complaint, the responsible District officer must also forward a copy of the complaint to the State Chancellor's Office.

A formal complaint not involving employment, must be processed if it is filed within one year of the date of the alleged unlawful discrimination or within one year of the date on which the complainant knew or should have known of the facts underlying the allegation.

A formal complaint alleging discrimination in employment must be filed within 180 days of the date of the alleged unlawful discrimination, unless the complainant first obtained knowledge of the facts of the alleged violation after the expiration of the initial 180 days.

The complaint must be filed by someone who alleges that ~~he/she~~ they have ~~has~~ personally suffered unlawful discrimination, or by someone who has learned about unlawful discrimination in ~~his/her~~ their official capacity.

*(Replaces current SBCCD BP 4025)*

*NOTE: This policy is legally required. The following philosophy is taken from Title 5 Section 55061, which is the policy of the Board of Governors and is provided only as an example. The District should define and insert its own philosophy and criteria.*

- From current SBCCD BP 4025 titled Philosophy and Criteria for Associate Degree and GE

Courses that are designated to fulfill the general education and depth requirements shall meet the following philosophy:

The awarding of an Associate degree is intended to represent more than an accumulation of units. It is to symbolize a successful attempt on the part of the college to lead students through patterns of learning experiences designed to develop certain capabilities and insights. Among these are the ability to think and to communicate clearly and effectively both orally and in writing; to use mathematics, to understand the modes of inquiry of the major disciplines; to be aware of other cultures and times; to achieve insights gained through experience in thinking about ethical problems, and to develop the capacity for self-understanding.

## Board Policy

# 4025 Philosophy and Criteria for Associate Degree and General Education

San Bernardino Community College District | P&P Chapter Lead Recommendation | 5/13/2024

In addition to these accomplishments, the student shall possess sufficient depth in some field of knowledge to contribute to lifetime interest.

Central to an Associate degree, general education is designed to introduce students to the variety of means through which people comprehend the modern world. It reflects the conviction of colleges that those who receive their degrees must possess in common certain basic principles, concepts and methodologies both unique to and shared by the various disciplines. College educated persons must be able to use this knowledge when evaluating and appreciating the physical environment, the culture, and the society in which they live. Most important, general education should lead to better self-understanding.

In establishing or modifying a general education program, ways shall be sought to create coherence and integration among the separate requirements. - The programs of the District are consistent with the institutional mission, purposes, demographics and economics of its community.
- The philosophy and criteria regarding the associate degree references the policy of the Board of Governors that the associate degree symbolizes a successful attempt to lead students through patterns of learning experiences designed to develop certain capabilities and insight, including:
  - the ability to think and communicate clearly and effectively in speaking and writing;
  - understand and use mathematics in everyday living;
  - understand the modes of inquiry of the major disciplines;

#### Board Policy | 4030 Academic Freedom

*(Replaces current SBCCD BP 4030)*

#### A. Introduction

The San Bernardino Community College District is committed to the principle that the free expression of ideas is essential to the education of its students and to the effective governance of its colleges. The District recognizes that academic and intellectual freedom is best protected by a system of tenure, academic due process, and policies and procedures that provide faculty, students, and classified employees with the opportunity to freely express themselves in any campus venue, from the classroom to the board room. The District further subscribes to the principle that the free expression of ideas should be limited only by the responsibility to express ideas with fairness, and in a manner that respects the differing ideas of others and distinguishes between established fact and theories and one's own opinion.

#### B. Rights of Academic Employees

Academic freedom shall be guaranteed to all academic employees. No special limitations shall be placed upon study, investigation, presentation, and interpretation of facts and ideas concerning human society, the physical and biological world, and other branches of learning, subject to accepted standards of professional responsibility. The right to academic freedom herein established shall include the right to support or oppose political causes, issues, and parties outside of normal classroom activities.

Academic employees are citizens, members of learned professions, and members of the institution. When academic employees speak or write as citizens, they should be free from institutional censorship or discipline, provided they clearly indicate they are not representing the institution.

## Board Policy

### 4030 Academic Freedom

San Bernardino Community College District | P&P Chapter Lead Recommendation | 5/13/2024

Academic freedom allows academic employees to seek and present the truth as they know it on problems and issues, subject to the accepted standards of professional responsibility, without fear of interference from administrators, the District Board of Trustees, governmental authorities, or pressure groups.

Although academic employees have the obligation to ensure that their classroom material meets the valid educational objectives of the course as stated in the approved Course Outline of Record, they are entitled to freedom in the classroom in presenting the subjects they teach and shall be free to select and use textbooks and materials that they deem appropriate to meet the stated learning outcomes for the course.

Academic employees are entitled to full freedom in their use of books, online sources, and internet sites and in the publication of the results of any research that may result from the use of these resources.

Academic employees may arrange for classroom lecturers or speakers to make presentations in regularly scheduled classes or groups of classes. The academic employees shall be responsible for the relevance of the lecturer or speaker's subject matter to the course.

#### C. Obligations of Academic Employees

Academic freedom requires that all academic employees establish and preserve an open learning environment at the college. No special limitations shall be placed upon students in their study, investigation, presentation, and interpretation of facts and ideas concerning human society, the physical and biological world, and other branches of learning, subject to accepted standards of academic responsibility. Students shall have the opportunity to study controversial issues and divergent views and to arrive at their own conclusions. Academic employees have an obligation to protect the student's right to freedom of inquiry even when the student's conclusions differ from those of the academic employees.

While students may represent without penalty any opinion in or out of class, they may be required to demonstrate knowledge of views contrary to their own in order to fulfill course requirements.

#### D. Libraries and Learning Resource Centers

Books and other library and learning resources materials selected and databases provided should be chosen for values of interest, information, and enlightenment of all the people of the community. In no case should library materials be excluded because of the race, nationality, social, political, or religious views of the authors. Libraries should provide materials and information presenting diverse points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.

Administrative Procedure | 4040 Library Services

Libraries in the San Bernardino Community College District provide instructional services and resources to support information literacy, supplement educational programs, and the mission of the District. Additionally, the libraries support the professional, personal, and intellectual development of students, faculty, and staff of the college communities.

The District supports the Standards and the Association of College & Research Libraries (ACRL) and the American Library Association's (ALA) Library Bill of Rights, and operates in accordance with the Education Code, Sections 78100, 78101, 78103 and Title 5, Section 51023.

ETHICAL AND PROFESSIONAL CONSIDERATIONS FOR ACQUISITIONS AND COLLECTION MANAGEMENT  
STATEMENT OF ETHICS

Overarching acquisition guidelines are based on the following tenets from the American Library Association's Library Bill of Rights:

- Books and other library resources should be for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.
- Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.
- Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.
- Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.

COLLECTION MANAGEMENT

Collection management is required by the standards of the Accrediting Commission of California Junior and Community Colleges (ACCJC), a branch of the Western Association for Schools and Colleges (WASC) Accreditation Commission. These standards are the means by which the Library is tasked to provide an organized collection of print and non-print resources that will meet institutional, curricular research, and instructional requirements, as well as supporting the development of the lifelong habit of reading.

## Administrative Procedure

### 4040 Library Services

San Bernardino Community College District | P&P Chapter Lead Recommendation | 5/13/2024

Under the supervision of the appropriate administrator, faculty librarians will utilize their collection management training and skills to ensure that the cultural and personal enrichment needs of the college community are met through the development and maintenance of library collections which best fulfill the above-stated requirements.

Broad objectives for selection of educational materials include:

- To provide materials that enrich and support the curriculum
- To provide materials that will stimulate growth in factual knowledge
- To provide a background of broad-based information resources to empower students to make informed judgments in their daily lives
- To provide materials representative of the diversity of the District, and
- To place library ethics above personal opinion and prejudice in the selection of materials.

As a measure of adequacy the library shall review its collection against the recommended lists of materials for community college libraries, professional journals in all disciplines taught at the college, and current bibliographic publications, and assess, supplement, or withdraw materials from all areas as needed.

#### CHALLENGES TO MATERIALS

On occasion, a patron may question or challenge the suitability of an item or items found in the collection. On these occasions, the complainant will be reminded that it is the obligation of academic libraries to promote intellectual freedom. As such entities, district libraries will provide materials that promote free, open, and educational discussion of sometimes-controversial matters in order to prepare students to make informed decisions about challenges in their daily lives. It is the sole responsibility of the librarians and library administration to make final decisions concerning inclusion and exclusion of materials in the libraries' collections.

#### CIRCULATION SERVICES

**STUDENTS:** Currently-enrolled SBCCD students have free access to library materials and services both on campus and online during posted hours. Students utilizing library materials or services will be held responsible for them and overdue fines/replacement costs will apply. At each time of checkout, students must provide to staff their student identification number and a current photo I.D. for protection against identity theft. Certain library material and items must be used in the college library only.

**DISTRICT EMPLOYEES:** Currently-employed District employees may borrow materials from the circulating collections of the libraries. Standard loan periods and fines may apply. Library services are cancelled upon termination of employment.

**COMMUNITY MEMBERS and ALUMNI ASSOCIATION MEMBERS:** All are welcome to use the library facility, circulating books, and reference materials while in the building. Upon proof of residence in a college's service area and the verification of a valid email address, individuals over the age of 18 may borrow a limited number of items as defined locally by each campus, from the general circulating collection. An activation fee may apply and vary by location. Community and Alumni Association members are prohibited from use of the Library Computer Lab and may not check out Reserve and Textbook Bank materials, student computers, nor obtain remote access to databases, as these materials and services are reserved for the exclusive use of the colleges' students.

exemption applies, and will be taught with the rigor appropriate to college-level courses in accordance with the approved course outline.

To be considered for admittance as a special part-time student, the student must meet the eligibility standards as established in Education Code Sections 48800 and 76001.

### Definitions

**Dual Enrollment:** Dual enrollment refers to opportunities for high school or adult school students, or other eligible students, to enroll in community college courses as a special admit student and receive college credit while also obtaining credit for the enrollment at the student's high school or adult school.

**College and Career Access Pathways (CCAP) Dual Enrollment:** CCAP Dual Enrollment describes dual enrollment opportunities created by the passage of AB288 whereupon Community College Districts enter into partnerships with public schools to offer dual credit opportunities that promote seamless pathways from high school to community college for career technical education or preparation for transfer, improving high school graduation rates, or helping high school students achieve college and career readiness.

**Non-CCAP Dual Enrollment:** Non-CCAP Dual Enrollment refers to dual enrollment in courses not affiliated with a College and Career Access Pathways agreement; this may include Concurrent Enrollment, Middle College High School, Early College High School, and Adult Dual Enrollment programs.

**Middle College High School:** Middle College High School programs are secondary schools located on a college campus and offer programs designed to serve at-risk high school students who are performing below their academic potential.

**Early College High School:** Early College High Schools are innovative partnerships between charter or non-charter public secondary schools and local community colleges that allow students to earn a high school diploma and up to two years of college credit in four years or less.

**Adult Dual Enrollment:** Adult Dual Enrollment shall describe dual enrollment opportunities for special part-time adult students recommended for enrollment at the community college by an adult school pursuant to Education Code 52620. Students enrolled under these provisions are not eligible for CCAP Dual Enrollment.

**Special Part-Time or Full-Time Student:** Any minor student (any elementary, secondary, or home-schooled student) who attends community college courses during Fall or Spring Semesters and Summer Session(s) and meets certain eligibility standards. A special part-time student takes fewer than 12 units and a special full-time student takes 12 units or more. Dual enrollment students (see below) are a subset of special part-time or full-time students.

**Dual Enrollment and Concurrent Enrollment Student:** For purposes of this administrative procedure, the terms dual enrollment student and concurrent enrollment student are used interchangeably.

**Special Summer Part-Time or Full-Time Students:** To be considered for admittance as a special part-time or full-time student, the student must meet the eligibility standards as established in Education Code Sections 48800 and 76001. All special part-time and full-time students shall receive credit for the community college courses completed in the same manner as regularly enrolled community college students.

San Bernardino Community College District | P&P Chapter Lead Recommendation | 5/13/2024

### Admission Process

Admission is subject to seat availability and locally approved college policies for dual enrollment. High school transcripts, grade point average (GPA) and Social Security numbers are not prerequisites for eligibility and should not be used as a condition for student access to dual enrollment.

The student must submit:

- District application for admission.
- When parental or guardian consent is required to admit a student to a community college dual enrollment course, the consent obtained shall apply to all community college dual enrollment courses attempted by the student until parental or guardian consent is withdrawn in writing.
- Written and signed approval of their principal (NOTE: A parent or guardian of a pupil who is not enrolled in a public or private school may petition directly without the signature of a principal.)
- Demonstration that the student is capable of profiting from instruction.
- The director of admissions and records or designee has the authority to make the final decision on whether a student can benefit from instruction.

High School Students:

For students attending high school, the director of admissions and records or designee will review the materials, and will determine if the student has the abilities and sufficient preparation to benefit from instruction at a community college. The decision of the director of admissions and records or designee shall be final. This determination may be done by applying one or more of the following criteria:

- a review of the materials submitted by the student;
- meeting with the student and their parent or guardian;
- consultation with discipline faculty as needed;
- consideration of the welfare and safety of the student and others; and/or
- consideration of local, state, and/or federal laws.

Middle and Lower School Students:

For students attending middle and lower schools, the determination shall be made by director of admissions and records or designee. The school must provide a letter signed by the principal indicating how in their opinion the student can benefit from instruction. The director of admissions and records or designee will determine if the student has the abilities and sufficient preparation to benefit from instruction at a community college, and that the student's safety and that of others will not be affected. The decision of the director of admissions and records or designee shall be final. Once a decision has been made, the student and their parent or guardian shall be informed of the decision. This determination may be done by applying one or more of the following criteria:

- a review of the materials submitted by the student;
- meeting with the student and their parent or guardian;

- consultation with discipline faculty as needed;
- consideration of the welfare and safety of the student and others;
- consideration of local, state, and/or federal laws;
- review of the content of the class in terms of sensitivity and possible effects on the minor;
- requirements for supervision of the minor; and/or
- times the class(es) meet and the effect on the safety of the minor.

If a request for special part-time or full-time enrollment is denied for a pupil who has been identified as highly gifted, the Board shall provide written findings and reasons for the denial within 60 days. A recommendation regarding the request for admission, and the denial shall be submitted to the Board at a regularly scheduled meeting that falls at least 30 days after the request for admission has been submitted.

San Bernardino Community College District | P&P Chapter Lead Recommendation 5/13/2024

Colleges Chancellor's Office by accessing the following website:

<http://californiacommunitycolleges.cccco.edu/ComplaintsForm.aspx>

This procedure does not apply to:

- Student disciplinary actions, which are covered under separate Board Policies and Administrative Procedures.
- Police citations (i.e. "tickets"); complaints about citations must be directed to the County Courthouse in the same way as any traffic violation.

### Definitions

**Party** – The student or any persons claimed to have been responsible for the student's alleged grievance, together with their representatives. "Party" shall not include the Grievance Hearing Committee or the College Grievance Officer.

**Chancellor** – The Chancellor or a designated representative of the Chancellor.

**Student** – A currently enrolled student, a person who has filed an application for admission to the college, or a former student. A grievance by an applicant shall be limited to a complaint regarding denial of admission. Former students shall be limited to grievances relating to course grades to the extent permitted by Education Code Section 76224(a).

**Respondent** – Any person claimed by a grievant to be responsible for the alleged grievance.

**Day** – Unless otherwise provided, day shall mean a day during which the college is in session and regular classes are held, excluding Saturdays and Sundays.

### Informal Resolution

Each student who has a grievance shall make a reasonable effort to resolve the matter on an informal basis prior to requesting a grievance hearing, and shall attempt to solve the problem with the person with whom the student has the grievance, that person's immediate supervisor, or the local college administration.

Informal meetings and discussion between persons directly involved in a grievance are essential at the outset of a dispute and should be encouraged at all stages. An equitable solution should be sought before persons directly involved in the case have stated official or public positions that might tend to polarize the dispute and render a solution more difficult. At no time shall any of the persons directly or indirectly involved in the case use the fact of such informal discussion, the fact that a grievance has been filed, or the character of the informal discussion for the purpose of strengthening the case for or against persons directly involved in the dispute or for any purpose other than the settlement of the grievance.

### Formal Process

If informal resolution through discussion or mediation does not resolve the conflict, the student shall have the right to request a grievance hearing, in writing, to the Vice president of Student Services. The request for a hearing must be made within 180 calendar days of the incident being grieved.

The determination of whether the Statement of Grievance presents sufficient grounds for a hearing shall be based on the following:

- The statement contains facts which, if true, would constitute a grievance under these procedures;
- The grievant is a student as defined in these procedures, which include applicants and former students;
- The grievant is personally and directly affected by the alleged grievance;
- The grievance was filed in a timely manner;
- The grievance is not clearly frivolous, clearly without foundation, or clearly filed for purposes of harassment.

If the grievance does not meet each of the requirements, the Vice president of Student Services shall notify the student in writing of the rejection of the Request for a Grievance Hearing, together with the specific reasons for the rejection and the procedures for appeal. This notice will be provided within *five* days of the date the decision is made.

If the Request for Grievance Hearing satisfies each of the requirements, the Vice president of Student Services shall schedule a grievance hearing. The hearing will begin within *ten* days following the decision to grant a Grievance Hearing. All parties to the grievance shall be given not less than *five* days notice of the date, time and place of the hearing.

## Administrative Procedure

# 5530 Student Rights and Grievances

San Bernardino Community College District | P&P Chapter Lead Recommendation 5/13/2024

### Grievance Hearing

The formal grievance hearing will be scheduled within 10 days (during which the college is in session) of receipt of the request.

The grievance hearing committee will be composed of the following:

- One student appointed by the Student Senate president.
- One faculty member appointed by the Academic Senate president if the grievance is against a faculty member.
- One staff member appointed by the Classified Senate president if the grievance is against a staff member.
- Vice president of Student Services, who will chair the committee if the grievance is non-academic, or the Vice president of Instruction if the grievance is academic.

No person shall serve as a member of a Grievance Hearing Committee if that person has been personally involved in any matter giving rise to the grievance, has made any statement on the matters at issue, or could otherwise not act in a neutral manner.

Any party to the grievance may challenge for cause any member of the hearing committee prior to the beginning of the hearing by addressing a challenge to the chair, who shall determine whether cause for disqualification has been shown. If the chair feels that sufficient ground for removal of a member of the committee has been presented, ~~he/she~~they shall remove the challenged member or members and substitute a member or members from the panel described above. This determination is subject to appeal as defined below.

The chair will conduct the hearing. Possible protective measures that may be utilized include, but are not limited to, no-contact orders, remote participation during the hearing (telephone, videoconferencing, use of a privacy screen, etc.), separate waiting areas during hearing, safety escorts, and prohibitions against retaliation.

The members of the grievance hearing committee will be provided a copy of the grievance and any written response to the grievance.

Each party to the grievance may call witnesses and introduce oral and written testimony. Witnesses unable to be present may submit written statements.

Although the hearing is formal, rules of evidence do not apply as they would in a court of law.

Each party to the grievance will be permitted to make an opening statement; thereafter, the grievant will present evidence followed by the respondent.

The student may bring an advocate or attorney to the hearing provided the Vice President of Student Services is notified at least five calendar days in advance of the hearing. In the event the student serves notification that ~~he/she~~they will have representation, the respondent has the right to legal counsel and a right to receive notification that the student will have counsel present.

The hearing will be recorded, and the recording shall remain in the custody of the Vice president of Student Services. Any party to the grievance may request a copy of the recording.

Hearings shall be closed and confidential unless all parties request that they be open to the public. Any such request must be made no less than three calendar days prior to the date of the hearing. In a closed hearing, witnesses will testify and be excused.

The grievance hearing committee will recommend a resolution of the grievance after listening to all of the participants. The committee will inform the student and the respondent in writing about its recommendation within 10 days of the hearing. The decision shall be based only on the record of the hearing, and not on matter outside of that record. The record consists of the original grievance, any written response, and the oral and written evidence produced at the hearing.

Within five days following the close of the hearing, the Grievance Hearing Committee shall prepare and send to the President a written decision. The recommendation shall include specific factual findings regarding the grievance. The recommendation shall also include relief afforded to the student, if any.

Within five days following receipt of the Grievance Hearing Committee's decision and recommendation(s), the President shall send to all parties ~~his/her~~their written decision, together with the Hearing Committee's decision and recommendations. The Chancellor may accept or reject the findings, decisions and recommendations of the Hearing Committee. The factual findings of the Hearing Committee shall be accorded great weight; and if the President does not accept the decision or a finding or recommendation of the Hearing Committee, the President shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the President shall be final, subject only to appeal as provided below

### Appeals

## Administrative Procedure

### 5530 Student Rights and Grievances

San Bernardino Community College District | P&P Chapter Lead Recommendation 5/13/2024

The student may appeal the recommendation of the grievance hearing committee by writing to the president within 10 calendar days of being notified of the grievance hearing committee's recommendation. The president will send the student a final decision in writing within 10 calendar days of receiving the appeal.

Any appeal relating to a Grievance Hearing Committee decision that the Statement of Grievance does not present a grievance as defined in these procedures shall be made in writing to the president within *five* days of that decision. The president shall review the Statement of Grievance and Request for Grievance Hearing in accordance with the requirements for a grievance provided in these procedures, but shall not consider any other matters. The Chancellor's decision whether or not to grant a grievance hearing shall be final and not subject to further appeal.

Any party to the grievance may appeal the decision of the president after a hearing before a Grievance Hearing Committee by filing an appeal with the Chancellor. The Chancellor may designate a District administrator to review the appeal and make a recommendation.

Any such appeal shall be submitted in writing within five days following receipt of the Chancellor's decision and shall state specifically the grounds for appeal.

The written appeal shall be sent to all concerned parties. All parties may submit written statements on the appeal.

### 6300 Fiscal Management

San Bernardino Community College District | P&P Chapter Lead Recommendation 5/13/2024

#### B. Internal Controls

To provide adequate internal controls, it is necessary for certain procedures to be followed at the operating level designed to prevent errors from occurring. The work of an employee is verified by the work of another, each working separately and independently. One employee should not have control of a complete financial transaction that includes authorizing the transaction, receiving, disbursing, recording and/or posting the transaction. Instead, different employees should participate at various stages in the transaction so that each will arrive at the same result independently and, without unnecessary duplication of work, verify the accuracy of the work of others. Such a division of duties provides a procedure whereby errors of omission or commission, whether intentional or unintentional, will be minimized.

#### ACCOUNTS RECEIVABLE

##### A. Types of Accounts Receivable:

1. Receivables from students
2. Sponsored third party receivables
3. Receivables from other District funds
4. Employee receivables

##### B. Controls

1. Access to the accounts receivable ledger is controlled by a security code.
2. Each entry to the accounts receivable ledger file is supported by documentary evidence.
3. All invoices are pre-numbered and all numbers are accounted for.
4. Subsidiary ledgers are balanced regularly.
5. Postings are made by someone other than those having access to incoming receipts.
6. Statements are mailed in a timely manner by someone other than the bookkeeper or cashier.
7. All non-cash credits such as credit memos, allowances, or bad debts are properly authorized.
8. Holds are placed on student records for students who have a financial obligation to the District.
9. An SBCCD invoice will be prepared for all transactions where an obligation to the District is incurred.
10. A copy of the invoice is kept in the Fiscal Services Department until the remittance is received.
11. All accounts receivable remittances will be sent to the Campus Business Office on campus or to the Fiscal Services Department in the District Office.
12. Accounting staff must be notified of any collection so that it can be applied against the outstanding invoice.
13. The collection of cash receivables should be handled as an ordinary cash transaction according to cash receipting procedures.

##### C. Student Loans

1. All student loan transactions will be accounted for through subsidiary ledgers.
2. Billing functions should be separated from collection functions and general ledger postings.

## Administrative Procedure

### 6300 Fiscal Management

costs and provide for adequate documentation to support costs charged to federal awards. The District does earn or keep any profit resulting from federal financial assistance, unless expressly authorized by the terms and conditions of a federal award.

For federal awards, costs:

1. Are necessary, reasonable for the performance of the federal award, and allocable,
2. Conform to any limitations or exclusions set forth in the federal award,
3. Are consistent with policies and procedures that apply to both federally financed and other activities of the District,
4. Are accorded consistent treatment,
5. Are determined in accordance with Generally Accepted Accounting Principles,
6. Are not included as a cost or used to meet cost sharing or matching requirements of any other federally financed program,
7. Are adequately documented.

In determining reasonableness of a given cost, the District assesses:

1. Whether the cost is of a type generally recognized as ordinary and necessary for the operation of the District or the proper and efficient performance of the federal award,
2. The restraints or requirements imposed by such factors as: sound business practices; arm's-length bargaining; federal, state and other laws and regulations; and terms and conditions of the federal award,
3. Market prices for comparable goods or services,
4. Whether the individuals concerned acted with prudence in the circumstances considering their responsibilities to the District, its employees, its students, the public, and the federal government.

The District does not charge any cost allocable to a particular federal award to other federal awards to overcome fund deficiencies, to avoid restrictions imposed by federal statutes, regulations, or terms and conditions of the federal awards, or for other reasons. However, this prohibition does not preclude the District from shifting costs that are allowable under two or more federal awards in accordance with existing federal statutes, regulations, or the terms and conditions of the federal awards.

The authority to contract includes the amendments, extensions or addendums. Contracts and/or agreements signed by any individual other than those authorized by the Board are not valid or binding on SBCCD. before any contract is executed by an authorized signatory.

Any unauthorized individual who signs a contract or agreement will be personally responsible for the value of the contract.

D. Supporting Documentation

Contracts submitted for consideration should be accompanied by a purchase requisition if appropriate. Contracts for construction, transportation, or large scale maintenance may require a certificate of liability insurance, certificate of Workers' Compensation coverage, permits, licenses, or bonds.

E. Contract Format/Negotiations

Business Services can provide assistance in developing a contract. Contracts must be prepared with great care and protect SBCCD in its dealings. Some contracts require negotiations as to the terms and conditions of the contract between SBCCD and the contracting agency. Many vendors use their own contract format that is always subject to review and/or modification by either party prior to execution.

F. Subsequent Changes to Contracts

Any change or alteration of a contract will be done in writing and the cost agreed upon between SBCCD and the contractor. SBCCD may authorize the contractor to proceed with performance of the change or alteration without the formality of securing bids, if the cost so agreed upon does not exceed the greater of the amount specified in Public Contract Code Section 20651 or 20655, whichever is applicable to the original contract, or ten percent (10%) of the original contract price.

G. Duration of Continuing Contracts for Services and Supplies

Continuing contracts for work or services furnished to SBCCD are not to exceed five (5) years. Contracts for materials and supplies are not to exceed three (3) years.

#### BID REQUIREMENTS – GOODS & NON-PROFESSIONAL SERVICES

- (ii.) Services (excluding construction services, professional services, insurance services, and work done by day labor or by force account pursuant to PCC Section 20655); and
- (iii.) Repairs, including maintenance as defined in PCC Section 20656, that are not public projects as defined in PCC Section 22002(c).

II. Bid Limits

If a contemplated expenditure is less than the formal bid limit set annually by the Board of Governors, please refer the purchasing procedures in AP 6330 titled *Purchasing*.

If a contemplated expenditure meets or exceeds the formal bid limit set annually by the Board of Governors, a formal bid, request for proposal, or other formal solicitation process must be utilized.

*NOTE: The formal bid limit is annually adjusted by the Board of Governors as required by PCC Section 20651(d);*

III. Bid Specifications

Bid specifications shall include a definite, complete statement of what is required and, insofar as practical, shall include pertinent details of size, composition, construction, and/or texture of what is specified, and minimum standards of efficiency, durability, and/or utility required of what is specified.

IV. Notice Calling for Formal Advertised Bids

Pursuant to PCC Section 20112, SBCCD shall publish at least once a week for two weeks in a newspaper of general circulation published within SBCCD or if there is no such paper, then in some newspaper of general circulation, circulated in the county, and may post on SBCCD's web site or through an electronic portal, a notice calling for bids or proposals, stating the work to be done or materials or supplies to be furnished and the time and place when bids will be opened.

## Administrative Procedure

### 6340 Bids and Contracts

San Bernardino Community College District | P&P Chapter Lead Recommendation 5/13/2024

Bid and contract forms shall be prepared and maintained by Business Services. All applicable statutory provisions and board policies shall be observed in preparation of the forms.

Business Services shall be responsible for insuring that the bid specifications are sufficiently broad to encourage and promote open competitive bidding.

All bid notices for work to be done shall contain an affirmative statement requiring compliance with Labor Code Sections 1775 and 1776 governing payment of prevailing wages and Labor Code Section 1777.5 governing employment of apprentices. All bid submissions shall contain all documents necessary to assure compliance with these California Labor Code Sections. Failure to provide such documentation shall cause any such bid to be deemed incomplete.

When required or determined to be appropriate, bids shall be accompanied by a certified or cashier's check, or bid bond, in the amount specified in the bid form, as a guarantee that the bidder will enter into contract and furnish the required contract bonds. When no longer required for the protection of SBCCD, any certified or cashier's check received shall be returned to the respective bidder.

Business Services shall make available to the prospective bidders bid forms with sets of specifications and drawings and shall provide a convenient place where bidders, subcontractors, and material personnel may examine the specifications and drawings.

Business Services shall provide an electronic copy of the plans and specifications and other contract documents to a contractor plan room service at no charge upon request from that contractor plan room.

When permitted, a deposit for sets of plans and specifications may be required and may be refunded when such documents are returned.

- All bids shall be opened publicly and bidder shall be given the opportunity to make record of the bids received.

- When formal bidding is required, the award of bid shall be presented to the Board along with a tabulation of the bids received in reasonable detail.
- Bid and contract awards shall be made to the lowest responsible bidder substantially meeting the requirements of the specifications. SBCCD reserves the right to make its selection of materials or services purchased based on its best judgment as to which bid substantially complies with the quality required by the specifications.
- For the purposes of bid evaluation and selection when the District determines that it can expect long-term savings through the use of life-cycle cost methodology, the use of more sustainable goods and materials, and reduced administrative costs, the District may provide for the selection of the lowest responsible bidder on the basis of best value pursuant to policies and procedures adopted by the governing board in accordance with this section.
- "Best value" means the most advantageous balance of price, quality, service, performance, and other elements, as defined by the Board of Trustees, achieved through methods in accordance with this section and determined by objective performance criteria that may include price, features, long-term functionality, life-cycle costs, overall sustainability, and required services.
- Conflict of Interest. Board members and employees of SBCCD are prohibited from participating in the bid evaluation and selection process if ~~he or she has~~ **they have** a relationship with or financial interest in any of the bidders. When a Bid Evaluation & Selection Committee is established, all members of the committee will be required to complete a disclosure form prior to participation in the bid evaluation and selection process. The Business Manager will collect and review all disclosure forms for potential conflicts of interest.

#### VI. Purchase without Advertising for Bids

## **SAN BERNARDINO COMMUNITY COLLEGE DISTRICT**

**TO:** Board of Trustees

**FROM:** Diana Z. Rodriguez, Chancellor

**REVIEWED BY:** Diana Z. Rodriguez, Chancellor

**PREPARED BY:** Kristina Hannon, Vice Chancellor of Human Resources, Payroll, Police Services, and Health and Safety Administration

**DATE:** July 11, 2024

**SUBJECT:** Workplace Violence Prevention Plan (WVPP)

### **RECOMMENDATION**

It is recommended that the Board of Trustees adopt the Workplace Violence Prevention Plan (WVPP) as presented.

### **OVERVIEW**

As a result of California Senate Bill 553 (SB 553), all employees that fall within the scope of California Labor Code (LC) 6401.7 and LC 6401.9, are required to establish, implement, and maintain an effective, written Workplace Violence Prevention Plan (WVPP) no later than July 1, 2024. The primary objective of the WVPP is to prevent and/or eliminate workplace violence as follows: (1) establish and maintain an effective WVPP; (2) provide a safe working environment; (3) establish policies, training, and communications to improve workplace violence prevention; and (4) provide written records of workplace violence incidents and investigations, in accordance with the WVPP.

Therefore, the SBCCD's WVPP was developed and implemented in a manner that is consistent with the SBCCD's obligations under Title IX of the Education Amendments of 1972 ("Title IX"), the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act ("Clery Act"), related policies and procedures, and as a standalone policy designed to work with the existing SBCCD Injury and Illness Prevention Program (IIPP), required by 8 CCR § 3203.

### **ANALYSIS**

SBCCD is committed to a culture of safety and violence prevention. These policies and procedures will bring positive changes to the workflow, business operations, and overall health and safety of SBCCD's employees.

### **SBCCD GOALS**

1. Eliminate Barriers to Student Access and Success
2. Be a Diverse, Equitable, Inclusive, and Anti-Racist Institution
3. Be a Leader and Partner in Addressing Regional Issues
4. Ensure Fiscal Accountability/Sustainability

**FINANCIAL IMPLICATIONS**

There are no financial implications associated with this board item; however, the lack of an WVPP could result in violations of California Labor Code 6401.9.

**SBCCD | Mission**

SBCCD positively impacts the lives and careers of our students, the well-being of their families, and the prosperity of our community through excellence in educational and training opportunities.

**SBCCD | Vision**

Inspiring possibilities for bright futures  
and a prosperous community

# Policy Statement

San Bernadino Community College District (SBCCD) is committed to creating and maintaining a work environment free from violence. Acts of violence, threats of violence, harassment, intimidation, and other disruptive behaviors will not be tolerated. Any person found to be involved in such behavior will be subject to disciplinary action, which may include termination from employment, and may also be subject to legal penalties.

The requirements for establishing, implementing, and maintaining an effective Workplace Violence Prevention Plan (WVPP) are contained in California Labor Code section 6401.9 and reference incorporation into California Labor Code section 6401.7 Injury and Illness Prevention Program (IIPP). SBCCD is establishing its Workplace Violence Prevention Plan as a standalone policy designed to work with the existing IIPP.

---

## Purpose

The purpose of the WVPP is to establish a zero-tolerance policy toward violence in the workplace, ensuring the safety and security of all individuals on the SBCCD's premises.

---

## Scope

This WVPP applies to all SBCCD employees, students, contractors, and visitors. It covers all forms of workplace violence outlined below.

---

## Employee Access to Written WVPP

SBCCD ensures that the WVPP shall be in writing and shall be available and easily accessible to employees, authorized employee representatives, and representatives of Cal/OSHA at all times. This will be accomplished by making copies of the WVPP available in person at the SBCCD Office of Safety & Risk Management and by publishing the WVPP publicly on the SBCCD website and making it available to the public for download.

# Definitions

**Workplace Violence (WV)** is defined by Cal/OSHA as any act of violence or threat of violence that occurs in a place of employment including, but not limited to, the following:

- An incident involving a threat or use of a firearm or other dangerous weapon, including the use of common objects as weapons, regardless of whether the employee sustains an injury.

## Four “Types” of Workplace Violence:

- **Type 2** - Workplace violence directed at employees by customers, clients, patients, students, inmates, or visitors.
- **Type 3** - Workplace violence against an employee by a present or former employee, or manager.
- **Type 4** - Workplace violence committed in the workplace by a person who does not work there, but has or is known to have had a personal relationship with an employee.

**Note: Workplace Violence does not include lawful acts of self-defense or defense of others.**

**Plan or WVPP** - The Workplace Violence Prevention Plan required by California Labor Code section 6401.9.

**Log** - The Workplace Violence Incident Log required by California Labor Code section 6401.9.

**Engineering controls** - An aspect of the built space or a device that removes a hazard from the workplace or creates a barrier between the employee and the hazard.

**Emergency** - Unanticipated circumstances that can be life threatening or pose a risk of significant injuries to employees or other persons.

**Serious injury or illness** - Any injury or illness occurring in a place of employment or in connection with any employment that requires inpatient hospitalization for other than medical observation or diagnostic testing, or in which an employee suffers an amputation, the loss of an eye, or any serious degree of permanent disfigurement, but does not include any injury or illness or death caused by an accident on a public street or highway, unless the accident occurred in a construction zone.

**Threat of violence** - Any verbal or written statement, including, but not limited to, texts, electronic messages, social media messages, or other online posts, or any behavioral or physical conduct, that conveys an intent, or that is reasonably perceived to convey an intent, to cause physical harm or to place someone in fear of physical harm, and that serves no legitimate purpose.

SBCCD Police will report all WV incidents to the Program Administrator or their Designee, in a timely manner and to facilitate a co-response when safe and feasible to do so.

---

## Non-Imminent Threats

---

It is encouraged that all non-immediate threats be reported to SBCCD Police and S&RM. Non-immediate threats may also be reported to managers.

---

## Anonymous Reporting

---

Anonymous Reporting of WV Incidents may be made through SBCCD's contractor, Lighthouse Services by:

- Calling the Compliance Hotline at **1-800-403-0436** (English) or **1-800-216-1288** (Spanish) or;
- By filing a report directly online at **<http://www.lighthouse-services.com/SBCCD>**.

# Incident Response

## Employer Reporting Responsibilities

As required by California Code of Regulations (CCR), Title 8, Section 342(a). Reporting Work-Connected Fatalities and Serious Injuries, SBCCD, through S&RM, will immediately report to Cal/OSHA any serious injury or illness (as defined by CCR, Title 8, Section 330(h)), or death (including any due to Workplace Violence) of an employee occurring in a place of employment or in connection with employment at SBCCD.

SBCCD has in place the following specific measures to handle actual or potential WV emergencies:

- Effective means to alert employees of the presence, location, and nature of WV emergencies through the SBCCD Emergency Notification System powered by RAVE.
  - <https://sbccd.edu/district-services/police-department/crime-prevention/emergency-preparedness.php>.
- SBCCD has evacuation or sheltering procedures. These plans are publicly available through the SBCCD Police Emergency Preparedness site at:
  - <https://sbccd.edu/district-services/police-department/crime-prevention/emergency-preparedness.php>.
- To obtain help from staff or law enforcement, employees have the following resources available:
  - Dial **911** in an emergency for SBCCD Police.
  - For non-emergency incidents that require a Police Response:
    - **Call (909) 384-4491** for **San Bernardino Valley College/Main District Office/EDCT**.
    - **Call (909) 389-3275** for **Crafton Hills College**.
  - Report non-emergency hazards through the SBCCD S&RM Site at:
    - <https://sbccd.edu/district-services/safety-risk-management/index.php>.
  - Any WV incident may be reported to any manager at any time or directly to S&RM.

## Protocol for Workplace Violence Incident Response

**Emergency Response** – Response by SBCCD Police to a report of WV. Police will respond in accordance with their existing policies and procedures. Upon securing the scene and determining the incident to be WV, SBCCD Police will notify the designated S&RM investigator in a timely manner.

**Initial Response by S&RM Investigator** – Upon receiving a report of a WV incident, the designated S&RM investigator, in coordination with SBCCD Police, will respond as soon as it is safe and practicable to ensure the safety and well-being of affected individuals and to initiate an investigation and documentation.

**Compliance and Legal Reporting** – S&RM will be responsible for making any required notifications to Cal/OSHA.

**Initiate Public Safety Procedures** – Utilize SBCCD Emergency Notification System powered by RAVE to initiate measures such as evacuation plans, sheltering plans, or other public safety measures in coordination with SBCCD Police, if needed, to prevent further escalation or injury. To learn more about the RAVE and evacuation or sheltering plans for your employment location, visit the following link:

<https://sbccd.edu/district-services/police-department/crime-prevention/emergency-preparedness.php>

**Initiate Documentation** – Record initial observations, date, time, location, and nature of incident.

---

## Investigating a Report of Workplace Violence

---

After the initial response, the S&RM investigator, under the direction of the Program Administrator or their Designee, will implement the following post-incident procedures:

- Coordinate with any investigation by the SBCCD Police Department and determine if a criminal investigation will be conducted.
- In potential criminal investigation of a WV incident, SBCCD Police will take the lead and communicate the results of that investigation, when appropriate and/or upon its conclusion, with the designated S&RM investigator.

Some WV incidents reported directly to S&RM or managers will not warrant a response from SBCCD Police. In these cases, the S&RM investigator will lead the investigation, which may include, but is not limited to, the following:

- Interview all parties involved, including witnesses and affected individuals.
- Review security footage of existing security cameras if applicable.
- Examine the workplace for violence risk factors associated with the incident, including any previous reports of inappropriate behavior by the subject.
- Document any engineering controls/failures that may have contributed to the incident.
- Document any work practice control failures.
- Collect any evidence appropriately, noting that SBCCD Police may need to re-engage their investigation.
- Determine the cause of the incident.
- Record the findings and ensure corrective actions are taken.
- Obtain any reports completed by law enforcement.
- Recommend further corrective action to the Program Administrator or their Designee to prevent similar incidents from occurring.

---

## Analysis

---

- Analyze the collected evidence, statements, and relevant documentation to determine the sequence of events, contributing factors, and any violations of policies or regulations.
- Consider if a Workplace Violence Restraining Order (WVRO) will be needed.
- Consult with law enforcement and legal when necessary.

---

## Document Findings

---

Prepare a comprehensive report summarizing the findings of the investigation, including a determination of whether WV occurred, corrective actions, and any factors contributing to the incident. Document who will be notified of findings and how they contribute to corrective actions – this may include a recommendation for the WVPP Review Committee to convene when WVPP changes may be appropriate. Finally, complete the Workplace Violence Incident Log.

---

## Corrective Action for Workplace Violence Incidents

---

WV incidents will be evaluated, and appropriate corrective action will be taken in a timely manner.

**Corrective Action may include, but is not limited to:**

- Mediation between parties involved.
- Disciplinary action against individuals found to be involved in violence.
- Criminal charges.
- Filing of Workplace Violence Restraining Orders (WVRO).
- Review of policies and procedures to identify any gaps or deficiencies that may have contributed to the incident.

- Update of the Risk Evaluation Report (RER) or current WVPP through the WVPP Review Committee.

Any disciplinary action taken against an employee will be undertaken in accordance with any existing SBCCD policies and procedures and any Collective Bargaining Agreement governing the terms of their employment.

## Workplace Violence Hazards

To report a WV Hazard, employees have the following resources available:

- Dial **911** in an emergency for SBCCD Police.
- For non-emergency hazards that still require a Police response: **Call (909) 384-4491 for San Bernardino Valley College/Main District Office/EDCT.**
- **Call (909) 389-3275 for Crafton Hills College.** Other non-emergency hazards that allow for a delayed response may be reported through the SBCCD S&RM Site at:
  - <https://sbccd.edu/district-services/safety-risk-management/index.php>.
- Any hazard may be reported to any manager, or directly to the office of S&RM at any time (**Appendix A**).

WV hazards will be evaluated and corrected in a timely manner and will be the responsibility of the Program Administrator or their Designee.

## Workplace Violence Hazards Immediate Actions

- If an imminent WV hazard exists that cannot be immediately abated without endangering employee(s), all exposed employee(s) will be removed from the situation except those necessary to correct the existing condition.
- Employees that are necessary to correct the hazardous condition will be provided with the necessary protection needed to conduct the work. This may include, but is not limited to, facilities employees who may be tasked with repairing the hazard, SBCCD Police as needed to keep the area clear, or S&RM employees as needed to document the hazard.
- Supplying safety equipment needed to perform their functions will be the responsibility of each employee's manager.
- Corrective actions to a violent hazard shall be documented. All corrective actions taken will be documented and dated on the appropriate forms.
- Corrective measures and use of engineering controls for WV hazards will be specific to a given work area.

## Violence Hazard Evaluation

Each hazard is different, and some may require a more immediate response than others. However, when addressing a reported hazard, the Program Administrator or their Designee will consider the following steps in assessing and correcting the hazard:

- Visit the hazard site, if safe to do so, and document with photos.
- Review any images provided by the individual who reported the hazard.
- Review the log to determine if the hazard has already contributed to violent incidents.
- Determine the hazard levels and priorities.
- Develop an action plan to mitigate the hazard or assess engineering controls already in place.
- Consider environmental design improvement.
- Compile findings and action plan into Risk Evaluation Report (RER).
- Continuous monitoring and review.
- Update RER following any incidents of WV if insufficiencies are observed and as needed.

- 
- Create and maintain feedback loops to obtain current hazard information.
  - Review RER annually during the review of the WVPP.
  - Ensure the RER meets legal and regulatory requirements for workplace safety and violence prevention.
- 

## Periodic Inspections

---

Periodic inspections of WV hazards will identify unsafe conditions and work practices. This may require assessment for more than one type of WV. Periodic inspections shall be conducted semi-annually and will be the responsibility of the Program Administrator or their Designee (**Appendix B**).

Inspections for WV hazards include assessing:

- The exterior and interior of the workplace for its attractiveness to robbers.
- The need for violence surveillance measures, such as mirrors and cameras.
- Procedures for employee response during a robbery or other criminal act, including our policy prohibiting employees, who are not Police Officers, from confronting violent persons or persons committing a criminal act.
- Procedures for reporting suspicious persons or activities.
- Effective location and functioning of emergency buttons and alarms.
- Posting of emergency telephone numbers for law enforcement, fire, and medical services.
- Whether employees have access to a telephone with an outside line.
- Whether employees have effective escape routes from the workplace.
- Whether employees have a designated safe area where they can go to in an emergency.
- Adequacy of workplace security systems, such as door locks, entry codes or badge readers, security windows, physical barriers, and restraint systems.
- Frequency and severity of threatening or hostile situations that may lead to violent acts by persons who are service recipients of our establishment.
- Employees' skill in safely handling threatening or hostile service recipients.
- Effectiveness of systems and procedures that warn others of actual or potential WV danger or that summon assistance (e.g., alarms or panic buttons).
- The use of work practices such as the "buddy" system for specified emergency events.
- The availability of employee escape routes.
- How well our establishment's management and employees communicate with each other.
- Access to and freedom of movement within the workplace by non-employees, including recently discharged employees or persons with whom one of our employees is having a dispute.
- Frequency and severity of employees' reports of threats of physical or verbal abuse by managers, or other employees.
- Any prior violent acts, threats of physical violence, verbal abuse, property damage, other signs of strain, or pressure in the workplace.

# Workplace Violence Incident Log Protocol

In accordance with California Labor Code section 6401.9 and SBCCD's WVPP, the recording and maintenance of a Workplace Violence Incident Log (LOG), are essential components of SBCCD's commitment to ensuring the safety and security of our employees.

## Recording of Workplace Violence Incidents

The following information shall be recorded in the LOG for each incident (**Appendix C**):

- Date.
- Time.
- Specific location of incident.
- Type/types of WV involved (from 4 Types of WV).
- Description of incident including the nature of the violence and any relevant contextual details.
- Post incident response actions and investigation.
- Findings of investigation.

The S&RM investigator completing the LOG will ensure that no personal identifying information (PII) is recorded or documented in the written LOG report. This includes information which would reveal identification of any person involved in a violent incident, such as the person's name, address, electronic mail address, telephone number, social security number, or other information that, alone, or in combination with other publicly available information, reveals the person's identity.

## Post Incident Recovery and Debrief

It is recommended that the Program Administrator, or their Designee, conduct a debrief session after a significant WV incident to evaluate the response and identify areas for improvement. The Program Administrator or their Designee may convene the WVPP Review Committee, as needed, to recommend WVPP updates based on lessons learned.

## Coordination with Outside Employers

All contractors engaging in work or business on SBCCD property, or engaging directly with SBCCD employees, will be responsible for adhering to the WVPP and will have appropriate training. If a SBCCD contractor is involved in a WV incident, the incident will be investigated and documented in one of the following ways:

- For WV incidents involving only contractors who are governed by their own employer's WVPP, the contractor's employer may conduct the inquiry and the S&RM investigator will obtain a copy of their LOG for their records.
- For WV incidents involving only contractors whose employer is not required to maintain a written WVPP, the SBCCD S&RM investigator will complete the inquiry and LOG in accordance with this plan.
- For WV incidents between a contractor and an SBCCD employee, the S&RM will conduct an inquiry, complete the LOG, and collect a copy of any LOG completed by the contractor's employer.

# Plan Review

## Workplace Violence Review Committee

The **Workplace Violence Prevention Review Committee** (the Committee) reviews and recommends revisions to this WVPP as provided below. The Committee shall convene and review the WVPP at least annually. Additionally, the Committee may be convened at the discretion of the Program Administrator or Designee when a deficiency in the WVPP is observed or becomes apparent, after a WV incident, and as needed at any other time.

At a minimum, the annual review will consist of evaluating the following:

- The language of the WVPP itself and the effectiveness of the WVPP.
- Any changes to the law related to the contents of the WVPP.
- Effectiveness of efforts to solicit employee input and engagement in implementing the WVPP.
- Review of the LOGs.

## Items to Consider for Plan Review

- Investigations of WV incidents.
- Investigations of alleged hazardous conditions or employee concerns.
- Written records of WV issues discussed at other SBCCD meetings/employee meetings.
- The effectiveness of security systems, including alarms, emergency response plans, and security personnel, if applicable.
- Records of hazard identification, evaluation and correction.
- Communications with employees regarding safety and health issues.
- Feedback on training programs provided in the WVPP.
- Form submissions and the SBCCD's internal site where employees can provide suggestions, feedback or concerns regarding the WVPP and/or violence on SBCCD property.

## Methods to Complete the Plan Review

The Program Administrator, or their Designee, shall ensure completion of the WVPP review by the Committee required by this section. The Program Administrator or Designee shall:

- Providing the WVPP and proposed revisions to the WVPP to employees and their authorized employee organization representatives at no cost before revisions are implemented and soliciting feedback from employees through SBCCD's website.
- Ensure periodic committee meetings are conducted at least annual, or as needed, as WV concerns arise.

Once any input from the employees is considered, proposed revisions will be approved by the Program Administrator, or their Designee.

# Communication

SBCCD is committed to ongoing communication about the WVPP to all employees through orientations, meetings, emails, trainings, and the SBCCD and Colleges websites. We encourage a culture of safety and respect where everyone shares responsibility for preventing WV.

We recognize that open, two-way communication between SBCCD and its employees about WV issues is essential to a safe and productive workplace. The following communication system is designed to facilitate a continuous flow of WV prevention information between management and employees in a form that is readily understandable by all employees, and consists of the following:

- New employee orientation will include WV prevention policies and procedures.
- WV prevention training programs.
- Regularly scheduled meetings and/or SBCCD-wide communications that address security issues and potential WV hazards.
- Effective communication between employees and managers about WV prevention and violence concerns. This will be accomplished through management training to incorporate violence concerns into regular employee counseling sessions.
- Posted and/or distributed WV prevention information will be available.
- Employees may report WV incidents, hazards, or concerns through the methods outlined in the “REPORTING” section of the WVPP. They may do so anonymously if they choose, and they may do so without fear of reprisal.
- Employees will not be prevented from accessing their mobile or other communication devices to seek emergency assistance, assess the safety of a situation, or communicate with a person to verify their safety. Employees’ concerns will be investigated in a timely manner, and they will be informed of the results of the investigation and any corrective action(s) to be taken.
- Employees involved in an incident will be notified via SBCCD email with a summary of the results of the investigation and any corrective action(s) taken. They will also be informed how they can obtain a copy of the completed LOG.
- When appropriate, the Program Administrator, or their Designee, will meet with specific groups of employees or departments to debrief an incident.

**REVIEWED BY:** Dr. Diana Z. Rodriguez, Chancellor

**PREPARED BY:** Heather M. Ford, Executive Administrative Assistant

**DATE:** July 11, 2024

**SUBJECT:** Consideration of Approval of Individual Memberships

### **RECOMMENDATION**

It is recommended that the Board of Trustees approve the attached list of individual memberships.

### **OVERVIEW**

The County of San Bernardino District Financial Services Division requires certification of Board minutes, that are in accordance with provisions of legal codes for the State of California, to pay invoices for memberships. Whenever possible, SBCCD purchases institutional memberships to be used districtwide. The individual requesting membership has reviewed, and confirms, the District does not currently subscribe to an institutional membership and the association to which they are requesting membership only offers Individual memberships. The memberships requested are related to job duties and functions to promote and advance our institutions and students.

### **ANALYSIS**

Education Code Section 35172 (d) Subscribe for membership for any school under its jurisdiction in any society, association, or organization which has for its purpose the promotion and advancement of public or private education. (e) Subscribe for membership in, or otherwise become a member of, any national, state, or local organization of governing boards of school districts or members thereof which has for its purposes the promotion and advancement of public education through research and investigation, and the cooperation with persons and associations whose interests and purposes are the betterment of the educational opportunities of the children of the state.

Education Code Section 35160.1 (a) The Legislature finds and declares that school districts, county boards of education, and county superintendents of schools have diverse needs unique to their individual communities and programs. Moreover, in addressing their needs, common as well as unique, school districts, county boards of education, and county superintendents of schools should have the flexibility to create their own unique solutions. (b) In enacting Section

35160, it is the intent of the Legislature to give school districts, county boards of education, and county superintendents of schools broad authority to carry on activities and programs, including the expenditure of funds for programs and activities which, in the determination of the governing board of the school district, the county board of education, or the county superintendent of schools are necessary or desirable in meeting their needs and are not inconsistent with the purposes for which the funds were appropriated. It is the intent of the Legislature that Section 35160 be liberally construed to affect this objective. (c) The Legislature further declares that the adoption of this section is a clarification of existing law under Section 35160.

### **SBCCD GOALS**

1. Eliminate Barriers to Student Access and Success
2. Be a Diverse, Equitable, Inclusive, and Anti-Racist Institution
3. Be a Leader and Partner in Addressing Regional Issues
4. Ensure Fiscal Accountability/Sustainability

### **FINANCIAL IMPLICATIONS**

Approving Transfers of Appropriations for the 2024-25 Fiscal Year

### **RECOMMENDATION**

It is recommended that the Board of Trustees adopt Resolution #2024-07-11-FS-01 Approving Transfers of Appropriations for the 2024-25 Fiscal Year.

### **OVERVIEW**

WHEREAS, by making these appropriation adjustments to actuals, the District will reflect a more realistic picture of actual spending patterns of funds; and

WHEREAS, the San Bernardino Community College District Board of Trustees has determined that additional income is assured in excess of the amounts previously budgeted and the timely posting of adjustments will keep each account up-to-date with accurate uncommitted balances;

**SUBJECT:** Consideration of Approval to Ratify Appointment of Members to the Citizens Bond Oversight Committee

**RECOMMENDATION**

It is recommended that the Board of Trustees ratify the following as members of the San Bernardino Community College District’s independent Citizens Bond Oversight Committee (CBOC) for Measures M and CC for a term of two years:

Candidate	Representative Group	Term Appointment
Guadalupe Camacho	Taxpayers	Appoint to Initial Term
Dexter Thomas	Foundation	Appoint to Initial Term

**OVERVIEW**

After a bond measure authorized under Proposition 39 is passed, State law requires that a district appoint an independent CBOC consisting of at least seven members to represent the community. SBCCD’s CBOC reviews the expenditures of Measure M and Measure CC funds.

All appointments to the CBOC are made by the Board of Trustees from applications submitted to SBCCD. Per the CBOC Bylaws, each member shall serve a term of two years, beginning on the July 1 immediately following the member's appointment by the Board. No member may serve more than three consecutive terms.

**ANALYSIS**

Upon appointment, each member will serve a term of two years, beginning on July 1, 2024. All candidates have indicated their willingness to comply with the Ethics Code contained in the CBOC Bylaws. Community members recommended for appointment are as follows.

- Guadalupe Camacho is proposed for appointment as the individual representing a taxpayers association. Guadalupe is a resident of Rialto and is a member for the San Bernardino Area League of Women Voters.
- Dexter Thomas is proposed for appointment as the individual representing a foundation. Mr. Thomas is a resident of San Bernardino and a Board member for the San Bernardino Valley College Foundation.

**SUBJECT:** Consideration of Approval to Award Bid #RFB-PMO 01-234 and Contract for Multi-Process Pipe Welding Systems

### **RECOMMENDATION**

It is recommended that the Board of Trustees award **Bid #RFB-PMO 01-234 for the purchase of Multi-process Pipe Welding Systems** to C.T.W.S LLC, of Riverside, California in the amount of \$319,198.85.

### **OVERVIEW**

To provide the latest technology and support the SBVC welding program curriculum, this procurement is for the purchase of Multi-process Pipe Welding Systems and Weld Test Stand Accessories. The result of the Bid provides the District with the best price for a one-time-only purchase that meets the required specifications.

### **ANALYSIS**

A Notice Inviting Bids was publicly advertised on March 25, 2024, and the SBCCD received three responsive bids. On April 9, 2024, the Project Team, consisting of one District staff member and two Construction Management team members, held a virtual meeting to review the bids for responsiveness. The lowest three bids were the following:

Vendor	Total Bid
C.T.W.S of Riverside, CA	\$319,198.85
Cameron Welding Supply of Stanton, CA	\$319,313.59
B&H International of Bakersfield, CA	\$387,241.38

An analysis of the bids received indicates that C.T.W.S LLC of Riverside, CA is the lowest responsive bidder.

**SUBJECT:** Construction Change Orders and Amendments – Bond Program

### **RECOMMENDATION**

It is recommended that the Board of Trustees ratify Master Services Agreements and Task Orders as indicated on the attached list.

### **OVERVIEW**

To support the Bond Program, SBCCD has created various shortlists of professional service consultants for specific pre-design, and engineering disciplines in accordance with the established Request for Qualifications process. These prequalified shortlists include:

- Architectural & Engineering
- California Environmental Quality Act/National Environmental Policy Act
- Civil Surveying
- Commissioning
- Division of the State Architect Inspector of Record
- Estimating
- Furniture, Fixtures, & Equipment (FF&E) Design, Procurement & Installation Coordination
- Geotechnical
- Hazardous Material Assessment
- Landscape Architecture
- Mechanical, Electrical, and Plumbing Engineering
- Special Inspection & Material Testing

As consulting firms are needed, Requests for Task Order Proposals are issued to the firms of each applicable shortlist. If selected, a Master Services Agreement with the chosen firm is executed, and the Task Order awarded.

### **ANALYSIS**

Requests for Task Order Proposals are issued to all prequalified professional services consultants within the related pool. Unlike construction contracts, which are awarded by low bid, professional consulting contracts are awarded based on best value.

Each proposal is assessed by a committee comprised of representatives from the Facilities Department, campus staff, program management team, and other District stakeholders as appropriate. A qualitative evaluation based on weighted criteria (including fee, technical approach, project experience, key personnel, and delivery schedule) is performed to determine which firm's proposal provides SBCCD with the best value for the Task Order.

1. Eliminate Barriers to Student Access and Success

3. Be a Leader and Partner in Addressing Regional Issues

Section 3401 et seq., and the San Bernardino Community College District, a tax supported community college district and instrumentality of the State of California ("GRANTEE"); and United States Department of Commerce, Economic Development Administration (EDA) ("LENDER").

### RECITALS

1. On May 15, 1998, the UNITED STATES OF AMERICA, acting by through the Secretary of Education, by David B. Hakola, Director, Federal Real Property Group, Office of Management, U.S. Department of Education, conveyed certain real property identified as being Parcel "N", Norton Air Force Base, consisting of approximately 4.44 acres with improvements at Norton Air Force Base, San Bernardino County, California ("Property"), to GRANTEE, by Quitclaim Deed ("Deed"). The Deed is recorded in the Official Records of the Office of the Recorder of the San Bernardino County, as Recorded Instrument No. 19980196382, and Correction Deed dated May 24, 2010, as Doc No. 2010-0215330. The Property is more particularly described on Pages 2 and 3 of the Deed, and page 1 of the Correction Deed.

2. The conveyance was made expressly subject to certain covenants and conditions subsequent contained in the Deed, which GRANTEE expressly assumed and agreed to observe and perform, including a requirement that the Property be used for educational purposes in accordance with the proposed program and plan GRANTEE set forth in its application and for no

other purposes. The Deed further requires that the GRANTEE not sell, resell, lease, rent, mortgage, encumber, or otherwise transfer any interest in any part of the Property except as GRANTOR may authorize in advance in writing.

The Deed further provides that in the event of breach of any of the conditions subsequent or in the breach of any other terms and covenants of the Deed, whether caused by the legal or other inability of GRANTEE, its successors and assigns, to perform any of the terms and conditions of the Deed, at the option of the UNITED STATES OF AMERICA, all right, title and interest in and to the Property shall, upon the recording by the UNITED STATES OF AMERICA of a Notice of Entry, pass to and become the property of the UNITED STATES OF AMERICA, which shall have an immediate right of entry thereon, and the GRANTEE, its successors and assigns, shall forfeit all right, title and interest in and to the Property and in and to any and all of the tenements, hereditaments, and appurtenances thereto.

3. GRANTEE desires to obtain grant funds from LENDER in the sum of \$3,000,000 to complete a renovation/construction project in furtherance of its educational purposes in accordance with the use of the Property by GRANTEE, and in order to permit the Property to be utilized as collateral to secure a first lien mortgage, requires the consent of the GRANTOR to the financing as well as the subordination of GRANTOR's rights and benefits which it may derive from a breach of the conditions in said Deed, including specifically the right of reversion and forfeiture, during the term of the mortgage given by GRANTEE to LENDER.

4. GRANTEE has obtained from LENDER for a grant in the amount of \$3,000,000, the proceeds of which will be used solely for a renovation/construction project on the Property in the furtherance of its educational use, and has received a loan commitment for the loan to be secured by a first mortgage recorded, in part, against the Property.

5. GRANTEE, acting through its Board of Trustees, has made application for the written consent of the GRANTOR for authorization to encumber the Property by a first mortgage to the Lender in order to complete said renovation/construction project for the aforesaid purposes

and for no other purpose.

Furthermore, GRANTEE, in return for GRANTOR's consent to the mortgage and subordination of GRANTOR's right of reversion and forfeiture, has agreed to assign GRANTEE's abrogation privileges, described in paragraph 15 of the Deed, to LENDER and LENDER agrees to accept the assignment of the GRANTEE's abrogation privileges.

6. The GRANTOR has determined that the encumbering of the Property, for the said purpose, is not contrary to the public interest, but rather complies and conforms with the use for which the Property was originally conveyed by the United States of America, is necessitated by exigent circumstances, and will further the use of the Property by the GRANTEE for the educational purposes for which it was conveyed.

GRANTOR has the power to provide consent on behalf of the United States of America to the granting of the mortgage lien by the GRANTEE to the LENDER. The General Services Administration on April 26, 2024 interposed no objection to this transaction.

## II. AGREEMENT

In consideration of one dollar, the mutual agreements contained herein and other good and valuable consideration, GRANTEE, LENDER, and GRANTOR, agree as follows:

7. GRANTOR hereby consents to and authorizes GRANTEE, subject to the agreements and understandings hereinafter set forth, to execute a first lien mortgage to LENDER to secure grant funding in the sum of \$3,000,000, to be issued by the LENDER to GRANTEE for the renovation/construction project on the Property in the furtherance of its educational use.

Furthermore, GRANTOR consents to the GRANTEE assigning GRANTEE's abrogation privilege contained in the Deed to LENDER.

8. Except as provided in Paragraph 9 below, GRANTOR, GRANTEE and LENDER expressly agree that the rights and benefits entitled to the GRANTOR in and to the Property by virtue of a breach of any of the conditions imposed in the Deed, shall be subordinate and junior

to all rights and powers which the LENDER acquired by virtue of the execution of the mortgage given by GRANTEE to LENDER in the amount of \$3,000,000.

9. GRANTOR reserves that right provided to it under Paragraph 20 of the Deed, which requires that all revenues and/or benefits, as determined by the GRANTOR, received as a result of any unauthorized sale, resale, lease, rental, mortgage, encumbrance or other transfer of any interest in any part of the Property shall be held in trust for the UNITED STATES OF AMERICA subject to the direction and control of the GRANTOR, and GRANTEE and LENDER agree by execution and acceptance of this Consent To Mortgage And Subordination Agreement that such rights are not assigned herein to LENDER nor subordinate and junior to those rights acquired by the LENDER by virtue of the execution of the mortgage given by GRANTEE to LENDER.

10. In the event that LENDER exercises its rights to foreclosure by virtue of rights acquired by this agreement or its mortgage, such foreclosure will be an abrogation of the Deed conditions and the LENDER will pay all money which is due and payable to the UNITED STATES OF AMERICA for the abrogation of the deed conditions contained in the Deed described in Paragraph 1 of this Agreement based upon the fair market value of the Property as of the date of this Consent To Mortgage and Subordination Agreement, which is agreed by GRANTOR, GRANTEE and LENDER to be \$\_\_\_\_\_. No other rights or interests may be granted to, or acquired by, any other party which in any manner would subordinate the interests of the United States of America without its prior written approval. If mortgage satisfaction and release of LENDER's interest occurs during the period of restricted usage for the Property described in Paragraph 1 of this Agreement, the original terms and conditions imposed shall be reinstated in full.

11. GRANTEE, LENDER and GRANTOR covenant and agree that in the event that GRANTEE fails to cure, as determined by GRANTOR, a breach of any of the conditions subsequent or a breach of any other terms and covenants of Deed, GRANTOR may require LENDER to abrogate the terms and conditions of the Deed as provided in Paragraph 10 above. GRANTOR shall give LENDER and GRANTEE thirty (30) days written notice of GRANTOR's

intent to require LENDER to abrogate. At its option, LENDER may alternatively release its lien interest in the Property in lieu of abrogation of the terms and conditions of the Deed.

12. GRANTEE further covenants and agrees that it shall continue to abide by all other conditions imposed in the aforesaid Deed with respect to educational use, approval of subsequent encumbrances, filing of utilization reports, abiding by the non-discrimination acts described in the Deed, and maintaining its non-profit status, except as permitted herein.

13. GRANTOR and GRANTEE hereto mutually agree that, except as provided in this Agreement, all the provisions of the Deed shall remain in full force and effect with respect to the Property, and the GRANTEE by its acceptance and recordation of this Agreement, reaffirms the unexpired agreements, conditions subsequent, and covenants.

IN WITNESS WHEREOF, the parties hereto have indicated their agreement to the provisions contained in this document by executing this Consent To Mortgage And Subordination Agreement the day and year first written above.

## SBVC FACULTY SPOTLIGHT DAVID SMITH

Professor David Smith has worn many hats since he started working 47 years ago, but being a math professor at San Bernardino Valley College is the one that fit him best. "This has been my most satisfying gig, no question," Smith said. "Many good semesters

here with a lot of students passing classes and taking good steps towards their dreams."

Smith enjoyed teaching at Christian schools, working as a writer for a daily Christian radio broadcast, and being an adjunct professor at Moorpark College. It was always his wish, though, to be a full-time math professor, and when a position opened at SBVC in 2009, Smith applied as fast as he could and was "so ecstatic" when he landed the job.

With 15 years of teaching at SBVC under his belt, Smith said he still "feels a glow when a young person calls me 'Professor.' I'm never quite sure I deserve that title, but have tried hard to live up to what it implies." He also gets a thrill when he sees "satisfaction on a student's face as they savor an unexpected success. Many come into my classroom assuming the worst, sure they will fail. And yes, some do! But many others absorb an explanation, and have a smile break forth as they abruptly get it."

Now, Smith is ready to start his next chapter. He is retiring from SBVC and moving back to Newbury Park with his wife, with plans to travel, help a local church, and possibly play bass or keyboards in a "geezer rock band." Smith has penned 10 love stories set in Bangkok, where he grew up, and a trilogy of spiritual time-travel stories, and said he also "might write one or two more books."

Smith is looking forward to what retirement will bring him, but will miss the "camaraderie with my math friends as well as many other sweet and generous staffers all across this campus," he said. "I've so much loved the Valley community and being a part of making a difference here."

## **SAN BERNARDINO COMMUNITY COLLEGE DISTRICT**

**TO:** Board of Trustees

**FROM:** Diana Z. Rodriguez, Chancellor

**REVIEWED BY:** Jose F. Torres, Executive Vice Chancellor

**PREPARED BY:** Lawrence P. Strong, Director of Fiscal Services

**DATE:** July 11, 2024

**SUBJECT:** General Fund Cash Flow Analysis

### **RECOMMENDATION**

This item is for information only and no action is required.

### **OVERVIEW**

The District's budget is a financial plan based on estimated revenues and expenditures for the fiscal year, which runs from July 1 through June 30. Cash refers to what is actually in the District's treasury on a day-to-day and month-to-month basis. District cash balances are reviewed regularly and monitoring the amount of cash available to meet financial obligations is a core responsibility of the Fiscal Services Department. Fiscal year forecasts are updated monthly using the most current actual revenue and expense data and any new guidance from the State. Attached is the restricted and unrestricted General Fund monthly cash flow analysis.

### **ANALYSIS**

As noted in the forecast, cash balances fluctuate throughout the year based on the amount and timing of actual and estimated revenues and expenses. The current cash estimate as of June 30, 2024, decreased \$251,342 to \$97,375,801 from the previous estimate of \$97,627,143. The cash balance remained relatively consistent with the previously projected amount with a small decrease caused by normal cash fluctuations.

### **SBCCD GOALS**

4. Ensure Fiscal Accountability/Sustainability

### **FINANCIAL IMPLICATIONS**

This analysis is an important part of ensuring sufficient cash is available to meet District needs.

**REVIEWED BY:** Diana Z. Rodriguez, Chancellor

**PREPARED BY:** Kristina Hannon, Vice Chancellor, Human Resources, Payroll, Police Services, and Health and Safety Administration

### **RECOMMENDATION**

This item is for information only.

### **OVERVIEW**

Per SBCCD Administrative Procedure 7110, in the case of short-term hourly/substitute and student employees, the Board has delegated the Chancellor or his/her designee as the authorizing agent for hire.

California Education Code section 88003 outlines the criterion for hiring an employee on a temporary basis. The length of temporary employment is less than 75% of the college year, which amounts to 195 working days. Types of temporary employment include:

- › Professional Expert: Districts can go outside the classified service when the scope of work is discrete, temporary, and requires expertise not available within the classified service. Requesting departments certify these by defining the project and identifying an end date for the project. Continued employment is contingent on continued demand and/or funding.
- › Short-Term: Districts can use short-term employees on a temporary basis to perform a service upon completion of which, the service, or similar services, will not be extended or needed on a continuous basis.
- › Substitute: Districts can employ substitute employees to fill in for a classified employee that is temporarily absent from duty, or if the district is recruiting to hire a vacant position.

### **ANALYSIS**

The attached list of Professional Expert, Short-Term, and Substitute Employees is certified to be in accordance with California Education Code section 88003.

## **SBCCD GOALS**

1. Eliminate Barriers to Student Access and Success
2. Be a Diverse, Equitable, Inclusive, and Anti-Racist Institution

## **FINANCIAL IMPLICATIONS**

The cost of employment for these employees is included in the appropriate 2023-2024 budgets.

## Crafton Hills College Celebrates Class of 2024 at Annual Commencement Ceremony

On May 21, graduates and their families gathered in the college's quad to celebrate CHC's class of 2024. President Kevin Horan

kicked off the event with his traditional selfie with the audience. Notable facts include:

The 806 graduates earned 787 degrees and 624 certificates.

- 333 graduates had a GPA of 3.5 or higher, with 75 achieving a 4.0.
- 16 graduates were military veterans.
- The class included a married couple, two sets of sisters, and a set of cousins.
- The youngest graduate was 16, and the oldest was 67-year-old Christine Bell-Beath, who delivered the student address.

Bell-Beath overcame a learning disability and speech impediment, inspired by Sia's song "Unstoppable," which she referenced

in her speech. "We have overcome a lot of obstacles to earn our degrees," she said. "We are what?... Unstoppable!"

The ceremony featured the presentation of degrees, the National Anthem by David Patino, and speeches by Academic Senate President Meridyth McLaren and Trustee Board Chair Stephanie Houston, who advised graduates to remember to use:

- Your head, to find your mission, passion, and purpose.
- Your heart, to reevaluate roadblocks while preserving your mission.
- Your hands, to help others.

## Crafton Hills College Fire Academy Graduates 33 New Firefighters Ready to Serve

Thirty-three graduates celebrated the 110th Fire Academy on May 17 at the Finkelstein Performing Arts Center. This Spring Academy was the first to train in the new Public Safety Building which opened in January.

The graduation featured traditions like unveiling a class plaque and paying tribute to those lost with a moment of silence and the playing of "Amazing Grace" on bagpipes.

Frederick Velez delivered the Cadet's address, sharing highlights and

encouragement. "Our academy's motto is 'Locked In,' representing our dedication," Velez said.

Six cadets received special awards:

- Academic Achievement Award: Christian Welcker
- Michael Orland Scholarship: Jose Ocha Jr.
- Most Inspirational Cadet Award: Ryan Trudeau
- Paul Lagace Hazmat Challenge Coin Award: Artine Zilifan and Tristian Rennie
- Instructor's Award: Erick Bruchhauser

## Crafton Hills College Students Celebrate Radiologic Technology Graduation at ARMC

Twenty-two months ago, eight CHC students began their journey at Arrowhead Regional Medical Center toward a career in radiologic technology. Initially strangers, they quickly bonded over their shared goal of completing the rigorous program.

"Today we gather to celebrate years of

hard work, dedication, and determination," announced Dr. Jennifer Bringhurst, director of ARMC's School of Radiological Technology, during the ceremony on June 6. "These graduates have faced challenges and triumphs, and today we honor their achievements."

Radiology Technology demands precision, compassion, and expertise. It transforms lives through diagnosing illnesses, guiding treatments, and providing peace of mind. Crafton partners with ARMC to teach cohorts of future radiologic technologists the fundamentals of diagnostic imaging examinations, including anatomy, patient positioning, examination techniques, equipment protocols, radiation safety, and patient care.

The intimacy of the small graduating class

allowed each student's unique background and traits to be celebrated. Graduate Andy Gollihar highlighted his classmates with recognition of attributes ranging from humor to cooking skills.

"I will miss you all," Gollihar said. "You're all going to be amazing radiologic technologists and create positive work environments." The following awards and scholarships were presented.

- Clinical Award: Marcus Stoddard
- Academic Award: Sara El-Sayed
- Beaver Medical Clinical Foundation Scholarship: Caitlin Svob
- Michael Scott Scholarship and Christi Hall Award of Excellence: Nathanael Righter

## CHC Celebrates EOPS, NextUP, CARE, CalWORKS, and Dreamers Graduates

The Class of 2024 will always have a friend in Crafton Hills College. This was the message at the EOPS, NextUP, CARE, CalWORKS, and Dreamers graduation on May 10. The

ceremony, themed after Disney/Pixar's "Toy Story," featured faculty and staff as "action figures" from "Ryker's Toybox."

"To our graduates, today is not the end of your story but a chapter in your ongoing journey," said Dr. LaTasha Hagler, associate dean of student services.

Crafton's EOPS, CARE, NextUP, CARE, CalWORKS, and Dreamers department supports first-generation, low-income, foster youth, and single-parent students. This year's 100 scholars include 74 graduates, 24 honors students, and seven with the highest distinction, like Brianne Flores

(business administration) and Cynthia De Los Santos (mathematics).

The ceremony honored professor T.L. Brink, and retiree, Tina Gimple and included inspiring remarks from Chief Royal Ramey, a former EOPS student who co-launched a nonprofit to help formerly incarcerated adults become firefighters.

"You will get to where you need to be," Ramey said. "Focus on what you can control and embrace the power of choice in shaping your destiny."

## Redlands Couple Shares Their Journey to Graduation from Crafton Hills College

George and Stephanie Renteria, graduated together from CHC as part of the class of 2024. Their story began when George noticed Stephanie's Instagram profile. Both were students at the College, so he reached out, and the rest is history.

They completed their associate degrees—Stephanie in social science and George in business administration. Realizing they were only a few credits shy of earning a

second AA degree in each other's majors, they took online classes to finish this next chapter.

CHC played a pivotal role in their love story. George, initially drawn to the college's beauty, found the place where he could "figure it all out." "We eventually started figuring it out together," Stephanie added.

## CHC Student Michelle Ly Presents Research at Stanford University

Michelle Ly represented the College's Honors Institute at Stanford University's Honors Research Symposium on Saturday, May 4. Her paper, ironically titled "I

Somewhat Matter," was one of 85 research papers chosen out of 241 submitted by student honors organizations at California community colleges. Ly's research analyzes perceptions of the College's racial diversity efforts correlated with course success rates of different racial and ethnic groups.

Ly has worked as a student research scholar at CHC's Office of Institutional Research and Planning (OIERP), under Dean Dr. Giovanni Sosa, who was her mentor for her project. When asked about what she considers the value of her research, she said she hopes it provides insight into CHC's campus climate regarding racial differences and contributes to its efforts to increase a sense of inclusion among its

diverse student groups.

She credits the CHC Honors Institute with giving her opportunities to develop her research skills and learn about the student research position in the OIERP. Being an honors student also helped her get accepted for transfer to UCLA.

Ly hopes to earn a bachelor's degree in cognitive science with a minor in statistics/data science. She enjoys working with data that provides understanding of the inner struggles common to underserved populations.

## Asian Pacific Islander Heritage Month Celebrates Diversity and Culture with Performances, Workshops, and Exhibits

This year's Asian Pacific Islander Heritage Month (APIHM) celebrated the rich diversity, perspectives, and histories within the Asian and Pacific Islander community. The opening ceremony at SBVC featured Vietnamese cuisine, a Siva Samoa performance by the Pasefika Student Union, and Taiko drumming by Taiko Mix.

Throughout the month, various events were held, including book and film discussions, a racial solidarity workshop, and presentations by CHC counselor Souts Xayapanthong, former Associate

Chancellor Dr. Pat Hayashi, actor Sam Puefua, local business Viva La Boba, and Lao poet Bryan Thao Worra. Additionally, there was an API history exhibit at the CHC Library and a paint-and-snack event for Taytayan mentors and mentees at SBVC.

The celebrations concluded with a closing event at Crafton Hills College, featuring cultural practitioner Nicole Kanahele-Stutz and the Lao dance troupe Dok Kulap.

## Col. David E. Raley was Dedicated to Serving his Country and Community

David E. Raley served as a U.S. Air Force pilot during the Viet Nam War. Later he was stationed at the Norton Airforce Base and, after retiring from military service, served as CEO of the base credit union.

David continued to serve his country and community as a Safety officer for the USAF, director of the Crafton Hills College Foundation (for 29 years), director of the San Bernardino Valley Water Conservation District, and patrolman for the Redlands Police Department's Citizen Volunteer Patrol.

David passed away after a short illness on June 2, at the age of 92. He and his wife of 60 years, Diane, an alumna of Crafton, are survived by their three children, eight grandchildren, and five great grandchildren.

David and Diane's children have established an endowed scholarship as a lasting tribute to their parents. Donations to the endowment will provide an annual scholarship for a student at Crafton Hills College.

## Crafton Hills College Champions Equity at GIA Summit: Transforming Policies for Student Success

On May 9, Crafton Hills College representatives from the Student Services team participated in the Growing Inland Achievement (GIA) Equity Summit, immersing themselves in reviewing and revising campus policies through an equity lens.

The group explored how institutional policies can drive equitable and sustainable transformation. They examined existing policies from a student perspective,

identifying barriers and deficit-language, and discovered strategies to design policies that promote equitable outcomes and boost student success.

The team will make recommendations for revising policies that affect students to help them overcome barriers to success.

## Dr. Ericka Paddock Honored with Centennial Award for Transformative Impact on Diverse Communities

On May 23, Ericka Paddock, associate dean of student services at Crafton Hills College was recognized by the University of Redlands for creating meaningful change in the lives of the diverse community she serves.

Paddock remarked, "It's an incredible honor to be recognized alongside all the other amazing recipients, who like me, are working hard to create more inclusive

and welcoming communities. Heartfelt gratitude to everyone who has supported and mentored me on my journey."

The Centennial award was presented to Paddock in a celebration to commemorate the 100th anniversary of the School of Education at the University of Redlands.

## CHC Psychology Club Shines at Western Psychological Association Conference

Twenty-one CHC Psychology Club students attended the Western Psychological Association conference in San Francisco, where two students presented. Students funded their trip through various fundraising activities.

Danielle Oh, one of the presenters, enjoyed seeing trending ideas in the field

of psychology. The experience helped her shape her future research direction and connect with peers from Cal State San Bernardino, where she will transfer in the fall.

## New Solar Farm Funded by Measure CC Goes Live

On May 31, Crafton Hills College officially went live with the 2.3 MW solar farm, moving the campus toward Net Zero Energy. This project, funded by Measure CC, reflects CHC's commitment to sustainability.

The solar farm, approved in October 2021, includes fixed tilt ground-mounted panels and Tesla Megapack battery storage. It is expected to save \$550,000 in the first year

and \$18 million over 25 years, with net savings of \$10.5 million.

These savings will be used to enhance student education. The taxpayer investment in Measure CC is providing a greener future and offers students firsthand experience with renewable energy systems at the college.

# President's Board of Trustees Report

The President's Monthly Report to the Board of Trustees, Campus & Community

Celebrating 99 Years of Community, Growth & Transformation

**JULY 2024**

## SBVC Sees 19% Enrollment Surge During Spring 2024 Semester

SBVC has experienced a significant enrollment increase in the spring semester of 2024, with 12,832 students registering for classes by the census date. This marks a 19% rise from the 10,754 students enrolled in the spring of 2023, and an even more substantial 31% increase from the 9,754 students in Spring 2022.

This remarkable growth can be attributed to the SBVC's "all-hands-on-deck" approach to enrollment management, with a campus-wide, coordinated effort to streamline scheduling, improve course offerings, as well as major investments in outreach, marketing, retention, and community relations efforts. These initiatives have not only drawn new students but also improved retention rates, ensuring that more students started or continued their education at SBVC this past spring.

"The substantial increase we see in our enrollment numbers is a direct reflection of the hard work and dedication of our classified professionals, faculty and administrators. Their commitment to outreach and student support has helped to foster a welcoming and engaging environment that resonates with both prospective and returning students," said Dr. Linda Fontanilla, Interim President of SBVC.

# SBCCD APIA Holds Inaugural Asian & Pacific Islander Grad

On April 29, SBVC buzzed with excitement and pride as it hosted the inaugural Asian & Pacific Islander Grad Luncheon. This landmark event, organized by the San Bernardino Community College District's Asian & Pacific Islander Association (APIA), celebrated the accomplishments of the Class of 2024, bringing together graduates and dignitaries from across the district.

Dozens of graduates, along with their families and friends, gathered to honor the hard work and perseverance that led to this milestone achievement. The luncheon included traditional Asian and Pacific Islander performances, adding a unique cultural touch to the festivities and providing an educational aspect that enriched attendee's understanding of the diverse cultures represented at the college.

Interim President Dr. Linda Fontanilla underscored the importance of such celebrations. "This luncheon is not just a celebration of academic achievements; it is a vital recognition of the cultural heritage that our students bring to our campus. It's essential for our graduates, faculty, and staff to see and celebrate this diversity, as it enhances our community and broadens our perspectives."

GOAL 2: BE A DIVERSE, EQUITABLE, INCLUSIVE, & ANTI-RACIST INSTITUTION

## Expanding Opportunities: SBVC's New Credit for Prior Learning Program

SBVC is proud to announce the launch of its new Credit for Prior Learning (CPL) program, designed to acknowledge and validate the diverse experiences and skills students acquire outside of conventional academic environments. This program enables students to earn college credits through various assessments that recognize prior learning from work, military service, or other educational pursuits.

The CPL program at SBVC offers several pathways for students to demonstrate their knowledge and competencies. These include standardized exams such as CLEP and DSST, evaluations of military training as per the American Council on Education (ACE) recommendations, and assessments of workplace and other training that align with college-level coursework. Additionally, the program considers learning from licenses and certifications that match SBVC's curriculum, providing a streamlined process to translate professional achievements into academic credit.

Students interested in the CPL program can benefit significantly by accelerating their educational journey, potentially saving on tuition and reducing the time required to graduate. This program not only supports students who have taken non-traditional routes to education but also emphasizes the college's commitment to diversity and inclusion in educational opportunities. For more detailed information about the CPL program and to start the application process, please visit the SBVC CPL webpage at [www.valleycollege.edu/cpl](http://www.valleycollege.edu/cpl).

# SBCCD Appoints Dr. Gilbert J. Contreras 15th President of San Bernardino Valley College

The San Bernardino Community College District is pleased to announce the appointment of Dr. Gilbert J. Contreras as the next president of San Bernardino Valley College. This appointment, made by Chancellor Diana Z. Rodriguez and confirmed by the SBCCD Board of Trustees on Thursday, May 9, follows a national search involving students, faculty, classified professionals, administrators, alumni, and community stakeholders. Dr. Contreras steps into his new role on July 1, taking the helm of the college as it nears its 100th anniversary, a major milestone for the institution.

Dr. Contreras, who holds a Ph.D. from UCLA in Urban Planning, a Masters in City Planning from MIT, and a B.A. from UC Berkeley, has over 17 years of leadership experience in California's community colleges. He served as Vice President of Student Services and Interim President at Fullerton College. He also brings a strong connection to the local higher education landscape, having taught at CSU San Bernardino, where he instructed a doctoral course on governance and policy.

He served as an Instructor and Teaching Fellow at UCLA in the Department of Chicana/o Studies and led the first-ever Chicana/o Studies module at MIT. His scholarly work has contributed to prominent publications and conferences with an emphasis on community colleges.

GOAL 3: BE A LEADER & PARTNER IN ADDRESSING REGIONAL ISSUES.

## Middle College High School Receives Prestigious California Exemplary Dual Enrollment Award

In recognition of its commitment to providing a quality and equitable education and high student success rates, Middle College High School (MCHS) has been honored with a 2024 Exemplary Dual Enrollment Award from the California Department of Education.

"The whole school is excited, and the parents are extremely excited," MCHS Principal James Espinoza said. "We're excited not just for ourselves, but also because it's an acknowledgment of the work we've been doing the last 11 years, work centered around equality and closing gaps for previously underserved students. Everything we've been doing in the last 11 years has been intentional and by design."

MCHS partners with San Bernardino Valley College (SBVC) and the San Bernardino City Unified School District (SBCUSD) to offer an alternative to traditional high school, with students earning college credit. Most are the first in their families to attend college and came to MCHS underperforming in relation to their ability.

SBVC counselors develop educational plans for each student and revisit them every semester, and the goal is to graduate with a high school diploma, an associate's degree, and/or an Intersegmental General Education Transfer Curriculum (IGETC) certification, allowing them to attend UC or CSU colleges.

"Together, Valley and San Bernardino Unified School District and Middle College students and staff are able to close the gap on going to college and college completion and able to change the perception of what first-generation students can do," Espinoza said.

The school's numbers speak for themselves — the Class of 2023 had a 100 percent graduation rate, with each student walking away with at least 50 college credits. Nearly 50 percent earned associates degrees, 62 percent had IGETC certification, and all were accepted to four-year colleges.

Middle College High School celebrated its 10th anniversary in 2024.

# Alumni Spotlight

**Denmark Harris** reflects on the supportive environment he found at SBVC as he completes his B.A. at U.C. Berkeley.

Denmark Harris faced challenges early in life, including bullying and family responsibilities, which caused him to struggle to pursue his education consistently.

However, a shift in mentality led him to SBVC, where he embarked on a journey of personal and academic growth. Reflecting on his time at SBVC, Denmark says he found support in the campus community. He discovered abundant opportunities for involvement in campus activities and events. "It deepened my appreciation for the activities SBVC holds," he remarked, highlighting the college's ability to organize enriching extracurricular experiences for its students.

Denmark also emphasized the importance of seeking help—a lesson he learned firsthand at SBVC. "The biggest lesson I learned was asking for help," he noted. With support from teachers and counselors, Denmark navigated personal challenges and maintained focus on his academic goals. "When I needed help, I asked for it."

Denmark credits SBVC for playing a pivotal role in preparing him for transfer to UC Berkeley, a long-held aspiration. "It had always been my dream to transfer to a UC," he reflected, acknowledging the guidance he received from counselors and crediting them with making him a "stronger applicant."

Looking ahead, Denmark's ambitions are directed internationally. Upon graduating from Berkeley, he plans to pursue a TESOL program and further his studies in Japan, immersing himself in its culture and language.
