2024-25 Final Budget | Executive Summary

Board Strategy Session – August 22, 2024

"The San Bernardino Community College District positively impacts the lives and careers of our students, the well-being of their families, and the prosperity of our community through excellence in educational and training opportunities."

This mission, adopted by the Board of Trustees as part of the 2022-2027 SBCCD STRATEGIC PLAN, clearly articulates what our district is all about. We have been a servant of the community for nearly 100 years, and it is our intention to continue in this great tradition, diligently supporting our students in achieving their educational aspirations.

Informed by heartfelt and insightful feedback from students and alumni, faculty and staff, civic leaders and school partners, as well as the wider community, SBCCD's Strategic Plan is centered on values of accessibility, inclusion, integrity, courage, collaboration, and excellence. It is with these values as drivers that we at SBCCD, led by the Board of Trustees and Chancellor Rodriguez, strive daily to make the Strategic Plan's four goals a reality.

- 1. Access and Success: Eliminate barriers to student access and success.
- 2. Institutionalize DEIA: Be a diverse, equitable, inclusive, and anti-racist institution.
- 3. Regional Leadership: Be a leader and partner in addressing regional issues.
- 4. Fiscal Accountability: Ensure SBCCD's fiscal accountability and sustainability.

With the 2022-2027 Strategic Plan as a roadmap for the future we want to see, the 2024-2025 Final Budget has been constructed to align with these four goals.

A path for moving forward is being presented which includes a balanced budget over the next five years and the maintenance of a minimum fund balance of approximately two months of expenditures in the Unrestricted General Fund, to meet the requirements by our board policy and the recommended levels by the Government Finance Officers Association (GFOA) and the State Chancellor's Office.

CALIFORNIA BUDGET OVERVIEW

The 2024-25 California State Budget outlines the state's financial allocations and priorities amidst ongoing fiscal challenges. The budget reflects total state expenditures of approximately \$298 billion, marking a 4.2% decrease from the previous year, with General Fund spending reduced by more than 6% to \$211.5 billion. This reduction addresses a significant \$45 billion budget deficit, largely due to revenue shortfalls in the technology sector and tax payment delays. The budget incorporates various solutions to close the deficit, including funding delays, reductions from previous budgets, and the suspension of certain tax credits.

For California Community Colleges, the budget secures a Proposition 98 funding guarantee of \$115 billion for 2024-25, which is a substantial increase from the prior year. This includes measures to address \$8 billion in suspended funding from 2023-24. The budget also includes a 1.07% cost-of-living adjustment (COLA) for the Student-Centered Funding Formula (SCFF) and selected categorical programs, totaling \$113.3 million, alongside \$28 million allocated for 0.5% enrollment growth.

San Bernardino Community College District 2024-25 Final Budget Executive Summary

Board Strategy Session August 22, 2024

In terms of investments, the budget is conservative with one-time funding, allocating \$18 million for projects supporting the Vision 2030 priorities and \$20 million to assist with financial aid administration due to FAFSA delays. Additionally, \$6 million is allocated to the Mapping Pathways for Credit for Prior Learning initiative. Capital outlay investments are notably limited, with only \$29 million allocated for ongoing projects, a significant decrease from previous years.

Policy decisions within the budget focus on stability, leveraging the state's reserves to mitigate the impact of projected deficits. Over \$12 billion is withdrawn from the Budget Stabilization Account over two years, with the remaining reserves used to maintain core programs. However, the budget also includes a 7.95% reduction for nearly all state departments, eliminating thousands of vacant positions and reducing funding for various state programs, including corrections, affordable housing, and healthcare workforce initiatives. Despite these cuts, the budget prioritizes the stability of core programs, including those within the California Community Colleges system, ensuring continued support amidst financial challenges.

STUDENT CENTERED FUNDING FORMULA & PLAN AHEAD

The 2021 Budget Act extended the Student-Centered Funding Formula's (SCFF) hold harmless provision through 2024-25. The 2022 Budget Act extended the revenue protections in a modified form beginning in 2025-26, with a district's 2024-25 funding representing its new "floor." Starting in 2025-26, districts will be funded at their SCFF-generated amount that year or their "floor" (2024-25 funding amount), whichever is higher. This revised hold harmless provision will no longer include adjustments to reflect cumulative COLAs over time, as is the case with the provision in effect through 2024-25, so a district's hold harmless amount would not grow.

In anticipation of potential State budget gaps forecasted for 2024-25 and 2025-26, including expense reductions, borrowing, and deferrals, SBCCD staff has implemented nine measures to mitigate the impact of such actions on its budget and ability to continue serving its students and community. These strategies are prioritized, and the latter measures will not be implemented if SBCCD is able to meet its reserve requirement and maintain a balanced budget. These strategies, in priority order, are as follows:

1. Meet or Exceed FTES Goals

Having already attained this year's FTES goal, we are confident in our ability to achieve the following enrollment goals over the next four years.

- o FY 2024/25 4%
- o FY 2025/26 4%
- o FY 2026/27 4%
- o FY 2027/28 4%
- FY 2028/29 1%

Board Strategy Session August 22, 2024

2. No Increase in Object Codes 4000's - 6000's

Due to the 1.07% COLA, prioritizing wages, step and column increases, and increased costs in employee benefits, any increases in expenses due to inflation will be covered from other areas of the budget.

3. Maintain Competitive Employee Health Benefits

SBCCD will continue to offer one cost-free benefit plan to eligible employees to maintain competitive health benefits.

4. Soft Hiring Freeze

As part of the early retirement incentive plan, recruitment for vacancies will require Chancellor's Cabinet approval and be limited to essential positions only.

5. When Appropriate, Eliminate Low-Enrolled Classes

We will evaluate low-enrolled classes and optimize class offerings as part of our enrollment management strategies. Classes needed to meet graduation requirements will continue to be offered.

6. Reduction of Reassign Time

Reassign time will be evaluated and modified to ensure it is focused on student success and/or student enrollment.

7. Use of Commercial Property Income

Commercial property income will be used as needed to balance the budget or meet the twomonth reserve requirement.

8. Use of OPEB Trust Funds

Up to \$2 million from the Other Post Employment Benefits (OPEB) trust will be utilized as necessary to balance the budget or meet the two-month reserve requirement.

9. Reduction of Reserve Requirement

If necessary, SBCCD staff will propose Board approval of the usage of reserves to balance the budget.

SBCCD will persist in encouraging students to return to school by implementing a variety of strategic plan-aligned tactics. These include, but are not limited to:

 Increased coordination and communication across District sites brought about by the transparent and inclusive nature of the new Chancellor's Council Advisory Committee structure.

Board Strategy Session August 22, 2024

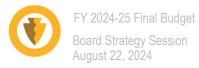

- A sharpened focus resulting from the Board of Trustees strategy planning initiatives, including the Board approved 2022-2027 SBCCD Strategic Plan.
- The coordination of Institutional Effectiveness; Technology, Educational & Support Services; and the center for Economic Development and Corporate Training under the Vice Chancellor of Educational and Student Support Services.
- The continued work with the Enrollment Management Advisory Committee,
- The continuation of the Books Saver Rental program.

San Bernardino Valley College and Crafton Hills College are a source of hope for the community. We prepare future scientists, health providers, and first responders who keep us safe. We provide new skills to displaced workers and give recent high school graduates an affordable option to start their first two years of a bachelor's degree. And the reason we are able fulfill this role is because of the caring and qualified individuals that make up the employees of SBCCD.

That is why, through the extensive effort and collaboration of our Human Resources team and bargaining units, our faculty, classified, and management staff will strive to remain at the median regional salary level. The multi-year forecast included with this budget reflects the implementation of these important negotiations, including step and column and maintenance of our excellent benefit options. In addition, the budget provides for the anticipated increase in PERS and STRS contribution rates.

Our mission is more critical today than ever before. San Bernardino Community College District stands firm in its commitment to fostering a welcoming and supportive community where all our students, faculty and staff can feel safe to grow, learn and prosper.
