ACTIONS and/or UPDATES RELATED TO GOALS:

1. Eliminate Barriers to Student Access and Success
2. Be a Diverse, Equitable, Inclusive, and Anti-Racist Institution
3. Be a Leader and Partner in Addressing Regional Issues
4. Ensure Fiscal Accountability/Stability

-Club Rush: Ensure Fiscal Accountability/Stability

The Crafton Student Senate recently used its funds to ensure the students were fed for our February 13th club rush. The event was a great success, with the food running out entirely by the end of the event. Funds were also used to get prizes for the costume contest and the club booth contest. Outside of that, the Crafton Student Senate also used its funds to reimburse Music Club for expenses they gained during their recent field trip, which was funded by the Student Senate as well. The Gaming Club was also approved for funds for their upcoming Mario Kart Tournament on March 28th.

-General Assembly: Be a Leader and Partner in Addressing Regional Issues

The students being sent to the upcoming SSCCC General Assembly on behalf of the Crafton Student Senate were finalized within the last month, with our total coming to 11 students. The Student Senate is incredibly proud to send so many representatives to GA. They will be learning more about how the SSCCC works at a state level, going to various workshops to gain new knowledge, and voting on the resolutions that will be presented at the conference. The Crafton Student Senate is also proud to have two of our own resolutions being presented, including the LIFT- Language Initiative for Future Talent being put on the consent agenda.

-Adding membership: Be a Diverse, Equitable, Inclusive, and Anti-Racist Institution

There has been a large increase in the number of students who are interested in joining the Crafton Student Senate. Tami Sheratt has moved up to Sustainability Director and Matthew Riddle, Koen Diaz, and [] have been added to the Senate as Senators at Large. William Kuria was also

added as a Senate Member. These Senators all have incredibly diverse backgrounds and world-views, and they are valuable additions to our Senate.
