A. GRANTS DEVELOPMENT

DISTRICT GRANT INVESTMENT FUND

- PROPOSED:** Initial \$100,000 investment to retain Consultants (\$25,000/Strategic Priority Area) specializing in (a) Student Success/Transfer, (b) CTE/Workforce Development, (c) Science-Technology-Engineering-Arts-Math (STEAM), and (d) Basic Skills, with considerations for (e) Open Education Resources, and (f) Innovation Opportunities, i.e., Distance Education, Makerspaces, Technology, and Entrepreneurship.
- PURPOSE AND PRIORITIES:** To write and plan "district-wide" grants to encourage intra-district planning and partnerships for grants based on specified criteria, including, but not limited to: (a) Ongoing costs factors; (b) New program considerations; (c) Institutionalization of Programs and/or Staffing; and (d) Not in Program Reviews or Planning Documents.
- CLARIFICATION STATEMENT:** Establishment of District Grants Infrastructure DOES NOT preclude colleges from pursuing competitive grants independently. This structure is specifically designed to increase the competitiveness of the District & Colleges for "District-Wide Partnerships."
- FUND ADMINISTRATION:** Fund decision-making accomplished by the *District Grants Committee* currently established as the District Assembly Grants Work Group.

STRATEGIC PRIORITY AREA CONSULTANTS

Grant Competitiveness, Preparation & Development Tasks

- Grants Master Calendar Development:** Federal, State, Local & Foundation grant RFP cycles.
- Case Statement Development:** Based on College Strategic Priority Area Program Reviews. Alignment of SBVC, CHC & District needs/case statements for intra-district grants. Also used by EDCT, SBVC, and CHC foundations for targeted fundraising initiatives.
- Grant RFP Analysis:** Rubric development, analysis, and alignment with applicable College Case/Needs Statements.
- Environmental Scan Studies:** Economic and demographic research and analysis.
- Strategic Partnership Development:** Engagement with & cultivation of partnerships with public, higher education, industry, non-profit, workforce development, and economic development sector stakeholders.
- Grant Project Facilitation:** Research, partnerships, project stakeholder roles, application writing, project coordination, and budget development.
- Professional Development:** Grant planning, development, writing and administration training.
