Ranking	Resource Request	Division	Type	Funding	Amount	Rationale (from Resource Request Application)
1	Two Police Officers w/ Police Safety Equipment [2 unfilled positions from the 4 approved last year]	Police	Personnel	Ongoing	\$143,444 (\$71,722 per year per officer Range A, plus benefits)	It is a policy of the Board of Trustees for the SBCCD to protect members of the entire college community and the property of the District. In accordance with this policy, the District maintains a Police Department (PD) 24 hours a day, 7 days a week, & 365 days per year. The officers assigned to the PD are sworn and fully Commissioned Police Officers of the State of CA as defined in section 830.32 of the Penal Code and 72330 of the CA Ed. Code. To effectively carry out the above policy, reduce liability & manage predictable risk to the District, the PD is requesting two additional police officers. Currently, the PD has eight police officers deployed and effective July 1, 2019 is budgeted/authorized to hire two (2) additional officers. However, the PD is still well below proper staffing levels to cover the three duty shifts during the 24 hour operational period or handle a major incident within the District. It should be noted that comparable Community College Districts with a similar student population have an average of 12-19 police officer.
2	Hire new IT Security Professional	TESS	Personnel	Ongoing	\$220,000 (Salary and Benefits)	Currently myself along with the other IT Directors and support staff are doing our "Best Effort" in IT security of the district. This is an area of IT that needs full time attention.
3	Custodial Supervisor	DSS	Personnel	Ongoing	\$99,697.08. This is at range 6, step A	The District is expanding to multiple facilities: 1) 114 S. Del Rosa EDCT/Foundation/PDC/ATTC; 2) 550 E Hospitality Lane DO/TESS; 3) 1888 E. Highland CTEDC "San Manuel"; 4) 441 W 8th St. EDCT expansion in the near future. The District currently has 2.5 custodians and .5 courier. The DSS/TESS upcoming move to 550 E. Hospitality Lane, will create a need for additional help and supervision in order to safely complete set up requests and to keep up with the level of cleaning that is required at both locations:114 S. Del Rosa and 550 E. Hospitality Lane. Additionally, with escrow soon closing at the 1888 E. Highland Ave, the Custodial Supervisor will supervise and serve as a floater that can commute between sites to lend additional support with set ups and cleaning as needed. Note, with our current staffing, we do not have enough support to successfully execute set ups per the demand nor will we have enough custodians to clean the 3 sites.
	Custodian	DSS	Personnel	Ongoing	\$67,275.05. This is at range 27, step A.	The District has purchased a new facility at 1888 E. Highland Ave. and may also renovate 441 W 8th St. in the near future. The District currently has 2.5 custodians and .5 courier. DSS/TESS upcoming move to 550 E. Hospitality Lane would create a need for additional help in order to complete set up requests safely and to keep up with the level of cleaning that is required at both locations. This additional help is recommended to come in the form of a custodian supervisor. However, with the purchase of a new building and renovation of an otherwise abandoned property one more custodian staff will be required to address cleaning and set up needs for these two facilities (Highland Ave. and 8th St.). Please note, with our current staffing, we do not have enough support to successfully execute set ups per the demand nor clean sites as needed.

Free College Promise; 2. KVCR; 3. FNX; 4. Community Initiatives (EDCT)</p> <p>Inland Futures Foundation of the San Bernardino Community College District will need to increase bandwidth. As a result of foundation reorganization, the four priorities represent significant resource needs and will each require its own fundraising plan, event schedule, donor cultivation and stewardship, and community outreach. Additionally, each will require significant administrative responsibilities such as budget maintenance, contracts, underwriting, grants, and more.</p> <p>For Empire   KVCR, there are over 8,500 current members that require member support through additional community, member, and donor outreach initiatives and events. There is additional need to increase bandwidth for multimedia support including website, email, photography, design, and social media, to enhance community engagement. In order to engage donors/members as a new Foundation, there is increased need to have seed funding available to support fundraising and community engagement events for the four funding priorities listed above.</p>

8	Systems Analyst (Administrative Applications) - Replacement <b>[On Hold pending IEPI review]</b>	TESS	Personnel	Ongoing	\$130,000	The systems analyst position is a needed position within TESS. The classified member who was in this position has been working on the Fiscal/HR ERP implementations over the last 3 years but has now taken a position within Fiscal Services. We need to replace this position as soon as possible as this position supported the many enterprise applications used by our students, faculty and staff at CHC, SBVC and District. Currently there is a gap and a single point of failure when it comes to support for some mission critical applications such as 25Live, ImageNow and SARS.
9	Technology Support Specialist 1	TESS	Personnel	Ongoing	\$90,000	<p>The District continues to grow it's technology footprint while not adding additional support personnel. The district has recently purchased 3 new locations and upgraded it's Audio and Visual systems. The new locations all have technology that needs to be supported. The new DSS building board room is equipped with a new A/V system in the board room that will require extensive support. This has all been. My team of 3 senior technology support specialists cannot provide adequate support of our enterprise systems along with all the new technology and locations coming on board.</p> <p>A Technology Support Specialist 1 can take over many of the desktop support and A/V duties freeing up the Senior staff to support our back-end systems. If this person is not hired the senior staff will spend a majority of their time supporting the desktops and new A/V equipment and putting out fires caused by missed management of back-end systems.</p>
10	Sterling Digibinder Super Automatic Perfect Binder	TESS	Equipment	One Time	\$27,000	We purchased a starter unit in the last year and have already out grown it. We are perfect binding the class schedules for SBVC. These total 15,000 books a year. We also use perfect bind many other printing orders, which allows us to do this in-house instead of sending it to an outside vendor. We charge half the cost of what it costs our users to use an outside vendor for this service.
11	Director of Distance Education	TESS	Personnel	Ongoing	\$200,000	Our current staffing level is flat and the area is the only one in TESS without a manager yet with 2.5 FTE.
