SBCCD Reopening Plan Update	<p>Mike and Paul reported that the District Reopening Taskforce convened last Wednesday. Discussion was surrounding the Student vaccine mandate going into effect Summer 2022 and masking requirements. Dave stated there have been some questions from classified around why employees are required to be vaccinated on 1/7/22 and students Summer 2022. Mike responded that employees are subject to the District as their employer and the logistics to implement the student mandate are more complex. Dave also stated for our information that he's heard the City of Yucaipa is eliminating the mask mandate on Weds when the State removes the mask mandate. Paul reported that Chancellor Rodriquez informed the Reopening Taskforce that SBCCD will continue with the indoor masking requirement.</p>
