Subject:	District Applications WorkGroup (DAWG): Agenda for 05/28/2014 (Business Session)

Team,

I would like to thank all who participated in last week's working session on Student Planning. We had quite a turn out with a very high level of interest. I hope all got a chance to see the new Annex location as well. ☺

However, due to the timeline in rolling out Student Planning and OpenCCCApply, today's DAWG Business Session is going to be repurposed as a working session for those two topics. However, unlike last week's overall review of Student Planning, we will be specifically focusing on the discussions with Admissions and Counseling in planning the rollout to students and counselors.

For this meeting, we will be in one of our side conference rooms, as our Training Room received the new desks and PC's this week and is currently being setup. This only gives us about 12 seats for the meeting, so I would like to remind those that CCConfer is also available. ☺

District Application Workgroup (DAWG) Purpose:

To provide a communication conduit and working environment to:

- Bring and discuss current issues related to district applications and college services. Including:
    - New and changing State and Federal Mandates
    - New and changing college/district policies and procedures
    - etc.

- To bring stakeholders together to complete tasks and resolve issues related to approved projects and operational tasks.

Regular Meeting Schedule:
- **Business Sessions** – 1st and 3rd Wednesday from 2:00 PM to 4:30 PM
- **Working Sessions** – 2nd and 4th Wednesday from 2:00 PM to 4:30 PM

IMPORTANT NOTE: This group has no function in prioritizing or accepting projects or programming requests. However, this group can be used to discuss and vet possible projects and programming requests.
