District Applications Workgroup (DAWG) |Agenda

I. Deactivate Inactive or Fraudulent User Accounts

Sponsor: Jason Brady, Andrew Chang

- Discuss with A&R to see how they wish to handle inactive or fraudulent accounts.
- This is related to possible SPAM / Phishing attacks using our email accounts.
- General public applying using fake credentials just to get an .edu email account.

II. Modifying Registration Checklist to incorporate Updating Starfish Term Data prior to WebAdvisor publication

Sponsor: Kirsten Colvey, Robert McAtee

- Discussion on how this should be done

III. Securely Provide Faculty Email to Students

Sponsor: Larry Aycock

- A&R Staff are constantly being asked by students for the faculty email
- Students should be able to lookup this information on their own easily
- Current workaround is not easy, and does not work if students is new
- Discuss the security concerns around this issue and what if anything can be done to add this functionality back to the webpage

IV. Discussion about Promise Program

Sponsor: April Dale-Carter

- Would like to discuss or ask questions about programming of priority and waiving fees for these students
