District Applications Workgroup (DAWG) |Agenda

** DAWG Meeting was cancelled; the time was used for Assessment setup and demo **

I. New CHC English and MATH Assessment/Placement setup and demo of how it will affect registration

Sponsor: DyAnn Walter

- Students are assessed into either ENGL-010 w/ENGL-918, or ENGL-101 w/ENGL-917 or ENGL-101. Based on these placements students get course records with an EQ grade added to STAC, this will give them what is required to register into the course they assessed/placed into and NOT register into the course they did not assess into.
