District Applications Workgroup (DAWG) |Agenda

I. Both Colleges will need to file historically active programs for approval

Sponsor: Kristina Heilgeist

- As of approval date, programs will begin being transcripted
- Awards granted prior to date cannot be transcripted
- @ Crafton:
  - 9 certificates affected
  - Most have historical records going back 20-25 years
  - 2,345 students "Active" in programs (as of 4/4/19)
- How can we pursue this, with the least amount of manual entry for A&R staff?

II. Combined DA Transcripting for TRELECs

Sponsor: Julie Ulloa, Kristin Garcia, Kristina Heilgeist

- Enable coding to assign TRELECs to the Degree Audit transcript only.
- TRELECs should not reflect on a Non-official/official/Combined-Copy/Academic Standing transcript.
- There may be a few more instances where TRELECs should not be posted.
- This work is furthering the Starfish – Degree Planner Project currently being built.
- Crafton would like to see both Crafton and Valley's TRELECs on the DA transcript to assist the evaluators when processing evaluations.
- This would be something beneficial to evaluations since they are not transcripted on other transcripts and only visible on the STAC screen. Also, both Valley and Crafton were hoping for a header to indicate the location of these TRELECs.

III. Toggle functionality on STAC

Sponsor: Julie Ulloa, Kristin Garcia, Kristina Heilgeist

- Toggle functionality on STAC is an enhancement request to enable a view of Crafton only or Valley only, or Combined view (CHC/SBVC/TRELECs/EQ's) of student records by selecting a view type created by you smart people.

IV.   TCEQ Transfer Course Equivalencies historical data

Sponsor: Julie Ulloa, Kristin Garcia, Kristina Heilgeist

- At our meeting on Friday we noticed when attempting to enter a TRELECs on EXTS it pulls the equated course that has been previously built on TCEQ and lists it.
- Is it possible to delete this data since it is out dated and/or a way for it not to pull in the equated course?
- These courses were entered long before I entered as an Evaluator and not most of the data is out dated and we use other sources to equate coursework between colleges.

V.   CCCApply Non-Credit Application

Sponsor: Larry Aycock

VI.   Identifying DE approved courses in Colleague

Sponsor: Keith Wurtz, Miriam Saadeh

- Look into how we add a DE code in the course types to identify courses that have been approved to be taught online.

VII.   "processes" for CHC-Fin Aid

Sponsor: Joe Cabrales, Veronica Lehman

- CHC Visited SBVC yesterday and talked about their processes in hopes of automating and streamlining Fin Aid at CHC, e.g., Communications Management, Imaging, Autopackaging. We want to initiate the discussion and see where it lands.

VIII. Using Workflow for Assessment

Sponsor: Kirsten Colvey

IX. Ongoing Discussions

X. Miscellaneous

1. Cloning TEST from PROD environment in April 2019
Sponsor: DyAnn Walter
- We will be starting our next Colleague Patch Cycle in April. As part of our patch process the TEST environment will be cloned from PROD/LIVE in April. All data built in the TEST environment for testing purposes will be lost.
- This will affect Pseudo Course testing, transcript testing and any other user testing.
- Please contact DyAnn if you have any questions or concerns.

2. SBCCD Free Promise Program
Sponsor: General Discussion
- General Discussion

3. Secure Folder sharing for Don Hudson

4. New User App for CHC new employee

5. We need to communicate more

Next DAWG Meeting: Wednesday, April 24th, 2019 (2:30 pm – 4:30 pm)
