

Facilities Advisory Committee (FAC)
Meeting Minutes – March 8, 2023, 9:00 a.m.
Via Zoom

I. Welcome & Confirmation of Quorum

Farrah Farzaneh called the meeting to order at 9:02 am

Guests in attendance: Ynez Canela, Gina (Student SBVC), Shadow (Student), Jose Velasco (Student SBVC), Ashley Smith, Maria Velasquez

II. Approval of Minutes

Mike Strong made a motion to approve the minutes from December 14, 2022.

Melissa Nano seconded the motion.

No discussion. Tenille Norris and Natalie Lopez abstained. All other members in attendance voted to approve.

III. Current Topics

A. Update on Sustainability Forums

The CHC Sustainability Forum has been scheduled for March 30th from 12:00 pm to 1:00 pm. A date for the SBVC Sustainability Forum is being confirmed with Tenille.

B. User Group Establishment Process

Mike Strong shared the process for establishing Campus User Groups for Construction Projects (see attached). Contractually, bargaining units are responsible for selecting and appointing members to these groups to ensure the right people are included in the project design.

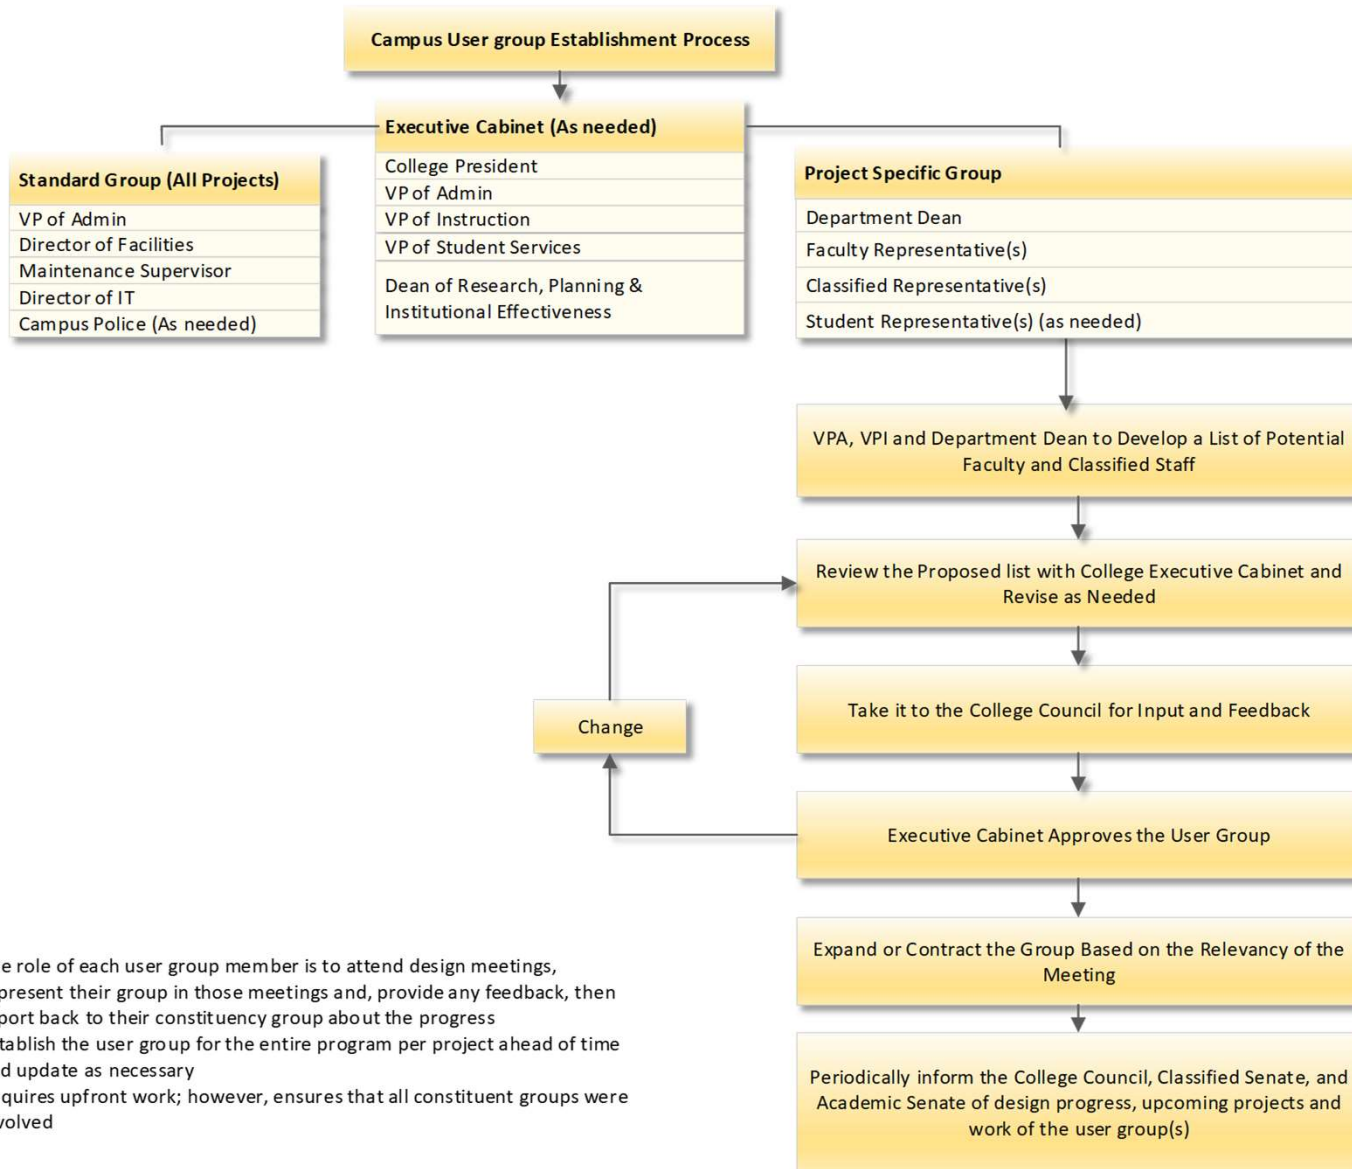

The group revisited the timeline for user group involvement and emphasized the importance of providing feedback during the Programming/Criteria Document Development (Phase 1) or Schematic Design/Programming Validation by Design Builder (Phase 2) stages to maintain efficiency and avoid adding time and cost to the project during the Design Development Phase (Phase 3).

Shadow, an SBVC student, inquired about involving contractors with knowledge of Native species in landscaping discussions. Mike Strong noted that local contractors with this knowledge are considered, along with campus guidelines, criteria, and budget parameters. Farrah encouraged everyone to complete the survey that was sent out via email to provide feedback and ideas on SBVC landscaping projects.

Shadow also asked about the use of solar panels at SBVC, and Farrah indicated that this would be considered in future projects.

IV. Adjournment

Farrah adjourned the meeting at 9:53 am. The next Meeting will be on April 12th at 9:00 am.

Note:

- The role of each user group member is to attend design meetings, represent their group in those meetings and, provide any feedback, then report back to their constituency group about the progress
- Establish the user group for the entire program per project ahead of time and update as necessary
- Requires upfront work; however, ensures that all constituent groups were involved
