***SBCCD Mission:***

*The San Bernardino Community College District (SBCCD) transforms lives through the education and training of students for the benefit and enrichment of our diverse communities.*

***FAC Charge:***

*The Facilities Advisory Committee is an advisory committee to the Chancellor's Council. The committee is charged with: sharing information related to the planning, design, and construction of districtwide facilities; providing updates on the progress of bond projects, reviewing and making recommendations to districtwide safety and security plans, advancing actions that promote safe, adequate and well-maintained facilities, reviewing and making recommendations for a Zero Net Energy Plan and Sustainability Plan and providing a Sustainability Progress Report.*
