Committee Charge – The charge of the District Offices Planning and Program Review (PPR) Committee is to advance continual, sustainable quality improvement at all levels of the District Offices. Toward that end, the committee conducts a thorough and comprehensive review of each unit at the District Offices on an annual basis and oversees the annual District Offices planning and program review process. The results of planning and program review inform the integrated planning and resource allocation process at the District Offices, and are aligned with the district strategic planning process. The committee relies on quantitative and qualitative evidence to evaluate programs, develop recommendations to the Chancellor’s Cabinet, and determine and implement improvements to the District Offices PPR process.

Membership – The DOPPR Committee is chaired by the Executive Director of Institutional Effectiveness, Research, and Planning. In addition, the membership consists of one manager and staff from the following areas: TESS, KVCR, EDCT, Police, and Human Resources; and two managers and two classified staff from Business Services.
