## **1.0 INSTRUCTION TO SUBCONTRACTORS**

This section will provide necessary information for SUBCONTRACTORS to qualify as legally “responsive” to this Request for Proposals (RFP). This section should be studied carefully before attempting to respond so that proposals are not rejected on a minor technicality that could have been avoided.

### **1.1 NOTICE FOR INVITING PROPOSALS**

Notice is hereby given that the Governing Board of the San Bernardino Community College District (SBCCD) of San Bernardino County is issuing a Request for Proposal for services to assist SBCCD in the completion of work plan activities and outcomes for two Strong Workforce Program projects as summarized in the scope of work herein. SBCCD hereby invites you (SUBCONTRACTOR) to submit a Proposal according to the terms and procedures defined herein no later than 3:00 p.m. (PDT), 10/2/2018, directed to Steven Sutorus, Business Manager, at 114 S. Del Rosa Dr., San Bernardino, CA 92408 as per the specifications on file with Purchasing Office.

### **1.2 PURPOSE**

San Bernardino Community College District (SBCCD) is seeking proposals from qualified SUBCONTRACTOR who can provide services to assist SBCCD in the completion of work plan activities and outcomes for two Strong Workforce projects. SBCCD was awarded these projects via the Information & Communication Technologies & Digital Media (ICT & DM) Sector. Each sector has a Statewide Sector Navigator and at least one regional Deputy Sector Navigator that work to provide opportunities to connect business, industry and education for their sector. The Sector Navigator and Deputy Sector Navigator roles were developed under the Doing What Matters for Jobs and the Economy Initiative to support the priority and emerging industry sectors across California and in specific geographic regions. The Deputy Sector Navigators serve as in-region contact for a sector, working with the region's colleges and employers to create alignment around and deliver on workforce training and career pathways. SBCCD staff serve as the Deputy Sector Navigator for Information & Communication Technologies & Digital Media in the Inland Empire/Desert Region. The staff is hosted at SBCCD who serves as the fiscal agent for grants and projects under Deputy Sector Navigator's purview, including the two Strong Workforce Program ICT projects described here.

The sector has funded, through the Strong Workforce Program, the Inland Empire Cyber HUB Centers and Cloud Based Virtual Lab Pilot Project. The projects were funded for Round 2 and Round 3 as part of the region's Strong Workforce Program. Round 2 is from July 1, 2018 to December 31, 2019 and Round 3 is from July 1, 2019 to December 31, 2020. Strong workforce projects are designed to help create more and better career and technical education programs offered by the California Community Colleges in the Inland Empire/Desert Region.

As part of both projects, funding was designated for regional project administration. SBCCD staff will serve as the lead for each project and will work closely with the supplier of the strategic planning, technical assistance and event planning services to ensure that project work plan activities and outcomes are achieved. In addition to the project support, assistance is also needed to achieve related activities and programs that are part of the region's Community College ICT-DM strategy. A deep understanding of the state-wide and regional ICT-DM programs and strategy will be necessary to fully support these efforts.

**1.3 REJECTION OF PROPOSALS**

SBCCD's Governing Board reserves the right to reject any or all proposals or any part of each proposal; to waive any irregularity in any proposal and to determine which, in its sole judgment, best meets SBCCD's needs to receive an award **after** successful contract negotiations. SUBCONTRACTOR may not withdraw its proposal for a period of **one hundred eighty (180) days** after the opening thereof.

**1.4 SUBCONTRACTORS**

If a subcontractor will be used by SUBCONTRACTOR to comply with any portions of this RFP, that fact must be stated in the proposal. The names of the subcontractors and their duties shall be specified in the proposal.

**1.5 RFP COMPLIANCE, FORMS, AND CERTIFICATES****1.5.1 ACKNOWLEDGEMENT OF INDEMNIFICATION AND INSURANCE REQUIREMENTS**

There are certain indemnifications and insurance provisions which must be included in the final agreement(s) with SBCCD. The SUBCONTRACTOR shall maintain Workers' Compensation Insurance as required by statute and shall submit a certificate of such insurance with its proposal response. - C. Professional Liability in the amount of \$1,000,000;
- D. Automobile Liability, all automobiles, in the amount of \$300,000 for combined single limit.

**1.5.1.1 INSURANCE POLICY REQUIREMENTS**

The foregoing insurance coverage plans shall be primary and non-contributing with respect to any other insurance which may be maintained by SBCCD.

- A. All policies, except for Workers' Compensation and Employer's Liability and Professional Liability, shall be endorsed to include the San Bernardino Community College District as an additional insured and contain a Cross Liability or Severability Clause.
- B. The Workers' Compensation and Employer's Liability policies shall be endorsed to waive all rights of subrogation against SBCCD.
- C. SBCCD does not represent or warrant that the types or limits of insurance adequately protect SUBCONTRACTOR'S interest or sufficiently cover SUBCONTRACTOR'S liability. Failure by SUBCONTRACTOR to maintain the insurance coverage plans specified herein shall be considered a material breach of this Agreement.
- D. Prior to commencing work, SUBCONTRACTOR will furnish SBCCD with properly endorsed certificates of insurance acceptable to SBCCD which provide that the coverage will not be canceled or materially changed except upon thirty (30) days written notice to SBCCD. All certificates must be faxed or emailed, followed by a hard copy "wet ink" signed original in the mail to: San Bernardino Community College District, Attn: Steven Sutorus, Business

Manager, 114 South Del Rosa Drive, San Bernardino CA 92408.

#### **1.5.2 NON-COLLUSION AFFADAVITS**

Affidavits are required to be completed by the SUBCONTRACTOR declaring that the proposal is in all respects fair and without collusion or fraud. Please see Appendix B.

#### **1.5.3 AFFIDAVIT OF CONFIDENTIALITY AND INDEMNIFICATION AGREEMENT**

SUBCONTRACTOR may designate selected portions of their proposal as confidential, such as proprietary information not publicly disclosed about their products. However, if a claim to release the confidential portion is made under the California Public Records Act, SBCCD will notify the SUBCONTRACTOR of such a claim but will not defend the SUBCONTRACTOR's rights to privacy.

#### **1.5.4 SB 854 DIR COMPLIANCE**

Bidders are advised that this contract may be a public work for purposes of the California Labor Code, which requires payment of prevailing wages. Wage rates can be obtained from the Director of the Department of Industrial Relations at <http://www.dir.ca.gov/OPRL/dprevagedetermination.htm>. As of March 1, 2015 all contractors bidding on a public works project must be registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. <http://www.dir.ca.gov/Public-Works.html>

#### **1.5.5 DEBARMENT CERTIFICATION**

SUBCONTRACTOR must certify that its company, and its principals have not been debarred, suspended, proposed for debarment, declared ineligible, are not in the process of being debarred, or are voluntarily excluded from conducting business with a federal department or agency of the federal government.

### **1.6 CONFIDENTIALITY**

The submitted proposals and Response Forms are public records subject to public disclosure pursuant to the provisions of the Public Records Act (Government Code Section 6250). SBCCD will notify the SUBCONTRACTOR of any public request for disclosure of such documents.

### **1.7 PROPOSAL FORMAT**

SUBCONTRACTOR shall use the forms and formats used in the appendices and described herein. The use of other forms may be cause for rejection of proposals. Every effort has been made to make the entry of this information as straightforward as possible, but in a format that can be fairly evaluated for inclusion in the RFP and in the order presented in this RFP. It is the intent of this RFP and the appendices to ascertain full and complete disclosure of all costs related to the successful implementation of the products and services requested. If there are additional costs or requirements which are not covered in the RFP and appendices it is the SUBCONTRACTOR's responsibility to present that information during the RFP Window (the time following RFP release and the date the RFP Responses are due). Failure to disclose any of these costs in the RFP Response may constitute disqualification. All proposals should be submitted in the following format to enable SBCCD to fairly evaluate and compare all proposals. Failure

to follow this format may constitute disqualification from consideration.

**Section 1.0 EXECUTIVE SUMMARY**

SUBCONTRACTORS are asked to outline briefly the entire scope of the proposal and key elements to which readers should pay particular attention.

**Section 2.0 SUBCONTRACTOR PROFILE**

SUBCONTRACTORS may describe in narrative form the nature and history of their company, relationships with other vendors if proposing jointly, etc.

**Section 3.0 LEGAL SPECIFICATIONS**

SUBCONTRACTORS may wish to clarify their responses on the legal specifications and their policies with respect to contract negotiations. A blanket rejection of all SBCCD Professional Services Agreement terms in lieu of SUBCONTRACTOR standard contract terms will deem SUBCONTRACTOR as non-responsive and may remove them from consideration.

**Section 4.0 PROJECT SPECIFICATIONS**

SUBCONTRACTOR shall outline and describe their proposals following the scope and specifications enumerated in Section 4.0. Specific exceptions to SBCCD specifications should be described and justified here as well as any additional information the SUBCONTRACTOR feels relevant to their proposal. Paragraphs shall be numbered to follow the enumeration of Section 4.0 so as to provide the Evaluation Committee the ability to objectively score each proposal.

**Appendices:**

The only official response to this RFP is what is submitted on the RFP Response and the appendices included with this proposal. Ancillary and supplemental comments will be considered in the evaluation but cannot substitute or contradict responses put in the forms.

**Appendix A - Non-Collusion Affidavit**

No gratuities of any kind will be accepted, including meals, gifts, or trips. Violation of these conditions may constitute immediate disqualification.

**1.10 QUESTIONS REGARDING THIS RFP**

Any administrative or technical questions concerning the requirements presented in this RFP must be directed to the contact on the title page of this RFP via US Mail, fax, or e-mail; e-mail is preferable. Technical questions must be submitted to Steven Sutorus (ssutorus@sbccd.cc.ca.us), Business Manager no later than 12:00 p.m. 9/25/2018. No terms or conditions can be added or changed by SUBCONTRACTOR after the proposals are received by SBCCD. Attempts to change the terms or conditions specified after the proposals are received by SBCCD may cause a proposal to be rejected as non-responsive. SUBCONTRACTOR may propose alternate and additional language to the terms provided, but are subject to negotiation and acceptance by SBCCD

In the event a single proposal is received, SBCCD may conduct a separate cost analysis of the proposal. Where it is not possible to obtain a valid cost analysis, it may be necessary for SBCCD to conduct an independent cost analysis of the proposal price.

**1.13 COST OF PROPOSAL DEVELOPMENT**

SBCCD disclaims any financial responsibility for, and SUBCONTRACTOR shall be solely responsible for, any costs incurred by the SUBCONTRACTOR in responding to this RFP, whether or not it is the successful SUBCONTRACTOR, including the costs for bonding, legal costs for any reason, visitation/travel expenses, reproduction, postage and mailing, and the like.

**1.14 RFP INTERPRETATION AND ADDENDA**

Any changes, clarifications, or other interpretations regarding this RFP may be sent by SBCCD to each SUBCONTRACTOR who has received or requested an RFP and in addition, will be posted on District's website. These Addenda will become part of the RFP and will be included by reference in the Final contracts between the SUBCONTRACTOR(s) and SBCCD.

**1.15 AWARD**

As explained above, any award is subject to successful contract negotiations between SBCCD and the selected SUBCONTRACTOR. Selection as the Preferred SUBCONTRACTOR is not an award and the process will be concluded with the execution of the final agreement(s) with the SUBCONTRACTOR concerned pursuant to Governing Board authorization.

The final Agreement(s) shall be signed by the successful SUBCONTRACTOR and returned, within ten (10) working days after the Agreement has been mailed or otherwise delivered to SUBCONTRACTOR. No Agreement shall be considered as in effect until it has been fully executed by all of the parties thereto. Failure to execute the Agreement within ten (10) working days after the Agreement has been mailed or otherwise delivered to the successful SUBCONTRACTOR shall be just cause for the cancellation of the award. Award may then be made to an alternative SUBCONTRACTOR (selected by the Committee), or the proposal may be re-advertised as SBCCD may decide.

**1.16 INDEMNIFICATION**

SUBCONTRACTOR agrees to indemnify, defend and hold harmless SBCCD and its Governing Board, officers, employees, agents and volunteers from and against any and all liabilities, costs, penalties, fines, forfeitures, demands, claims, causes of action, suits, and costs and expenses related thereto (including reasonable attorney's fees) which any or all of them may thereafter suffer, incur, be responsible for or pay out as a result of bodily injuries (including death) to any person or damage to any property (public or private), alleged to be caused by or arising from: (a) the negligent acts, errors, or omissions of SUBCONTRACTOR or SUBCONTRACTOR's subcontractor, agents or employees; (b) any violations of federal, state, or local statutes or regulations arising out

of or resulting from any negligent act, error or omission of SUBCONTRACTOR or its employees, agents, or subcontractors; (c) the use of any copyrighted materials or patented inventions; or (d) SUBCONTRACTOR breach of its warranties or obligations under this Agreement.

The rights and obligations created by this indemnification provision shall survive termination or expiration of this Agreement.

#### **1.17 NOTICE OF SUIT OR ACTION FILED**

The SUBCONTRACTOR shall give SBCCD immediate notice of any suit or action filed or prompt notice of any claim made against SBCCD arising out of the performance of this contract. The SUBCONTRACTOR shall furnish immediately to SBCCD copies of all pertinent papers received by the SUBCONTRACTOR. If the amount of the liability claimed exceeds the amount of insurance coverage, the SUBCONTRACTOR shall authorize representatives of SBCCD to collaborate with counsel for the insurance carrier, if any, in setting or defending such claim.

#### **1.18 PROHIBITED INTEREST**

No Board member, officer, or employee of the San Bernardino Community College District or of a local Public Body during his/her tenure or for one year thereafter shall have any interest, direct or indirect, in this contract or the proceeds thereof. If any such interest comes to the knowledge of any party at any time, a full and complete disclosure of all such information will be made in writing to the other parties, even if such interest would not be considered a conflict of interest under Article 4 of Chapter 1 of Division 4 of Title 1 (Sections 490-497) of the Government code of the State of California.

#### **1.19 FINAL CONTRACT**

The following documents are considered part of the final agreement:

- D. This RFP as originally released, with Appendixes, Exhibits, and any addenda released prior to proposal opening;
- E. RFP Response and any addenda released prior to proposal opening.

SBCCD may terminate any resulting Agreement(s) for convenience at any time by giving the SUBCONTRACTOR written notice thereof. Upon termination, SBCCD shall pay the SUBCONTRACTOR his allowable cost incurred to date of termination, and those costs deemed reasonably necessary by SBCCD to effect such termination. The effective date of termination shall be the date of Notice of Termination.

The San Bernardino Community College District was established in 1926 and serves most of the County of San Bernardino and a small portion of the County of Riverside. The District includes two comprehensive community colleges: San Bernardino Valley College and Crafton Hills College, a Professional Development Center, and KVCR-TV and FM. The District employs approximately 800 full-time permanent faculty and staff and approximately 600 part-time faculty, and have approximately 19,700 students enrolled in one or more courses during the 2018 Spring Semester.

## **3.0 LEGAL SPECIFICATIONS**

SBCCD's Legal Specifications are contained in a sample contract template in Appendix D. This reflects the terms and conditions necessary to be included in the Final agreement(s) for the products and services specified herein. These specifications are to be used as the basis for the Final agreement(s) but are negotiable. The purpose will be to standardize the evaluation of the SUBCONTRACTOR agreements and to augment them where there are provisions required by SBCCD that are not included in the existing SUBCONTRACTOR agreements. SBCCD requires that each of these specifications be addressed in the Final agreement(s) in essentially the language provided or some acceptable substitute language. The inclusion of the SUBCONTRACTOR standard forms and/or boilerplate does not constitute a response to these Legal Specifications.

## **4.0 PROJECT SPECIFICATIONS**

This section will provide necessary information regarding the services SBCCD shall expect outlined and described in a successful proposal.

### **4.1 QUALIFICATIONS & EXPERIENCE**

- A. Furnish background information including date of incorporation/founding, legal form, location of offices, principal line of business, number of employees, days/hours of operation and any other pertinent data.
- B. Describe most noteworthy qualifications for providing proposed services to be rendered. Specifically highlight those qualifications that provide a competitive advantage.
- C. Describe any significant developments in organization such as changes in ownership

- or personnel in the past five years.
- D. Describe any litigation pending against SUBCONTRACTOR.
  - E. List, at minimum, three references to include the reference's firm, name, respective salutation, position title, mail address, phone number, fax number, and email.
  - F. Identify Project Manager assigned to SBCCD account. Include a detailed resume of Project Manager including description of qualifications, professional certifications, job functions, and office location.
  - G. Identify the key personnel that would be assigned to SBCCD account. Include brief resumes of key personnel including description of individual qualifications, professional certifications, job functions, and office locations. Furnish an organizational chart for key personnel assigned to SBCCD account.

## 4.2 SCOPE OF PROJECT

This section should establish that SUBCONTRACTOR understands SBCCD's objectives and requirements by demonstrating its ability to meet those requirements and outlining the plan for accomplishing the specified work. Due to the nature of grant related projects, some activities are subject to change and may be altered to ensure work plan outcomes are met.

The San Bernardino Community College District is looking for a SUBCONTRACTOR to assist in the completion of work plan activities and outcomes for two Strong Workforce Program projects that were awarded to the Information & Communication Technologies & Digital Media (ICT & DM) Sector. To meet the goals and metrics of the ICT Sector in the Inland Empire/Desert Region and help ensure that all projects meet the needs of stakeholders and participating colleges, we will need support to run strategic planning meetings and other events to bring regional groups together on a regular basis. Events are expected to be but not limited to:

- Development of Cyberhub Centers annual plan (using Compression Planning)
- Assist regional colleges with adoption of ITTP and Cybersecurity AS programs (Compression Planning)
- CAE2Y Designation Application (Regional Strategy Development)
- Assist with planning and facilitation of student engagement activities such as cyber security events, Hackathon events, and summer camps

### Inland Empire Cyber Hub Centers

**Project Summary:** This project was awarded to help establish cyber security and cyber defense centers at 6 of the 12 community colleges in the Inland Empire including Chaffey College, College of the Desert, Moreno Valley College, Mt. San Jacinto College, Riverside City College and San Bernardino Valley College. Susanne Mata will provide regional technical assistance and support to the colleges participating in the project. She will serve as the regional point of contact providing expertise on cybersecurity related projects and activities. In addition, she will oversee the delivery of regional student engagement activities including cyber camps, cyber competitions, regional faculty professional development activities including workshops, conference support, and Cyber Patriot training for schools to establish teams and train coaches and mentors.

Project goals include expanding and improving cybersecurity pathways in the Inland Empire, increasing student interest in cybersecurity pathways and career paths, supporting regional

information & communication technologies labor market demand, and providing faculty professional development technical assistance to colleges and stakeholders.

## **Activities and Programs**

### **Regional California Mayors Cyber Cup:**

- One event during March or April

Support annual planning, development and marketing of a regional cyber competition that culminates in a state-wide competition. The California Mayors Cyber Cup (CMCC) is community-based competition that happens simultaneously in regions across California and aligns with the California cities and mayors. Student teams compete in a cyber competition on behalf of their city mayor once per year to bring home the perpetual cup to their city hall trophy cabinet for that year. The top two winning teams from the CMCC will then compete in the California Governor's Cyber Cup (AKA California Cyber Innovation Challenge). Members from the community, along with parents, school staff, businesses and governments are invited to attend the competition to cheer on the teams while learning more about cybersecurity.

- Provide a dedicated Regional project team (12 month cycle) who will:
  - Work with DSN to determine host college
  - Develop targeted mailing and calling list to engage key stakeholders, including mayors, city councils, schools, businesses and community groups.
  - Follow up plan to meet with mayors who will have teams competing in the competition to encourage attendance.
  - Identify and invite regional businesses with an IT or cybersecurity focus to exhibit at the event.
  - Identify and confirm speaker for closing event.
  - Issue local press release and follow up to encourage regional news coverage.
- Provide new coach recruiting – Yearlong effort with primary focus from June through October each year.
- Provide cyber camp promotion – Promotion begins in March through June
- Provide competition event management – Q1 of each year which includes:
  - Work with host college to reserve all resources including rooms, computers, assembly location and technical support.
  - Order all equipment to be rented.
  - Purchase trophies and medals.
  - Identify vendor for food and order food. Purchase any items not provided by vendor.
  - Arrange for photographer and videographer.
  - Establish and publish flow of activities for event.
  - Create electronic invitation and distribute.
  - Manage competition teams, collect registration information and liability forms.
  - Manage regional budget.
- Provide press and promotion – Year round press and promotion of cyber competition and complimentary activities.
- Coordinate awarding perpetual cup to winning mayor/city – Q2 of each year.
- Provide reporting of key success metrics – Number of new teams, new coaches, increased student progression to Community College or University Cyber programs.

### **IT Fundamentals Voucher program:**

- Approximately 1,000 Vouchers

Utilize the CompTIA IT Fundamentals certification exam as a basis for encouraging middle school and high school students to engage in an IT and cybersecurity career path through the certification pathway provided by CompTIA, with the hope of continuing through a guided approach through certification stacking that will ultimately lead to joining the cybersecurity workforce to meet the Nation's critical shortage of cybersecurity professionals as evidenced on the NIST funded CyberSeek website ([www.cyberseek.org](http://www.cyberseek.org)).

The secondary purpose is to utilize the CompTIA IT Fundamentals certification exam as a preparation for students to obtain their CompTIA A+ certification. The IT Fundamentals exam can be administered in the classroom by faculty thus allowing students an opportunity to take their first certification exam in a familiar setting.

- Provide reduced cost CompTIA ITF vouchers (approximately 1,000 vouchers)
- Provide support study tools like virtual labs and video training for ITF
- Provide dual enrolment curriculum to support new CompTIA ITF exam
- Support faculty in registering as CompTIA proctors to administer the exam
- Manage distribution of vouchers to faculty/proctors
- Provide completion and demographic metrics reporting

#### **National Cyber League (NCL) Voucher Program:**

- Approximately 600 Vouchers

The primary motivation for this project is that (1) it will help promote and increase in the number of students entering the pipeline for cybersecurity training because of general student interest that will result from the competitive aspects of the National Cyber League competition rounds, and (2) increase student success for entry into this “high wage – high demand” field, based upon the hands-on learning opportunities provided through this program's competition.

- Provide a block of NCL vouchers for CCC faculty to award to students
- Provide faculty training sessions at the beginning of each semester relating to managing NCL participation and integrating it into their curriculum plans.
- Manage distribution and reporting of vouchers
- Encourage students to enroll in Network+ or Security+ to compete
- Metrics reporting of Student and NCL performance and increased enrollment in ICT courses

#### **Cyber Team Coaches Training and Onboarding:**

- Two per year

As part of the cyber team support through the Inland Empire Cyber Hubs, a cyber competition coaches training and support program will be provided. This will utilize much of the resources provided by the California Cyberhub which is a State-Wide initiative to promote cybersecurity awareness, cyber competitions and cyber education.

- Coaches Training, Orientation and Onboarding: Includes training session that cover:
  - Step-by-step team creation
  - Timeline

- Costs

**Virtual Lab as a Service (LaaS) Pilot:**

Project Summary: The Inland Empire/Desert Region has the desire to implement a Cloud-Hosted Regional virtual lab service to provide students with the ability to access virtual lab sessions from any location with high-speed internet access using low cost computing devices. Traditionally this type of service is used for Information and Communication Technology (ICT) and Cybersecurity training however, with modern service providers offering custom lab creation tools, instructors can create labs for any curriculum requiring access to software-based tools including Automotive, Business, Health, Manufacturing, Transportation and other fields that use computerized applications and/or testing. This project will explore the use of cloud-based / virtual technologies based on a needs assessment report completed in 2017. All 12 Inland

Empire/Desert Region community colleges that want to participate in the project are eligible. The goal is to identify challenges, design our ideal technology and develop a proposal for potential providers.

#### Activities and Support

This project will consist of three main stages:

1. Solution definition

To help define the desired solution, the regional stakeholders will participate in a compression planning process which will help them explore customer (students and college) needs and develop a desired set of features that will become the basis for a vendor RFP.

2. Vendor Search, Evaluation and Selection

The RFP will be used to complete a vendor search, evaluation and selection process. Once a vendor has been identified a service agreement contract will be negotiated for the term of the pilot.

3. Implementation

Onboarding all 12 colleges will include working with each IT department to setup access to the selected service then a series of faculty training sessions will be held as each faculty opts-in to utilize the service in their curriculum. Managing the vendor/region relationship and setting appropriate expectations is a key component to success in deploying a region wide solution.

Desired benefits for providing region wide virtual Lab as a Service (LaaS) platform are the following:

- Easily scalable to meet expanding need
- Includes all licensing for standard ICT and Cybersecurity training
- 24x7x365 student and faculty support and help desk
- On demand anytime anywhere accessible from any desktop, laptop or tablet
- Economy of scale by pooling purchased access seats on a regional scale

Key project goals are:

- To provide a turn-key solution that includes all licensing, support, maintenance and curriculum library.
- Enhance expansion of IT and Cybersecurity offerings in the region
- Provide opportunities for each college to answer the Doing What Matters – Strong Workforce Program metrics of increasing enrollment and completions.
- Expanding equity of access to all areas of the region by lowering the cost of participation for colleges in rural and/or underserved areas.

## APPENDIX E

### LOCAL VENDOR DESIGNATION

**SBCDD AP 6330 Section 3:** The Purchasing Department will accept recommendations from the requesting department for potential vendors, but will endeavor, where possible, to encourage the use of local and small business enterprises in its procurement activities. On all procurement activities that must be competitively bid, or for which the District must receive quotes, such will be evaluated with a ten (10%) percent preference for local vendors. The vendor must claim local vendor preference to be considered. Please note the following exceptions:

- Those contracts which State Law or, other law or regulation precludes this local preference.
- Purchases made through cooperative purchasing and leveraged procurement agreements and piggy-back purchases.
- Public Works construction projects.

A "local" vendor will be approved as such when, 1) it conducts business in a physical location within the County of San Bernardino; and 2) it holds a valid business license issued by an agency within the County of San Bernardino; and 3) business has been conducted in such a manner for not less than six months prior to being able to receive the preference. Proof of eligibility will be provided to the District as part of the vendor application process.

Subject to the Local Vendor Preference, final vendor designation will be made by the Purchasing Department.
