BP 6600 Capital Construction

(Replaces current SBCCD BP 6600)

The Chancellor is responsible for planning and administrative management of the District's capital outlay and construction program.

District construction projects shall be supervised by the Chancellor. The District shall monitor the progress of all construction work including inspection of workmanship, completion of work to meet specifications, and the suitability of proposed changes to the scope and original design of the work.

The District shall assure compliance with laws related to use of state funds to acquire and convert existing buildings.

The Board of Trustees shall approve and submit to the Board of Governors a five-year Capital Construction Plan as required by law. The Chancellor shall annually update the Plan and present it to the Board of Trustees for approval. The Plan shall address, but is not limited to, the criteria contained in law. Any changes or modifications shall be submitted to the Board of Governors by the first day in February.
