4 **PREREQUISITES AND COREQUISITES**
5

6 The college curriculum committees are authorized by the Chancellor to establish prerequisites,
7 corequisites and advisories on recommended preparation for courses in the curriculum. All such
8 prerequisites, co-requisites and advisories shall be established in accordance with the standards
9 set out in Title 5. Any prerequisites, corequisites or advisories shall be necessary and appropriate
10 for achieving the purpose for which they are established. The procedures shall include a way in
11 which a prerequisite or corequisite may be challenged by a student on grounds permitted by law.
12 Prerequisites, corequisites and advisories shall be identified in College publications available to
13 students.
