Recommendation 2016-03 – Exhibit A
Resource Allocation Model Guidelines Fiscal Year 2016-17

Revenues shall be divided between San Bernardino Valley College and Crafton Hills College, in accordance with the following principles. These guidelines accord best with the desired objectives of transparency, fairness, and ease of understanding; and have the flexibility to adjust to changing circumstances, without the need for extensive debate and readjustment every fiscal year.

1. The SB361 State Base Allocation revenue for each college shall be passed directly on to that college.

2. The district's non-credit FTES allocation revenue shall be passed directly to the college that produced the non-credit FTES.

3. The district's state credit FTES allocation revenue shall be divided between the two colleges as follows:

Valley

Crafton Hills

- a. 10,928 total projected funded FTES

b. All district unfunded FTES will be carried by Crafton Hills College (230 projected unfunded FTES)

4. Overcap funding for credit FTES (Overcap is additional FTES the district could recapture if other districts do not grow enough during the year. It is usually known at recalculation [Recalc] around February of each year.)

Valley

Crafton Hills

No additional Overcap since Valley will be fully funded for the credit FTES

Overcap will be absorbed by Crafton since it carries all unfunded FTES (projected overcap of 153 FTES)

5. Other eligible revenues received by the district shall be divided between the two colleges in accordance with the relative FTES numbers achieved by the colleges as in item 3. above.

6. Site-specific revenues will remain with the college concerned.

7. District growth levels/targets may be recommended by District Budget Committee and approved/ modified by Chancellor's Cabinet.

8. Districtwide assessments shall be divided between the two colleges based on FY 2016-17 projected actual FTES (not funded FTES).
