

Vice President of Administrative Services

Management Range: 24

Board Approved: 6/20/2019

P. 1|3

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job; however, any additional duties will be reasonably related to this class.

SUMMARY DESCRIPTION

Under the direction of the President and in support of a student-centered environment, the Vice President of Administrative Services shall be responsible for planning, organization, implementation, and evaluation of all areas assigned to the Administrative Services unit. Primary responsibilities include: budget development, fiscal operations, fiscal accountability, facilities management, major construction and renovation projects, campus security, student cashiering, bookstore, business office, custodial, food services, grounds, maintenance, and other duties as assigned.

REPRESENTATIVE DUTIES

The following duties are typical for this classification.

1. Responsible for the budget development, fiscal operations, audits, and compliance per federal, state and local policies and procedures
2. Provides leadership in a student-centered environment in the areas of custodial, grounds, maintenance operation; enterprise accounts, maintenance service, telephone service, building remodeling, new construction and non-instructional facilities use.
3. Integrally involved in planning and implementation for building renovation and new building construction, working with architects, contractors, and the campus community in the coordination of major facilities projects.
4. Administers the college scheduled maintenance program, the five-year facilities plan, updates space inventory, prepares project planning guides for the new and remodeled college facilities proposals.
5. Provides in-service training programs for staff on policies, work methods, materials, customer service, equipment, and work safety.
6. Coordinates the college safety program, including inspection, reporting, correction of unsafe conditions, management of hazardous materials and the appropriate disposal of hazardous waste; and preparation of the college disaster preparedness plan.
7. Coordinates the college compliance program with the South Coast Air Quality Management District and State/County Environmental Protection Agencies. Prepares the Annual College Business Plan (Business Emergency/Contingency Plan).
8. Supports shared governance through active participation in campus and district committees; works with campus and community groups to resolve problems relating to budget, college facilities and safety issues.
9. Develops proposals and plans for implementation of energy conservation.
10. Supports the District's approved Diversity efforts through participation in the selection, training and evaluation of personnel under the jurisdiction of the Office of Administrative Services.

11. Plans, prepares, and revises forms and procedures necessary to assure compliance with District accounting and auditing procedures; coordinates with the Vice Chancellor, Fiscal Services and fiscal policy and procedure. Supervises personnel in the Campus Business Office.
12. Supervises staff and provides for annual evaluation consistent with District policies.
13. Supervises the necessary record keeping in respect to sick leave and vacation schedules for all employees under the Office of Administrative services and time sheets for overtime and hourly employees.
14. Insures compliance with District negotiated employee agreements.
15. Maintains liaison with various governmental agencies, faculty, and staff.
16. Maintains communications with Central Service Warehouse Operations and has oversight responsibilities for campus security.
17. Maintains communications with Central Services Warehouse Operations and has oversight responsibilities for campus warehouse staff.
18. Represents the college in the capacity of Vice President of Administrative Services at other schools, professional meetings and public functions.
19. Serves as the American with Disabilities Act coordinator.
20. Attends meetings of the President's Council and Board of Trustees.
21. Insures that all activities of the Physical Plant and Administrative Services are consistent with Federal, State and District policies and regulations.
22. Supervises the physical set-ups for community activities and school affairs as required under the Facilities Management Program.
23. Represents the College in meetings with architects, landscape architects, and/or contractors relating to new construction, remodeling, grounds renovation, or related campus projects, and in meetings with students, staff members of the public concerning college safety issues.
24. Assists District personnel in the preparation of bid packages related to building and grounds; makes recommendations for the award of bids; reviews estimates of costs relating to repairs involving electrical, plumbing, or carpentry work.
25. Assists supervisors in providing orientation and in-service education for new staff.
26. Carries out other duties as assigned by the President.

QUALIFICATIONS

The following generally describes the knowledge and ability required to enter the job and/or be learned within a short period of time in order to successfully perform the assigned duties.

Knowledge of:

- Community college budget procedures and effective management practices.
- Working knowledge of safety requirements for maintenance and operation of College buildings, grounds and equipment.
- Methods, practices, equipment and supplies used in the maintenance, repair and operation of buildings and grounds, construction management, building maintenance or blueprint reading.
